RE: American Oversight v. DHS, et al; 23-CV-1395
ICE FOIA Case Number 2023-ICLI-00022
First Response Letter

Dear Mr. Wood:

This is the first response to your client's Freedom of Information Act (FOIA) requests to U.S. Immigration and Customs Enforcement (ICE) dated September 30, 2019. Your FOIA request seeks records pertaining to all email communications sent to or received by any employee or representative of any of the following entities or email address ending in the following: @fairus.org, @irli.org, @cis.org, @numbersusa.com, @theremebranceproject.org, @heritage.org, @vdare.com, kkobach@gmail.com, kris@kriskobach.com. Any email communications, handwritten communications, and/or calendar entries involving anyone with an email address ending in @who.eop.gov regarding Migrant Protection Protocols (MPP). It was requested that ICE search the records of the following: Mark Morgan, Tracy Short, Ronald Vitiello, Matthew Albence, Derek Benner, Thomas Blank, Chris Kelly, Jon Feere, Barbara Gonzalez, anyone serving in the capacity of White House Liaison or advisor. (including anyone with an email address ending in @who.eop.gov)

ICE has considered your request under the FOIA, 5 U.S.C. § 552, and processed 502 pages of potentially responsive documents. A search of the ICE emails located records that were potentially responsive to your request. For this production, ICE reviewed 502 pages of potentially responsive records. ICE determined that 9 pages were non-respsonsive and 10 pages are duplicates. 154 pages have been sent for a consultation to Department of Homeland Security (DHS), White House, and Department of Justice (DOJ) and will be supplementary released upon receipt. The remaining 329 pages have been Bates numbered 2023-ICLI-00022 1 through 2023-ICLI-00022 329. ICE has applied FOIA Exemptions (b)(5), (b)(6), (b)(7)(C), and (b)(7)(E) to portions of these pages as described below.

FOIA Exemption 5 protects inter-agency or intra-agency memorandums or letters which are not available by law to a party other than an agency in litigation with the agency. The deliberative process privilege protects the integrity of the deliberative or decision-making processes within the agency by exempting from mandatory disclosure opinions, conclusions, and recommendations included within inter-agency or intra-agency memoranda or letters. The release of this internal information would discourage the expression of candid opinions and inhibit the free and frank exchange of information among agency personnel. The attorney work-product privilege protects

AMERICAN OVERSIGHT

documents and other memoranda prepared by an attorney in contemplation of litigation. The attorney-client privilege protects confidential communications between an attorney and his client relating to a legal matter for which the client has sought professional advice. It applies to facts divulged by a client to his attorney, and encompasses any opinions given by an attorney to his client based upon, and thus reflecting, those facts, as well as communications between attorneys that reflect client-supplied information. The attorney-client privilege is not limited to the context of litigation.

ICE has applied FOIA Exemptions 6 and 7(C) to protect from disclosure the names, e-mail addresses, and phone numbers of ICE and DHS employees contained within the documents, as well as the names, and other personally identifiable information of other individuals contained within the records.

FOIA Exemption 6 exempts from disclosure information in personnel or medical files and similar files the release of which would cause a clearly unwarranted invasion of personal privacy. This requires a balancing of the public's right to disclosure against the individual's right to privacy. The privacy interests of the individuals in the records you have requested outweigh any minimal public interest in disclosure of the information. Any private interest you may have in that information does not factor into the aforementioned balancing test.

FOIA Exemption 7(C) protects records or information compiled for law enforcement purposes when production of such could reasonably be expected to constitute an unwarranted invasion of personal privacy. This exemption takes particular note of the strong interests of individuals, whether they are suspects, witnesses, or investigators, in not being unwarrantably associated with alleged criminal activity. That interest extends to persons who are not only the subjects of the investigation, but those who may have their privacy invaded by having their identities and information about them revealed in connection with an investigation. Based upon the traditional recognition of strong privacy interests in law enforcement records, categorical withholding of information that identifies third parties in law enforcement records is ordinarily appropriate.

ICE has applied FOIA Exemption 7(E) to protect from disclosure internal agency case numbers and other law enforcement sensitive information contained within the documents.

FOIA Exemption 7(E) protects records compiled for law enforcement purposes, the release of which would disclose techniques and/or procedures for law enforcement investigations or prosecutions or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law. ICE has determined that disclosure of certain law enforcement sensitive information contained within the responsive records could reasonably be expected to risk circumvention of the law. Additionally, the techniques and procedures at issue are not well known to the public.

Hi Barbara,
Hope you're well! I'm writing about 2 things:

1. Two of my board members are interested in meeting with Director Morgan and acting ERO Director Nathalie Asher, ideally on Friday afternoon, June 7, if possible. Sorry for the late notice. Their names are (b)(6),(b)(7)(C), and they are involved in the Center's efforts to produce constructive policy recommendations for immigration enforcement. We would like to discuss the problem of fugitives in particular. I would attend, and I understand (b)(6),(b)(7)(C) (b)(6),(b)(7)(C) is also interested in the discussion.

2. Last Wednesday I participated in an event in Culpeper, VA. that included two women who recently lost family members in a highway fatality in the DC area, involving an illegal alien with a lengthy criminal history, who is (b)(6),(b)(7)(C) (b)(6),(b)(7)(C) and at large, having met a relatively low bond set by an IJ. It's this case: https://wtop.com/montgomery-county/2018/07/no-criminal-charges-for-driver-who-killed-fbi-agent-fire-marshal-on-270/. I asked them if they had been in touch with VOICE, and they said they weren't aware of the office, so I'm sending them info, just a heads up. My understanding is that CASA put up the money for the alien's release. I'm planning to write an article about the case, so if ICE has or made any statements about the case, I'd be interested.

Thanks so much, Regards, (b)(6),(b)(7)(C)

Per our privacy policy and memo, we are not allowed to release pictures of aliens unless there is a specific need which may include cases linked to fugitives.

No bother, Barbara, sorry for the delay in responding. Mr. (b)(6),(b)(7)(C) would like to discuss the need for ICE to address the problem of aliens who have been issued final orders but have not departed, specifically those who are not "unremovable" but who have not been a high priority for ICE. These include cases of families who have completed their

AMERICAN OVERSIGHT

cases and been ordered removed. He and Mr. (b)(6),(b)(7)(C) have some ideas for how ICE can tackle these cases in a cost-effective way that would also help ICE avoid problems of non-cooperative sanctuary jurisdictions. Unfortunately (b)(6),(b)(7)(C) (b)(6),(b)(7)(C) cannot make the meeting because of travel constraints, but he asked me to say Hi to you, said you worked together in Miami way back when.

Is that enough information? Would be good to know the size of the docket with these cases. Thanks so much, Jessica

Hi Barbara,
Hope you're well! I'm writing about 2 things:

1. Two of my board members are interested in meeting with Director Morgan and acting ERO Director (b)(6),(b)(7)(C) ideally on Friday afternoon, June 7, if possible. Sorry for the late notice. Their names are (b)(6),(b)(7)(C) and they are involved in the Center's efforts to produce constructive policy recommendations for immigration enforcement. We would like to discuss the problem of fugitives in particular. I would attend, and I understand Jon Feere is also interested in the discussion.

2. Last Wednesday I participated in an event in Culpeper, VA. that included two women who recently lost family members in a highway fatality in the DC area, involving an illegal alien with a lengthy criminal history, who (b)(6),(b)(7)(C) (b)(6),(b)(7)(C), and at large, having met a relatively low bond set by an IJ. It's this case: https://wtop.com/montgomery-county/2018/07/no-criminal-charges-for-driver-who-killed-fbi-agent-fire-marshal-on-270/. I asked them if they had been in touch with VOICE, and they said they weren't aware of the office, so I'm sending them info, just a heads up. My understanding is that CASA put up the money for the alien's release. I'm planning to write an article about the case, so if ICE has or made any statements about the case, I'd be interested.

Thanks so much, Regards, (b)(6),(b)(7)(C)

You're welcome, (b)(6),(b)(7)(C). Yes, (b)(6),(b)(7)(C) is very talented. We're lucky to have her leading ERO.

Good to see you again. That was a good meeting, I am very impressed with Ms. (b)(6),(b)(7)(C) and I think she will do a great job. Please let me know if we can be of assistance in any way. Best, (b)(6),(b)(7)(C)

Good morning, (b)(6),(b)(7)(C)

It was good to see you Friday. As promised, below is the statement and background information that OPA provided to the press who inquired about (b)(6),(b)(7)(C). Please let me know if you need anything else.

STATEMENT:

On May 3, U.S. Immigration and Customs Enforcement federal officers arrested unlawfully present Guatemalan national (b)(6),(b)(7)(C) at his residence in Maryland. He was taken into custody and charged with violating the terms and conditions of his work visa after overstaying the authorized period of stay in 2009.

ICE officers had previously encountered (b)(6),(b)(7)(C) and lodged detainers with Montgomery County Detention Center in June 2015 and again in August 2015 following (b)(6),(b)(7)(C) arrest on local charges in two separate instances. (b)(6),(b)(7)(C) was released from custody without notification to ICE in each instance.

EXTERNAL BACKGROUND:

ICE does not exempt classes or categories of removable aliens from potential enforcement. All of those in violation of the immigration laws may be subject to immigration arrest, detention and, if found removable by final order, removal from the United States.

Aliens processed for removal may receive their legal due process from federal immigration judges in the immigration courts, which are administered by the Executive Office for Immigration Review (EOIR). EOIR is an agency within the U.S. Department of Justice, and is separate from the U.S. Department of Homeland Security and ICE. Immigration judges in these courts make decisions based on the merits of each individual case. ICE officers carry out the removal decisions secured by ICE attorneys from the federal immigration judges. For more information on EOIR, visit: https://www.justice.gov/eoir/

Hi Barbara,
Hope you're well! I'm writing about 2 things:

1. Two of my board members are interested in meeting with Director (b)(6),(b)(7)(C) and acting ERO Director (b)(6),(b)(7)(C) ideally on Friday afternoon, June 7, if possible. Sorry for the late notice. Their names are (b)(6),(b)(7)(C) and (b)(6),(b)(7)(C) and they are involved in the Center's efforts to produce constructive policy recommendations for immigration enforcement. We would like to discuss the problem of fugitives in particular. I would attend, and I understand Jon Feere is also interested in the discussion.

2. Last Wednesday I participated in an event in Culpeper, VA. that included two women who recently lost family members in a highway fatality in the DC area, involving an illegal alien with a lengthy criminal history, who (b)(6),(b)(7)(C) (b)(6),(b)(7)(C), and at large, having met a relatively low bond set by an IJ. It's this case: https://wtop.com/montgomery-county/2018/07/no-criminal-charges-for-driver-who-killed-fbi-agent-fire-marshal-on-270/. I asked them if they had been in touch with VOICE, and they said they weren't aware of the office, so I'm sending them info, just a heads up. My unblderstanding is that CASA put up the money for the alien's release. I'm planning to write an article about the case, so if ICE has or made any statements about the case, I'd be interested.

Thanks so much, Regards, (b)(6),(b)(7)(C)

The Center for Immigration Studies is an independent, non-partisan, non-profit, research organization. They were founded in 1985. The Center is governed by a diverse board of directors that has included active and retired university professors, civil rights leaders, and former government officials. Their research and analysis has been funded by contributions and grants from dozens of private foundations, from the U.S. Census Bureau and Justice Department, and from hundreds of individual donors.

PUBLICATIONS AND QUOTES

By (b)(6),(b)(7)(C) on February 14, 2018

Better immigration enforcement needs to be a part of any DACA deal. (b)(6),(b)(7)(C) co-founder and past chairman of the National Association of Former Border Patrol Officers, explains how a successful plan must include:

- Border security (includes but is not limited to a wall);
- Cooperation between federal immigration authorities and local law enforcement in interior enforcement; and
- Employer sanctions, which must include mandatory e-verify, to weaken the magnet of jobs that attracts illegal immigration in the first place.

ICE Media,

This is (b)(6),(b)(7)(C) an investigative associate with the Immigration Reform Law Institute (IRLI). I am hoping to speak to someone about our apparent designation as a non-media entity.

AMERICAN OVERSIGHT

When I first reached out to ICE's media division last year, I was told that IRLI wasn't considered media and must contact Community Relations. However, we feel like we have a case to make that we are actually a media group -- our investigations are reprinted by numerous news outlets, we publish a popular blog site, we are designated as a media entity in FOIA fee waivers, etc.

Is there someone in ICE media that we can reach out to about this?

Thanks so much for your time.

It's this case: https://wtop.com/montgomery-county/2018/07/no-criminal-charges-for-driver-who-killed-fbi-agent-fire-marshal-on-270/. I asked them if they had been in touch with VOICE, and they said they weren't aware of the office, so I'm sending them info, just a heads up. My understanding is that CASA put up the money for the alien's release. I'm planning to write an article about the case, so if ICE has or made any statements about the case, I'd be interested.

Thanks so much, Regards, (b)(6),(b)(7)(C)

Hi Barbara,
Maybe some of these will be helpful:

1. Experience of Lynn, Massachusetts: https://cis.org/Panel-Transcript-Local-Impact-Illegal-Border-Surge.

So we have been trying to accommodate this. We have built a new middle school. However, that school is not scheduled to open 'til September of 2016, and it is already deemed to be overcrowded before its doors even open. We've also seen a real uptick in our public health services that are required because all students have to be vaccinated before they come into our school system.

So just by comparison, in – let me see – July of – well, let's take July of 2011 – my health department gave out 11 vaccinations. In July of 2013, the health department gave out 129 vaccinations. In July of 2014, the health department gave out 159 vaccinations. Now, we've only had our public health clinic open for vaccinations a couple of hours a week, historically. But because of this surge we've had to increase the number of nurses that we have and increase the number of hours that our clinic is open. And, although I have not yet put a firm dollar cost on how much all of these accommodations have cost the city of Lynn, I do know that, because of primarily the increase in my required school department spending, has caused me, when crafting my 2015 – FY 2015 budget, to have to cut all of my other departments between 2 and 5 percent on their total that they had gotten for last year's spending, whereas my school department has gotten a 9.3 percent increase.

AMERICAN OVERSIGHT

Now how that affects Lynn in real life: I had a great program in Lynn, a community policing program, where the six sectors of the city of Lynn, as the police have divided it, each had their own bike cop. And the bike cops were there to take care of quality of life issues, to look into problems before they got to be big problems, to keep an eye on gang recruitment – and over the last few years, the city of Lynn has managed to bring down its number of known gang members and affiliates from about 1,300 down to 350. And I attribute that decline in large part to the community policing program that we have had in place. That program can no longer be continued because that money has had to be diverted to the school department.

Simple things, day-to-day things like trash collection – when there are more people in the community, the tonnage goes up. When the tonnage goes up, the tipping fees go up because they have more trash to dispose of. I've already given you the example of how the public health department has had to borrow from – within other lines of what we call the inspectional services department; that is actually where our health department is located for budgeting purposes. And we've already had to take from other line items in inspectional services to accommodate the needs in the public health department.

2. Testimony summarizing costs: https://cis.org/Another-Surge-Illegal-Immigrants-along-Southwest-Border.

Education Is the Most Significant Cost. School districts around the country have had to scramble to make room for this unprecedented new influx of young Central Americans who arrived illegally as part of the surge, either as UACs or as part of family units. The problem is not just the numbers, but also that typically many of the new arrivals have had only a few years of schooling in their home country, have not learned to read or acquired other basic skills fundamental to education beyond elementary school, or speak indigenous languages (not Spanish). These kids are more likely to require individualized educational plans and tutoring support due to emotional trauma, learning disabilities, or other special needs.

One Massachusetts school committee chair told me that the surge arrivals have been a "shock to the system" because there were so many who came at once, and because most were older than the typical new immigrant children, who are more likely to enter elementary or middle school, not high school.

Massachusetts has had to assemble a statewide working group of educators to design a new curriculum, known as the Students with Limited or Interrupted Formal Education (SLIFE) program, especially for the UAC arrivals, who numbered 1,400 in 2014. Some districts have had to create unique "newcomers" educational programs. However, the districts must be careful not to run afoul of federal oversight on "mainstreaming" special needs children. The city of Lynn, Mass., was threatened with litigation by the U.S. Department of Justice when it attempted to launch a night school program designed to better meet the needs and interests of the large percentage of male UAC arrivals who wanted to drop out and work rather than attend a traditional day school program.

Everyone agrees that these students need support to succeed, but the problem is how to pay for it, and how to anticipate the flows so that plans can be made. Says Lynn, Mass. Mayor Judy Kennedy: "We have gotten enough new students to build a school, but unfortunately we don't have the money to build a school." In the 2013-14 school year, Lynn received about 250 new students from Guatemala and Honduras. Of these, 129 were assigned to the 9th grade.

Last year, as a result of the influx, the city of Lynn had to find an additional $8 million to cover increased school expenditures (without a corresponding increase in tax revenue to cover it). As a result, the city had to cut other agency budgets by 2 percent across the board. City staff salaries were frozen; the community policing program was ended; and an order for a new hook-and-ladder fire truck was cancelled, among other belt-tightening measures.

This story has been repeated all over the country. At a parent-teacher association meeting in Loudoun County, Va., this past November, it was announced that due to the influx of unaccompanied minors, the school's counseling resources were severely stretched, and that all of the year's resources for parent liaison services were used up by September.

Louisiana's Jefferson Parish, which received more than 500 UACs, said it needed to hire 27 new ESL teachers, 20 new ESL para-educators, 19 regular teachers, and three special education teachers to accommodate the influx. The total cost was estimated to be $4.8 million, split between the state and the parish. The state was not expecting any additional support from the federal government for the limited English proficiency students, because most of them arrived at the last minute.[9]

New arrivals that occur late in the calendar year, such as the 17,000 who arrived in the last three months of 2015, are especially problematic, because the schools typically get no extra funding from their state governments after a certain point: "If they come after September 30 and enroll in school, we still have to serve them but we get no funding," said one rural Delaware school administrator. This high school absorbed about 70 new arrivals in one year, costing more than $500,000, not including special education costs.[10]

AMERICAN OVERSIGHT

Other states report the following outlays per UAC student:

- Texas: $9,500 (source: Texas Legislative Budget Board);
- Florida: $8,900 per child plus $1,900 per UAC for special needs (source: Florida Department of Education) for a total cost of $30-$40 million per year;
- Fairfax County, Va.: $14,755 per English Language Learner, for a total estimated cost per year for UACs of $14 million. (source: Fairfax County Supervisor);
- National Average: $11,153-$12,608 (source: National Center on Educational Statistics);
- Total Cost Nationwide: $580 million - $670 million for the FY2014 UAC cohort per year (not counting children who arrived as part of family units).

Health Care Costs. Less has been reported on the health care costs for UACs, but inevitably they will present a major burden for state and local governments. "I think the biggest issue for us is the big handoff to local governments in terms of service costs and wraparound for these families and children. There's no getting around that," said Uma Ahluwalia, director of the Montgomery County, Md., Department of Health and Human Services. "In the meantime, the children are going to be attending local schools, they're going to have health and mental health needs ... I think it will definitely strain our capacities."[11]

The Washington, DC-based Mary's Center, which provides health services to DC-area immigrants, reported costs of $400,000 for services for UACs in 2014. The services to UACs cost more than double what routine services cost for most immigrants, because many of the newly arrived Central American youths have been injured or sexually molested on the journey.[12]

One big-ticket item in Lynn, Mass., was the cost of immunizations for the UAC arrivals, which had to be done before the kids could be admitted to school. In Massachusetts, there is a delay of one or two months before the students can be enrolled in the state health insurance program for the needy, so the city had to set up special clinics and hire extra nurses on its own dime in order to get the kids into school promptly. (Of course taxpayers pay for the students' health care, regardless of whether the local or the state agency is covering the costs.)

Mental health care for these individuals may be a long-term challenge. According to numerous studies, UACs are more likely to need counseling and other forms of care as a result of physical or emotional trauma suffered in their home countries, on the journey with smugglers, or after arrival in the United States. According to one report:

> *Unaccompanied alien children's migration likely compounds significant levels of preflight trauma. The 2000-plus-mile journey to the United States traces routes controlled by drug cartels who beat, drown, drug, maim, murder, rob, molest, and starve undocumented migrants, with some UAC targeted for forced recruitment. Likewise, coyotes (guides [actually smugglers]) may offer UAC drugs or alcohol to stem their hunger or proposition them for hard labor or sex in return for survival. Combined, the high level of potential trauma before and during migration may lead to some of the highest levels of mental illness among children in the United States.*[13]

Typically this care will need to be provided through publicly funded state, local, or federal social service programs for children rather than private insurance, since most of the family members who are assuming custody of the youths are also in the country illegally and thus more likely to lack insurance (and are not required to carry it under federal rules).

Hi,
I am working on an investigative report on a suspected illegal immigrant, named (b)(6),(b)(7)(C) He was recently arrested for killing (b)(6),(b)(7)(C) in Silver Spring, MD.
Here is an article for further background information: https://www.mymcpnews.com/2019/05/16/suspect-arrested-in-silver-spring-homicide/.

Were there any ICE detainers placed on this individual, and if so, on what dates were they placed?

Happy New Year! I have a few question pertaining to 287(g) that I would appreciate you forwarding to the correct individual.

The questions pertain to both the Gwinnett County program, which started in 2009, and the Cobb County program, which started in 2007.

By year, starting with the year the programs started, I would like to know:

The number of aliens processed through the programs

The number of arrests the programs produced

The number of immigration charges lodged

The number of convictions

The criminal history of the criminal aliens

The number of aliens removed as a result of the programs

The crimes (number and crime specific) these criminal aliens committed

The country of citizenship

The status at entry

Prior deportee (yes/no)

Barbara,

Happy New Year! I have a few question pertaining to 287(g) that I would appreciate you forwarding to the correct individual.

The questions pertain to both the Gwinnett County program, which started in 2009, and the Cobb County program, which started in 2007.

By year, starting with the year the programs started, I would like to know:

The number of aliens processed through the programs

The number of arrests the programs produced

The number of immigration charges lodged

AMERICAN OVERSIGHT

The number of convictions

The criminal history of the criminal aliens

The number of aliens removed as a result of the programs

The crimes (number and crime specific) these criminal aliens committed

The country of citizenship

The status at entry

Prior deportee (yes/no)

The zip code of last known address

Thank you for your help!

I hope 2021 will be a wonderful year for you and your family,

Thank you very much. Any chance I could have the same numbers for Charleston County, SC?

Barbara,

Happy New Year! I have a few question pertaining to 287(g) that I would appreciate you forwarding to the correct individual.

The questions pertain to both the Gwinnett County program, which started in 2009, and the Cobb County program, which started in 2007.

By year, starting with the year the programs started, I would like to know:

The number of aliens processed through the programs
The number of arrests the programs produced
The number of immigration charges lodged
The number of convictions
The criminal history of the criminal aliens
The number of aliens removed as a result of the programs
The crimes (number and crime specific) these criminal aliens committed
The country of citizenship
The status at entry
Prior deportee (yes/no)
The zip code of last known address

Thank you for your help!
I hope 2021 will be a wonderful year for you and your family,

Hi Barbara

AMERICAN OVERSIGHT

I contacted Mr. (b)(6),(b)(7)(C) and let him know that we received his request and that we are working on a statement which will be provided to him shortly. He was pleasantly surprised to hear from us and awaits our response. (b)(6),(b)(7)(C) (b)(6),(b)(7)(C) with OPA was extremely helpful.

I reached out to (b)(6),(b)(7)(C) with OPA who presented the original statement for clearance to inquire about Mr. (b)(6),(b)(7)(C) contact information. (b)(6),(b)(7)(C) shared that (b)(6),(b)(7)(C) from Buffalo sent him the request so he advanced it forward to OPA. The 1st attachment – Email titled : Cooperation with New York State DMV - includes the original request and Mr. (b)(6),(b)(7)(C) contact information.

The 2nd attachment titled Green Light Law Fact Sheet was shared with me by (b)(6),(b)(7)(C) as he used it to draft the statement he proposed and that was cleared by local ERO.
(b)(6),(b)(7)(C) informed me that the statement he drafted was actually approved by FOD Feeley before he sent it off to OPA for clearance. It does not look like it was reviewed and or approved by HSI.

I am also attaching the specific statement that was approved by ERO as the 3rd attachment – issue paper re: State of New York Green Light Law. Hopefully this makes it easier.

After lots of work OPA determined that the person requesting information is not a media reporter (b)(6),(b)(7)(C) never presented him with the cleared statement as it was determined that it is an OPE matter. (b)(6),(b)(7)(C) also shared a link with past statements on the topic. https://www.ice.gov/statements/remarks-ice-acting-director-matthew-t-albence-new-york-state-green-light-law-press

This is cleared on the ERO side of the house; however as this is ICE specific, additionally this needs to go through H.S.I. for review / concurrence as they have equities related to the Green Light Law as well.

CIS is doing a follow-up story on the criminal alien releases from the ICE Adelanta Detention Facility in California order by Judge (b)(6),(b)(7)(C) in October. On October 27, ICE put out a press release describing the crimes of those released; I would like to know since their release, how many new crimes have been committed by these individuals, how many have been arrested by local police, how many are still wearing their ATD bracelets, etc.

Thank you,

I'm assisting with media today in El Paso since (b)(6),(b)(7)(C) is on leave.

Who is your Community Relations Officer (CRO) for El Paso?

Since this request is not from a media outlet, it would be best handled by your CRO.
However, I am not sure if you have one in El Paso.
Thanks!

I would like to know some details about (b)(6),(b)(7)(C) He was suppose to be deported in 2003. He was very high profile, but was not picked up. He later ended up in prison (arrest 2012), but was released on November 7, 2020. Last I heard he was in ICE custody in El Paso. Has he been deported yet? Is he still in custody in El Paso? Any details at all that I can be told?

Hello Barbara,

We received an inquiry from IRLI for Fairfax county, VA and as our CRO is out, I've prepared an issue paper for response. I checked with ERO Fairfax and OPA and have provided information below (and attached). Please let me know if you need anything additional for clearance.

Thanks,

ISSUE PAPER FOR RELEASE OF INFORMATION

SUMMARY:
(b)(6),(b)(7)(C) an investigative Associate with Immigration Reform Law Institute (IRLI) reached out to the Fairfax, VA Community Relations Officer, but since the they are on military leave, contacted OPE to ask if we are you able to speak at all about the AO 442 arrest warrants that Fairfax County, Virginia officials demand in order to honor an immigration detainer.

They inquired:
I am reaching out regarding an investigation into Fairfax County's relationship with ICE. More specifically, I am researching the county's response to ICE detainer requests.

When I asked Fairfax authorities about their policy, they made clear they only honor an ICE detainer if it is accompanied by an AO 442 arrest warrant.

Can ICE speak to this requirement at all? How would an AO 442 form requirement be a hindrance to the agency as it seeks to apprehend criminal illegal aliens? Are these forms easy for an ICE agent to obtain?

(b)(6),(b)(7)(C) OPE ADAD, reached out to the Fairfax ERO field office AFOD, (b)(6),(b)(7)(C) (b)(6),(b)(7)(C) who provided the information below.

INTERNAL INFORMATION:
Fairfax County does not honor our detainers. They do provide about an hour of advance notification prior to release.

An AO 442 is a federal criminal arrest warrant. So, in other words, Fairfax County's public stance, like many LEAs throughout the country, is that they will not hold an inmate past their release date for ICE without a criminal arrest warrant singed by a judge (versus our administrative arrest warrants signed by a supervisory immigration official). I know OPA, and OPE should as well, have cleared language on how this is really a red herring since there is no authority or legal mechanism for a judge or magistrate to issue a criminal warrant for an administrative immigration arrest.

Here's the Sherriff's official stance. Simply put, they don't honor our detainers, they honor criminal warrants.

The Fairfax County Sheriff's Office is a public safety agency committed to ensuring the safety and security of the diverse communities it serves. The Sheriff's Office operates the Fairfax County

Adult Detention Center (ADC) and complies with local, state and federal laws. All Sheriffs in Virginia are required by Code of Virginia § 19.2-83.2 and § 53.1-218 to determine the residency status of individuals arrested and brought to jail for a felony offense. During the booking process, fingerprints are automatically transmitted to a state database to which all local, state and national law enforcement agencies, including ICE, have access.

The Sheriff's Office does not book anyone into the Adult Detention Center nor hold inmates past their court ordered release date without a judicial warrant. Deputies do not participate in, nor provide assistance to, ICE activities out in the community.

The Sheriff's Office worked with the ACLU to create a written notice informing undocumented immigrants about the availability of free legal advice from the Capital Area Immigrants' Rights (CAIR) Coalition. Deputies distribute the printed notice to all inmates that have an ICE detainer. The notice is available in English, Spanish and Korean. Regardless of a person's immigration status, the Sheriff's Office ensures that every incarcerated person has telephone and in-person access to their attorney.

Ms. (b)(6),(b)(7)(C) checked with OPA and there isn't a cleared statement related specifically to AO 442, but the statement for release below has been provided.

Subject: Fairfax County and the AO 442 Requirement

ICE Fairfax Community Relations,

I am reaching out regarding an investigation into Fairfax County's relationship with ICE. More specifically, I am researching the county's response to ICE detainer requests.

AMERICAN OVERSIGHT

When I asked Fairfax authorities about their policy, they made clear they only honor an ICE detainer if it is accompanied by an AO 442 arrest warrant.

Can ICE speak to this requirement at all? How would an AO 442 form requirement be a hindrance to the agency as it seeks to apprehend criminal illegal aliens? Are these forms easy for an ICE agent to obtain?

Thanks so much for your time.

Regards,

Hello Barbara,

We received an inquiry from IRLI for Fairfax county, VA and as our CRO is out, I've prepared an issue paper for response. I checked with ERO Fairfax and OPA and have provided information below (and attached). Please let me know if you need anything additional for clearance.

Thanks,
(b)(6),(b)(7)(C)

ISSUE PAPER FOR RELEASE OF INFORMATION

SUMMARY:
Jason Hopkins, an investigative Associate with Immigration Reform Law Institute (IRLI) reached out to the Fairfax, VA Community Relations Officer, but since the they are on military leave, contacted OPE to ask if we are you able to speak at all about the AO 442 arrest warrants that Fairfax County, Virginia officials demand in order to honor an immigration detainer.

They inquired:
I am reaching out regarding an investigation into Fairfax County's relationship with ICE. More specifically, I am researching the county's response to ICE detainer requests.

When I asked Fairfax authorities about their policy, they made clear they only honor an ICE detainer if it is accompanied by an AO 442 arrest warrant.

AMERICAN OVERSIGHT

Can ICE speak to this requirement at all? How would an AO 442 form requirement be a hindrance to the agency as it seeks to apprehend criminal illegal aliens? Are these forms easy for an ICE agent to obtain?

(b)(6),(b)(7)(C) OPE ADAD, reached out to the Fairfax ERO field office AFOD, (b)(6),(b)(7)(C) (b)(6),(b)(7)(C) who provided the information below.

INTERNAL INFORMATION:
Fairfax County does not honor our detainers. They do provide about an hour of advance notification prior to release.

An AO 442 is a federal criminal arrest warrant. So, in other words, Fairfax County's public stance, like many LEAs throughout the country, is that they will not hold an inmate past their release date for ICE without a criminal arrest warrant singed by a judge (versus our administrative arrest warrants signed by a supervisory immigration official). I know OPA, and OPE should as well, have cleared language on how this is really a red herring since there is no authority or legal mechanism for a judge or magistrate to issue a criminal warrant for an administrative immigration arrest.

Here's the Sherriff's official stance. Simply put, they don't honor our detainers, they honor criminal warrants.

https://www.fairfaxcounty.gov/topics/immigrants-fairfax-county

The Fairfax County Sheriff's Office is a public safety agency committed to ensuring the safety and security of the diverse communities it serves. The Sheriff's Office operates the Fairfax County Adult Detention Center (ADC) and complies with local, state and federal laws. All Sheriffs in Virginia are required by Code of Virginia § 19.2-83.2 and § 53.1-218 to determine the residency status of individuals arrested and brought to jail for a felony offense. During the booking process, fingerprints are automatically transmitted to a state database to which all local, state and national law enforcement agencies, including ICE, have access.

The Sheriff's Office does not book anyone into the Adult Detention Center nor hold inmates past their court ordered release date without a judicial warrant. Deputies do not participate in, nor provide assistance to, ICE activities out in the community.

The Sheriff's Office worked with the ACLU to create a written notice informing undocumented immigrants about the availability of free legal advice from the Capital Area Immigrants' Rights (CAIR) Coalition. Deputies distribute the printed notice to all inmates that have an ICE detainer. The notice is available in English, Spanish and Korean. Regardless of a person's immigration

AMERICAN OVERSIGHT

status, the Sheriff's Office ensures that every incarcerated person has telephone and in-person access to their attorney.

Ms. (b)(6),(b)(7)(C) checked with OPA and there isn't a cleared statement related specifically to AO 442, but the statement for release below has been provided.

INFORMATION FOR RELEASE:

"Detainers serve as a legally authorized request, upon which a law enforcement agency may rely, to continue to maintain custody of an alien for up to 48 hours so that ICE may assume custody for removal purposes. Pursuant to ICE policy, all ICE detainers are submitted with an accompanying administrative arrest warrant or warrant of removal depending upon the circumstances of the individual case."

"ICE lodges detainers on aliens who have been arrested on local criminal charges when the agency has probable cause to believe an alien is removable from the United States."

I received additional information from HSI on the WSE question. The new information is in bold letters below.

In FY20, HSI has initiated 33 Worksite Enforcement Investigations based on ERO generated leads. **To date, these investigations have resulted in 5 criminal arrests and 51 administrative arrests.**

I'm working on your additional ERO follow up questions.

Sorry, more questions, now that I've read the release. Could you provide the city or town in which the 14 aliens with homicide etc convictions were arrested, and the 12 aliens with homicide etc. charges?

In addition, could you provide a breakdown of convictions and charges for those aliens that were arrested in California (or by California AORs)? This question is in connection with my work for the California committee of the US Commission on Civil Rights, which I think you were looped in with at one point. The final report is being prepared, and this information would be of interest.

Thanks!! (b)(6),(b)(7)(C)

Hello,
Following up on the media call today, I have a couple of questions:

2. How many of the aliens arrested in this operation were working in the United States, as far as ICE knows?

We don't statistically track this information.

3. How many of the aliens arrested in this operation were arrested at their workplace?

We don't statistically track this information.

4. In FY 2020, how many worksite investigations have been opened by HSI after referrals from ERO after criminal alien operations such as this one (or in general)?

In FY20, HSI initiated 33 Worksite Enforcement Investigations based on ERO-generated leads.

Thank you very much. Regards, (b)(6),(b)(7)(C)

I am pretty sure these (b)(6),(b)(7)(C),(b)(7)(E) illegal aliens. But I need it confirmed. How do I get an answer quickly, as I know it is ot your job.

https://www.wbaltv.com/article/suspected-ms-13-gang-members-charged-with-murder-gabriela-alejandra-gonzalez-ardon/33852792

1. (b)(6),(b)(7)(C) 19
2. (b)(6),(b)(7)(C), 20
3. (b)(6),(b)(7)(C) 19
4. (b)(6),(b)(7)(C) 16, charged as an adult
5. (b)(6),(b)(7)(C) 21
6.

Also, I tried to find out yesterday...

https://www.mcall.com/news/pennsylvania/mc-nws-pa-harrisburg-teen-killed-20200830-fahhgmhquff5xcaatrvre2gjpq-story.html

(b)(6),(b)(7)(C), 45, of Harrisburg

I am told, by a very good source, that the registered sex offender accused of the homcide is a cuban national here illegally. Can this be confirmed? Would be great to link to the information.

Perhaps there are regional ICE folks that could help me. If the story coems out with teh immirgation status, then we get readers, when it comes out days after everyone has heard about the crime, not so much so.

Thank you!!!!!

Sorry, more questions, now that I've read the release. Could you provide the city or town in which the 14 aliens with homicide etc convictions were arrested, and the 12 aliens with homicide etc. charges?

In addition, could you provide a breakdown of convictions and charges for those aliens that were arrested in California (or by California AORs)? This question is in connection with my work for the California committee of the US Commission on Civil Rights, which I think you were looped in with at one point. The final report is being prepared, and this information would be of interest.

Thanks!! (b)(6),(b)(7)(C)

Hello,
Following up on the media call today, I have a couple of questions:

2. How many of the aliens arrested in this operation were working in the United States, as far as ICE knows?

AMERICAN OVERSIGHT

We don't statistically track this information.

3. How many of the aliens arrested in this operation were arrested at their workplace?

We don't statistically track this information.

4. In FY 2020, how many worksite investigations have been opened by HSI after referrals from ERO after criminal alien operations such as this one (or in general)?

In FY20, HSI initiated 33 Worksite Enforcement Investigations based on ERO-generated leads.

Hello,
Following up on the media call today, I have a couple of questions:

1. I did not receive the information release that (b)(6),(b)(7)(C) referred to with details on the operation. I did not see it on the web site either. Could you send it to me?

2. How many of the aliens arrested in this operation were working in the United States, as far as ICE knows?

3. How many of the aliens arrested in this operation were arrested at their workplace?

4. In FY 2020, how many worksite investigations have been opened by HSI after referrals from ERO after criminal alien operations such as this one (or in general)?

Thank you very much. Regards, (b)(6),(b)(7)(C)

Subject: FW: Notice of Appeal

Just wanted to advise every one of our intent to appeal Chief Judge Wolfson's dismissal of my complain on 7/29/2020. Had we been successful, it would allow me to continue working with I.C.E. under the 287(g) agreement. My County Counsel, Jeff Lindsay notified me this morning that the notice of appeal has been filed. I invite any and all support in my efforts to fight the restrictive State Directive that was issued to prohibit me from working with I.C.E.

I voluntarily entered into an agreement to support I.C.E.'s mission and keep the citizens of my county safe. The governor and his appointed Attorney General have wrongfully terminated that legal agreement and I want to fight this to the top! We were not even given the opportunity to have oral argument, it was brushed off and dismissed as a casual nuisance. Two months earlier the same Judge denied amicus curiae status for both National Sheriff's Association and The Immigration Reform Law Institute yet she allowed ACLU stating that they had met the discretionary factors to be designated as an Amicus Curiae in the case. Hopefully, we get a better chance to get justice in the Third Circuit of Appeals. Thank you all for the time and help that you have provided to me , the fight is not over and hopefully you can continue to provide assistance to me with this incredibly important issue. Sincerely,

Community Relations - Baltimore,

This is (b)(6),(b)(7)(C), an investigative associate with the Immigration Reform Law Institute. I am hoping to reach out to you and obtain comments regarding a recent investigation my team is completing out of Montgomery County, Maryland.

As you are aware, Montgomery County leaders last year announced in November 2019 that it was backtracking on a sanctuary policy it put into place several months prior. A county spokesman confirmed on November 1 that correctional officers have been ordered to give ICE agents clearance to "identified areas" of the jail to "ensure that transfers are connected in a safe environment."

That reversal came roughly four months after County Executive Marc Elrich signed into law "The Promoting Community Trust Executive Order" in July 2019. The order was a sanctuary rule that largely barred county officials from cooperating with ICE agents. Following the order, the county received a barrage of national media attention in the midst of numerous illegal aliens being charged with heinous crimes within its jurisdiction, including sexual abuse charges against minors.

But has the county followed through on its announcement to be more cooperative with ICE?

My team asked the Montgomery County Detention Center for 1) time stamps of when it notified ICE of impending releases of an alien that were subject to ICE detainers and 2) the time stamps of when aliens were released from their custody. All of the examples pertain to individuals handled after MoCo announced its policy reversal (Nov 4, 2019 to July 5, 2020).

AMERICAN OVERSIGHT

Upon retrieval of this documentation we found that, on many instances, the detention center did not give a reasonable heads up to ICE before releasing these aliens. For example, there was a case where MoCo only gave ICE a 28-minute notification before releasing an alien charged with 1st degree assault. Another example included a 2 hour and 48-minute heads up before releasing an alien charged with sex abuse of a minor, so on and so on. This does not appear to be a sufficient amount of time for an agent in your Baltimore office to react and reach the detention center in Rockville.

This does not include the numerous ICE detainers that MoCo decided were not "valid" requests. We discovered numerous aliens who were never subject to notification, despite crimes for 2nd degree assault, theft, and other crimes.

Our questions for you:

Do you believe Montgomery County is giving ICE agents sufficient notification for the release of aliens, given this information provided?

What does ICE deem a reasonable amount of notification time before local officials may release a criminal alien subject to a detainer?

Can ICE speak at all to the type of criminal aliens released from the Montgomery County Detention Center since its supposed sanctuary policy reversal?

That should do it on my end. Apologies for the longwinded email. And thank you so much for your time.

Regards,

(b)(6),(b)(7)(C)

Hi (b)(6),(b)(7)(C)
Attached is the proposed response to questions posed by Immigration Law Reform Institute on Montgomery County as presented by local ERO leadership in Baltimore. According to (b)(6),(b)(7)(C) the answers and information provided were specifically reviewed and approved by BAL ERO (A)FOD (b)(6),(b)(7)(C) and Chief of Staff (b)(6),(b)(7)(C) Also according to (b)(6),(b)(7)(C) (A)FOD (b)(6),(b)(7)(C) focused on promoting cooperation while staying away from data / stats. Information that was used to provide the response have been used in prior inquiries responses by OPA. (b)(5) (b)(5) I have read a few articles about this issue and (b)(5)
This response is a good opportunity for us to stress the need for cooperation and collaboration between LEAs while promoting our common goal of public safety. It's also a good opportunity to highlight the type of individuals who were and may be released in our communities when jurisdictions either refuse to cooperate with ICE or deliberately sabotage/minimize the process/"cooperation" thus allowing criminal aliens to avoid being taken into custody by our agency.

Hi Barbara,
I hope you're well! I'm writing to ask for your help in extending an invitation to Acting Dir Matt Albence to participate in our Immigration Newsmaker series sometime in the next couple of months. This is the monthly event that we do at the National Press Club to give people the opportunity to hear directly from immigration agency leaders on current issues, agency initiatives, and policy challenges they face. Could you advise on how to book Matt, if he would like to participate? Thanks so much, Best, [redacted]

Hello (b)(6),(b)(7)(C)

I'm back in the office and have the following cleared information:

I'm able to confirm that ICE lodged a detainer on (b)(6),(b)(7)(C) 28, on September 29, 2017 with the Prince William County Adult Detention Center in Virginia. He is still in the custody of Prince William County and is still on trial and doesn't have court again until November 2020.

And,

On May 29, 2020, ICE lodged a detainer on (b)(6),(b)(7)(C) 31, with the Prince William-Manassas Regional Adult Detention Center 287(g) Program in Manassas, VA.

Detainers serve as a legally-authorized request, upon which a law enforcement agency may rely, to continue to maintain custody of an alien for up to 48 hours so that ICE may assume custody for removal purposes. Pursuant to ICE policy, all ICE detainers are submitted with an accompanying administrative arrest warrant or warrant of removal depending upon the circumstances of the individual case. ICE places immigration detainers when the agency possesses probable cause to believe an alien is deportable from the United States.

Thanks so much for your help. We are running an investigation on how Prince William County's 287(g) program helped identify and process criminal illegal aliens. As such, we are diving into examples where criminal illegal aliens in PWC were handed over to ICE during the program's lifetime.

As for a timeframe, the sooner the better, but I don't want to rush ya. We may possibly run something by the end of the week.

Hey ICE media,

Can the agency provide a statement on (b)(6),(b)(7)(C), a Salvadoran national who was arrested in 2017 on first degree murder charges in Prince Willian County, Virginia? Namely, was (b)(6),(b)(7)(C) transferred to PWC and did the county eventually hand him over to ICE?

Thanks so much for your time.

On that same note. I see here that Prince William was mentioned today in ICE's monthly rundown of the 287(g) program - an encounter on May 29. Would love to get any more info on this case if you are able to provide.

Hi Barbara,
I'm just checking in to see if you had any publications/handouts (such as on the LESC or Operation Community Shield) to add to what I already have on VOICE and the Forensic Document Lab for my LEA training next week. My office is sending me a package, so I could have someone come down to your building to pick them up if needed. Thanks, (b)(6),(b)(7)(C)

an Immigration Newsmaker conversation hosted by the Center for Immigration Studies on Thursday, September 26, at 1 p.m. at the National Press Club. Please RSVP to (b)(6),(b)(7)(C) via email if you would like to reserve a seat; media is given priority. In addition, the event will be streamed on Facebook Live.

Since taking his position as Acting Director of USCIS in June, Cuccinelli has moved quickly to ensure compliance with immigration laws on the books as well as to provide guidance to clarify current regulations and policies to asylum officers and others. He made headlines recently announcing new "public charge" regulations, clarifying the law for prospective immigrants on qualifying for lawful permanent residence (green cards). They may be inadmissible if they are likely to use U.S. welfare programs.

The conversation on Thursday, September 26, moderated by (b)(6),(b)(7)(C) the Center's executive director, will cover such topics as public charge, work permits, processing of asylum claims, backlogs, fees, fraud, and E-Verify.

When: Thursday, September 26, 2019, at 1:00 p.m.
Where: National Press Club, First Amendment Lounge, (b)(6),(b)(7)(C) Floor, Washington, D.C.

The Immigration Newsmaker series provides an opportunity for government agency heads, members of Congress, and other policymakers to discuss their priorities and explore the challenges they face. The events, held at the National Press Club, are seated, on-the-record conversations between the guest and a member of the CIS staff. See previous interviews here.

Acting ICE director calls out jurisdictions with sanctuary policies for threatening public safety

WASHINGTON — U.S. Immigration and Customs Enforcement (ICE) Acting Director Matthew T. Albence held a White House press briefing Thursday to explain how sanctuary policies threaten public safety and called on the public to hold their local lawmakers accountable. The briefing made clear that local jurisdictions across the U.S. that refuse to cooperate with ICE are complicit in the crimes committed by aliens who ICE could have otherwise been arrested and removed.

Under federal law, ICE has the authority to lodge immigration detainers with law enforcement partners who have custody of individuals arrested on criminal charges and who ICE has probable cause to believe are removable aliens. The detainer form asks the other law enforcement agency to notify ICE in advance of release and to maintain custody of the alien for a brief period so that ICE can take custody of that person in a safe and secure setting upon release from that agency's custody. Across the United States, several jurisdictions refuse to honor detainers and instead choose to willingly release criminal offenders back into their local communities where they are free to offend.

Acting Director Albence made clear that state and local jurisdictions that refuse to cooperate with immigration enforcement not only betray their duty to protect public safety, but force ICE to be more visible in those areas.

"As law enforcement professionals, it is frustrating to see senseless acts of violence and other criminal activity happen in our communities, knowing ICE could have prevented them with just a little cooperation," said Albence. "To the public, who want to live and raise your families in safe neighborhoods, we ask you to hold your lawmakers accountable before you, or someone you love, is unnecessarily victimized by a criminal ICE could have removed from the country."

Below are some examples of the risks posed by laws and policies restricting cooperation with ICE:

- In September 2019, ICE officers arrested Jose Alejandro Lopez-Gutierrez, 56, in Colorado. Lopez-Gutierrez, a Mexican national, was arrested and booked into the Boulder County (CO) Jail after an arrest for felony sex assault on a child. ICE lodged a detainer on Lopez-Gutierrez in May 2019, but the Boulder County Jail released him from custody three days later without notifying ICE. He has previously been removed on one prior occasion.
- In January 2019, the Mecklenburg County Sheriff's Office (NC) arrested Angel Diaz-Vera, 40, a Mexican national, for Driving While Intoxicated (DWI). ICE lodged a detainer, but he was released from local custody. In June 2019, the Mecklenburg County Sheriff's Office again arrested Diaz-Vera for two counts of assault on a female, assault by strangulation, assault with a deadly weapon, and DWI. He again was released from Mecklenburg County despite ICE issuing another detainer and remains at large.
- In September 2017, Jose Ramirez-Soto, 43, of Mexico, was arrested and booked into King County Jail (Washington) for child molestation charges. In 2018, he was convicted on a sexual

assault charge (4th degree). ICE lodged a detainer, but Ramirez-Soto was released. Ramirez-Soto was again arrested and booked in the King County Jail in July 2019 for harassment and threats to kill. ICE again lodged a detainer, but he was released and remains at-large. He has been previously removed from the United States twice.

- In July 2019, the Washington County Sheriff's Office (OR) arrested Alejandro Maldonado-Hernandez, 30, of Mexico, for manslaughter, assault and reckless driving. ICE lodged a detainer with the Washington County Jail, but he was released in August 2019 and remains at-large.

While ICE conducts daily at-large arrests of criminal aliens, this week, officers also focused on people who had been released from uncooperative jurisdictions. Of the nearly 1,300 at-large arrests made this week, ICE officers apprehended 199 people who could have been arrested at a jail if the agency's detainers had been honored. Of all the aliens taken into custody:

- three (3) had convictions for murder or manslaughter;
- 100 had convictions for sex crimes – nearly half (47) had convictions for sex crimes involving a minor;
- 70 had convictions for drug crimes; and,
- 328 had convictions for driving under the influence.

"It is past time to put aside all the political rhetoric and listen to the facts – and the fact is, people are being hurt and victimized every day because of jurisdictions that refuse to cooperate with ICE," said Acting Director Albence.

While making clear the consequences of uncooperative jurisdictions, Albence also commended law enforcement partners who do work with ICE because it is much safer for all involved if ICE officers take custody in the controlled environment of another law enforcement agency. Approximately 70 percent of the arrests ICE makes happen after ICE is notified about an alien being released from local jails or state prisons. In fiscal year 2019, ICE has lodged more than 160,000 detainers with local law enforcement agencies.

Acting Director Albence reiterated that ICE is sworn to uphold the federal immigration laws enacted by Congress and that the agency will carry out its sworn mission, with or without the cooperation of local law enforcement agencies.

"It is my sincere desire to work with local partners to whatever extent they are willing to work with this agency in what should be our shared goal to ensure public safety," he said. "Uncooperative jurisdictions should be on notice that as long as criminal offenders are being released, they should get used to seeing a lot more ICE at-large enforcement activity in their communities."

Nationally, approximately 90 percent of all people arrested by ICE during fiscal year 2019 either had a criminal conviction, a pending criminal charge, had illegally re-entered the United States after being previously removed (a federal felony), or were an immigration fugitive subject to a final order of removal.

Good afternoon, (b)(6),(b)(7)(C):

The Center for Immigration Studies (CIS) requested a meeting with you, AD1 and two of their board members (b)(6),(b)(7)(C) (b)(6),(b)(7)(C). They've asked to meet you June 7, if possible. (b)(6),(b)(7)(C) are involved in producing constructive policy recommendations on immigration enforcement for CIS. (b)(5) fugitives in particular. CoS (b)(6),(b)(7)(C) asked that you please handle the meeting, if you're available and suggested that AD1 swing by for 5 minutes, schedule permitting.

CIS also brought up the case of an illegal alien involved in the death of an FBI agent and fire marshal in 2017. I attached the previously cleared OPA statement and case background for reference.

I will work with the ERO Chiefs of Staff on the request.

Hi Barbara,
Hope you're well! I'm writing about 2 things:

1. Two of my board members are interested in meeting with Director Morgan and acting ERO Director Nathalie Asher, ideally on Friday afternoon, June 7, if possible. Sorry for the late notice. Their names are (b)(6),(b)(7)(C) and they are involved in the Center's efforts to produce constructive policy recommendations for immigration enforcement. We would like to discuss the problem of fugitives in particular. I would attend, and I understand (b)(6),(b)(7)(C) (b)(6),(b)(7)(C) is also interested in the discussion.

2. Last Wednesday I participated in an event in Culpeper, VA. that included two women who recently lost family members in a highway fatality in the DC area, involving an illegal alien with a lengthy criminal history, who is (b)(6),(b)(7)(C) (b)(6),(b)(7)(C), and at large, having met a relatively low bond set by an IJ. It's this case: https://wtop.com/montgomery-county/2018/07/no-criminal-charges-for-driver-who-killed-fbi-agent-fire-marshal-on-270/. I asked them if they had been in touch with VOICE, and they said they weren't aware of the office, so I'm sending them info, just a heads up. My unblderstanding is that CASA put up the money for the alien's release. I'm planning to write an article about the case, so if ICE has or made any statements about the case, I'd be interested.

Thanks so much, Regards (b)(6),(b)(7)(C)

Barbara –
We need to move the surrogate call to 1pm. Matt needs to be back at the WH by no later than 1:40 to attend remarks at the WH by (b)(6),(b)(7)(C) He will most likely take the call from the car on the way back to the WH.

Hope that's ok.

GURBIR S. GREWAL
Attorney General

VERONICA ALLENDE
Director

September 27, 2019

Sheriff Robert A. Nolan
Cape May County Sheriff's Office
9 North Main Street
Cape May Court House, New Jersey 08210

Dear Sheriff Nolan:

As you know, on November 29, 2018, Attorney General Gurbir S. Grewal issued Law Enforcement Directive 2018-6, also known as the "Immigrant Trust Directive," which established new rules to help build trust between New Jersey's state and local law enforcement agencies and our state's large and diverse immigrant communities. As the Attorney General explained, building trust is important to promoting public safety: when communities do not believe that they can trust law enforcement, they are less likely to report crimes and cooperate as witnesses, thus depriving officers and prosecutors of necessary help in solving crimes and bringing suspects to justice. That makes all New Jersey residents less safe.

For that reason, the Directive established clear lines between state, county, and local law enforcement officers, who enforce state criminal law, and federal immigration authorities, who enforce federal civil immigration law. Among other provisions, the Directive made clear that law enforcement agencies could not enter into, modify, renew, or extend any agreement to exercise federal immigration authority pursuant to Section 287(g) of the Immigration and Nationality Act, 8 U.S.C. § 1357(g) ("287(g) agreements"), unless the Attorney General granted written approval or the agreement was necessary to address a national emergency.

After the Attorney General issued the Immigrant Trust Directive but before the Directive formally took effect, the Cape May County Sheriff's Office renewed its 287(g) agreement with Immigration and Customs Enforcement (ICE). Although that renewal took place in February 2019, our Department only learned of that decision on July 5, 2019. The next day, I sent a letter to the two New Jersey agencies that maintain 287(g) agreements—including your Office—looking for more information to evaluate the propriety of these agreements. We appreciate your submissions, and for making the time to meet with representatives from our Department.

Having reviewed the submitted materials, and after learning more about how the state's two remaining 287(g) agreements work in practice, the Attorney General has concluded that they

AMERICAN OVERSIGHT

undermine public trust without enhancing public safety—and that any asserted benefits are already being achieved by the Immigrant Trust Directive. Therefore, to ensure statewide uniformity, the Immigrant Trust Directive has been revised to direct that New Jersey's state, county, and local law enforcement agencies may no longer enter into or operate under 287(g) agreements.

The problem with 287(g) agreements—which allow ICE to deputize county and local law enforcement officers to enforce federal immigration law—is that they blur the distinction between federal civil immigration enforcement and local law enforcement. That blurring creates confusion regarding the distinct roles of local law enforcement and federal agents, and it makes it less likely that immigrant victims and witnesses will cooperate with local police in criminal investigations.

While supporters of 287(g) agreements contend that these agreements are necessary to prevent dangerous individuals from being released "back onto the streets," that is simply incorrect. The November 2018 Directive explicitly allows any state, county, or local law enforcement agency to refer any individual to ICE who has been charged with a "violent or serious offense," a term that includes murder, rape, arson, and domestic violence crimes. As the submissions we received demonstrate, most offenders who have been turned over to ICE in New Jersey pursuant to a 287(g) agreement—and, indeed, all of the most serious offenders—could have been referred to ICE under the plain terms of the Directive. There is no need for a New Jersey law enforcement agency to enter into a 287(g) agreement—and threaten public trust by blurring the lines between ICE and local law enforcement—when that agency already has the ability to provide federal authorities with the information necessary to protect public safety.

As a courtesy, the Attorney General is granting any law enforcement agency that currently operates under a 287(g) agreement, including the Cape May County Sheriff's Office, seven days to wind down your agreements with ICE. Our Department will make ourselves available to assist you in any way you deem necessary as you transition to the framework already in place throughout the rest of the state.

Ultimately, the Immigrant Trust Directive ensures that anyone who violates New Jersey's criminal laws can and will be held accountable for their crimes, no matter their immigration status. No additional agreements between state and local law enforcement and federal civil immigration authorities are necessary in order to achieve that goal.

Sincerely yours,

Veronica Allende
Director, Division of Criminal Justice

C: Hon. Jeffrey Sutherland, Cape May County Prosecutor

All are adults.

[redacted] of Novato, CA
[redacted] of Novato, CA

[redacted] of San Rafael, CA
[redacted], of various addresses in CA, MD and WA
[redacted] of Santa Cruz, CA (now an inmate in CA), reportedly a citizen of El Salvador
[redacted] of Concord and Los Angeles, CA

I would greatly appreciate any information you can provide on their immigration and criminal histories, including any detainers issued and/or defied by local law enforcement agencies. This is for a meeting on Wednesday morning, October 16, so time is of the essence. I am sorry for providing so little advance notice. Thank you very much for any assistance you can provide! (b)(6),(b)(7)(C)

Thank you for speaking with me just before your departure to Dallas, Texas. Our office is working on preparing a brief for the Matter of (b)(6),(b)(7)(C). We need to know which state court and under which statutes she was convicted in order to provide an accurate brief for BIA. We are hoping for copies of the case and all details of the state conviction.

Secondly, Tom Homan said you would be able to provide me graphic photos and videos of crime committed by illegal aliens, including the chaos along the southern border. I am giving a presentation to a number of groups, including a TV appearance (on December 19, 2019) and would like to provide evidence of the immigration problems the United States faces.

Thank you again and have a safe trip.

Thank you for speaking with me just before your departure to Dallas, Texas. Our office is working on preparing a brief for the Matter of (b)(6),(b)(7)(C) We need to know which state court and under which statutes she was convicted in order to provide an accurate brief for BIA. We are hoping for copies of the case and all details of the state conviction.

Secondly, Tom Homan said you would be able to provide me graphic photos and videos of crime committed by illegal aliens, including the chaos along the southern border. I am giving a presentation to a number of groups, including a TV appearance (on December 19, 2019) and would like to provide evidence of the immigration problems the United States faces.

Subject: Meeting request and voice question

Hi Barbara,
Hope you're well! I'm writing about 2 things:

1. Two of my board members are interested in meeting with Director Morgan and acting ERO Director Nathalie Asher, ideally on Friday afternoon, June 7, if possible. Sorry for the late notice. Their names are (b)(6),(b)(7)(C) and they are involved in the Center's efforts to produce constructive policy recommendations for immigration enforcement. We would like to discuss the problem of fugitives in particular. I would attend, and I understand Jon Feere is also interested in the discussion.

2. Last Wednesday I participated in an event in Culpeper, VA. that included two women who recently lost family members in a highway fatality in the DC area, involving an illegal alien with a lengthy criminal history, who (b)(6),(b)(7)(C) (b)(6),(b)(7)(C) and at large, having met a relatively low bond set by an IJ. It's this case: https://wtop.com/montgomery-county/2018/07/no-criminal-charges-for-driver-who-killed-fbi-agent-fire-marshal-on-270/. I asked them if they had been in touch with VOICE, and they said they weren't aware of the office, so I'm sending them info, just a heads up. My unblderstanding is that CASA put up the money for the alien's release. I'm planning to write an article about the case, so if ICE has or made any statements about the case, I'd be interested.

Thanks so much, Regards, (b)(6),(b)(7)(C)

We need to know which state court and under which statutes she was convicted in order to provide an accurate brief for BIA. We are hoping for copies of the case and all details of the state conviction.

Secondly, Tom Homan said you would be able to provide me graphic photos and videos of crime committed by illegal aliens, including the chaos along the southern border. I am giving a presentation to a number of groups, including a TV appearance (on December 19, 2019) and would like to provide evidence of the immigration problems the United States faces.

Subject: AD1 to participate on HT panel at Heritage Foundation

Good evening, Team:

I received additional details following a late afternoon conference call today regarding the upcoming human trafficking awareness panel that the boss will participate in.

Here is a brief synopsis:

Acting Director Albence will participate in a human trafficking awareness panel being hosted by the Heritage Foundation on Wednesday, January 15 from noon to 1:30 pm. The event, dubbed "Strengthening the US response to human trafficking", will be kicked off by DHS's Acting Secretary Wolf and moderatred by (b)(6),(b)(7)(C) (b)(6),(b)(7)(C) from the Heritage Foundation. DHS Acting Secretary Wolf will speak for apprixmately 15 minutes and leave shortly after his remarks and Q&A. After Acting Secretary Wolf's departure, (b)(6),(b)(7)(C) will introduce Acting Director Albence, Texas Attorney General Ken Paxton and NCMEC Division Executive Director Staca Shehan. Each panelist, to include AD1, will speak for approximately 7-10 minutes (or according to their preference, not to exceed 10 minutes). The panelists will subsequently take questions from the audience.

Given that the Heritage Foundation just secured the final panelist today, an updated invite will likely go out Monday. They will send the updated invite to their Heritage lists, but of course, would appreciate anyone else distributing the invite to their mailing lists as well. If we, ICE, choose to send it out through your own distribution lists, Heritage's only request is that we require people to RSVP to Heritage at the following link: (b)(7)(E) The link will also be updated to reflect the panelists soon. I will share a copy of the invite once it's updated.

The event has also been advertised on social media via Twitter. The program will be live-streamed via Heritage.org and it appears that CSPAN has expressed an interest in streaming the event as well. The media is invited to attend and will be permitted to ask questions. If we would like to request otherwise, which I don't recommend, we can check with Heritage (Defer to ICE OPA).

We will have a subsequent call Monday with Heritage, DHS and the TX Attorney General's team to go over additional details.

OPA:

I'm not sure if a writer has been tasked with remarks for AD1, but it would be great if they could please assist with remarks. HSI is compiling cases to be highlighted. (b)(6),(b)(7)(C) is the POC for that.

OCR:

DHS Acting Secretary Wolf will host a pre-rollout roundtable at DHS with different stakeholders. DHS Leg Affairs invited six members of Congress, but only Congressman Dan Crenshaw has confirmed attendance.

POCs:

For media-related questions (b)(6),(b)(7)(C) Heritage's Senior Comms lead can be reached at: (b)(6),(b)(7)(C) @heritage.org.

The event's location is as follows:

The Heritage Foundation
Lehrman Auditorium
214 Massachusetts Ave NE
Washington, DC

Good afternoon, Nathalie:

The Center for Immigration Studies (CIS) requested a meeting with you, AD1 and two of their board members (b)(6),(b)(7)(C) (b)(6),(b)(7)(C) and (b)(6),(b)(7)(C) . They've asked to meet you June 7, if possible. (b)(6),(b)(7)(C) are involved in producing constructive policy recommendations on immigration enforcement for CIS. They would like to discuss the problem of fugitives in particular. CoS Blank asked that you please handle the meeting, if you're available and suggested that AD1 swing by for 5 minutes, schedule permitting.

CIS also brought up the case of an illegal alien involved in the death of an FBI agent and fire marshal in 2017. I attached the previously cleared OPA statement and case background for reference.

I will work with the ERO Chiefs of Staff on the request.

Respectfully,

Hi Barbara,
Hope you're well! I'm writing about 2 things:

1. Two of my board members are interested in meeting with Director Morgan and acting ERO Director Nathalie Asher, ideally on Friday afternoon, June 7, if possible. Sorry for the late notice. Their names are (b)(6),(b)(7)(C) and they are involved in the Center's efforts to produce constructive policy recommendations for immigration enforcement. We would like to discuss the problem of fugitives in particular. I would attend, and I understand Jon Feere is also interested in the discussion.

AMERICAN OVERSIGHT

2. Last Wednesday I participated in an event in Culpeper, VA. that included two women who recently lost family members in a highway fatality in the DC area, involving an illegal alien with a lengthy criminal history, who is now an (b)(6),(b)(7)(C) , and at large, having met a relatively low bond set by an IJ. It's this case: https://wtop.com/montgomery-county/2018/07/no-criminal-charges-for-driver-who-killed-fbi-agent-fire-marshal-on-270/. I asked them if they had been in touch with VOICE, and they said they weren't aware of the office, so I'm sending them info, just a heads up. My unblderstanding is that CASA put up the money for the alien's release. I'm planning to write an article about the case, so if ICE has or made any statements about the case, I'd be interested.

Thanks so much, Regards, (b)(6),(b)(7)(C)

Subject: AD1 to participate on HT panel at Heritage Foundation

Good evening, Team:

I received additional details following a late afternoon conference call today regarding the upcoming human trafficking awareness panel that the boss will participate in.

Here is a brief synopsis:

Acting Director Albence will participate in a human trafficking awareness panel being hosted by the Heritage Foundation on Wednesday, January 15 from noon to 1:30 pm. The event, dubbed "Strengthening the US response to human trafficking", will be kicked off by DHS's Acting Secretary Wolf and moderatred by (b)(6),(b)(7)(C) (b)(6),(b)(7)(C), from the Heritage Foundation. DHS Acting Secretary Wolf will speak for apprixmately 15 minutes and leave shortly after his remarks and Q&A. After Acting Secretary Wolf's departure, (b)(6),(b)(7)(C) will introduce Acting Director Albence, Texas Attorney General Ken Paxton and NCMEC Division Executive Director Staca Shehan. Each panelist, to include AD1, will speak for approximately 7-10 minutes (or according to their preference, not to exceed 10 minutes). The panelists will subsequently take questions from the audience.

Given that the Heritage Foundation just secured the final panelist today, an updated invite will likely go out Monday. They will send the updated invite to their Heritage lists, but of course, would appreciate anyone else distributing the invite to their mailing lists as well. If we, ICE, choose to send it out through your own

AMERICAN OVERSIGHT

distribution lists, Heritage's only request is that we require people to RSVP to Heritage at the following link: (b)(7)(E) The link will also be updated to reflect the panelists soon. I will share a copy of the invite once it's updated.

The event has also been advertised on social media via Twitter. The program will be live-streamed via Heritage.org and it appears that CSPAN has expressed an interest in streaming the event as well. The media is invited to attend and will be permitted to ask questions. If we would like to request otherwise, which I don't recommend, we can check with Heritage (Defer to ICE OPA).

We will have a subsequent call Monday with Heritage, DHS and the TX Attorney General's team to go over additional details.

OPA:

I'm not sure if a writer has been tasked with remarks for AD1, but it would be great if they could please assist with remarks. HSI is compiling cases to be highlighted. (b)(6),(b)(7)(C) is the POC for that.

OCR:

DHS Acting Secretary Wolf will host a pre-rollout roundtable at DHS with different stakeholders. DHS Leg Affairs invited six members of Congress, but only Congressman Dan Crenshaw has confirmed attendance.

POCs:

For media-related questions, (b)(6),(b)(7)(C), Heritage's Senior Comms lead can be reached at: (b)(6),(b)(7)(C) @heritage.org.

The event's location is as follows:

The Heritage Foundation
Lehrman Auditorium
214 Massachusetts Ave NE
Washington, DC
