Case No. FL-2020-00044

Melanie Sloan
American Oversight
1030 15th Street NW, B255
Washington, DC 20005

Dear Ms. Sloan:

As we noted in our letter dated December 9, 2020, we are processing your request for material under the Freedom of Information Act (“FOIA”), 5 U.S.C. § 552. The Department has identified twelve additional responsive records subject to the FOIA. We have determined that all twelve records may be released in part.

An enclosure explains the FOIA exemptions and other grounds for withholding material. Where we have made redactions, the applicable FOIA exemptions are marked on each document. All non-exempt material that is reasonably segregable from the exempt material has been released, and is enclosed

We will keep you informed as your case progresses. If you have questions, you may contact Trial Attorney Indraneel Sur at Indraneel.Sur@usdoj.gov, or by phone at (202) 616-8488. Please refer to the case number FL-2020-00044, and the civil action number, 20-cv-322, in all correspondence about this case.

Sincerely,

A handwritten signature in black ink that reads "Jeanne Miller". The signature is fluid and cursive, with the first name "Jeanne" and last name "Miller" clearly distinguishable.

### **Zelenskyy discussed military-technical assistance for Ukraine and cooperation in the energy sphere with the U.S. Vice President**

1 September 2019 - 18:59

President of Ukraine Volodymyr Zelenskyy had a meeting with U.S. Vice President Mike Pence. The meeting was held in Warsaw as part of the participation in the memorial events marking the 80th anniversary of the outbreak of World War II.

The Ukrainian and American parties discussed the situation in Donbas and step-by-step strategy for the return of peace to Ukraine. Mike Pence assured that the United States would not change its position in support of Ukraine's territorial integrity and sovereignty. The parties also paid attention to the provision of military-technical assistance to Ukraine.

The U.S. Vice President raised the issue of reforms and fight against corruption that will be carried out by the new government. Volodymyr Zelenskyy noted that Ukraine was determined to transform and emphasized that over 70 draft laws had been registered on the first day of work of the new parliament, including those aimed to overcome corruption.

"We shouldn't just fight against corruption, we must overcome it. We have launched the Anticorruption Court that will start working on September 5. We are rebooting other anticorruption agencies. We have changed the Head of the Security Service of Ukraine, we have a new Prosecutor General and a new young government. We are determined to allow business and economy to develop," the Head of State assured.

The parties also discussed cooperation in the energy sphere, emphasizing the importance of the MoU signed between Ukraine, Poland and the United States. Vice President Pence particularly noted the U.S. support for Ukraine's energy independence.

In addition, the parties discussed the future visit of Volodymyr Zelenskyy to the United States and his meeting with President Donald Trump.

Statement by US Vice President Michael Pence during a meeting with Ukrainian President Volodymyr Zelenskyy in Poland, broadcast by FoxNews

The United States will continue to support Ukraine's security and territorial integrity.

"There are very strong relations between the USA and Ukraine, we always support and stand shoulder to shoulder with Ukraine. It started back in 2014, since then we strongly support the territorial integrity and people of Ukraine. We will continue to support Ukraine in particular on security and territorial integrity issues, including Crimea. "

According to Pence, he hopes to discuss with the head of the Ukrainian state issues related to progress in the implementation of the Minsk Agreements and security issues.

"First of all, I want to discuss the issue of energy independence of Ukraine, our possible cooperation in the field of energy and economy. I also want to hear more about the progress in the implementation of reforms. I look forward to discussing energy and energy issues, how this issue is developing," added Pence.

**Zelensky meets with US Vice President Mike Pence** ([Interfax](#))

President of Ukraine Volodymyr Zelenskyy had a meeting in Warsaw with US Vice President Mike Pence.

According to Interfax-Ukraine, Zelensky and Pence are currently meeting in the Polish capital after the ceremony marking the 80th anniversary of the outbreak of World War II.

As you know, US President Donald Trump was supposed to arrive at the ceremony, but he canceled this visit to Poland because of Hurricane Dorian. It was expected that Zelenskyy and Trump would meet in Warsaw.
