Dear American Oversight:

This letter is the final response to your December 05, 2019, Freedom of Information Act (FOIA) request. Specifically, you requested the following records: *““... Public records indicate that President Trump’s personal businesses—which Trump still owns, despite turning over day-to-day management to his sons—have benefited significantly from federal and campaign spending since Trump took office...the search for responsive records should include all individuals and locations where records are likely to exist, including the immediate office of the agency head, the designated agency ethics official, and all agency offices involved in making travel arrangements or receiving, approving, paying, reimbursing, or auditing travel expenses... Please provide all responsive records from July 24, 2017, through the date the search is conducted...”.”*

The Program Support Center (PSC) conducted a search and reports there are no records responsive to your request.

While we believe an adequate search of the appropriate files was conducted for the records requested, you have the right to appeal this finding that no responsive records exist within PSC. By filing an appeal, you preserve your rights under FOIA and give the agency a chance to review and reconsider your request and the agency’s decision.

Please mark the correspondence, “Freedom of Information Act Appeal.” Your appeal must be transmitted within 90 days from the date of receipt of this letter to:

Ms. Carol Maloney
Deputy Agency Chief FOIA Officer
U.S. Department of Health and Human Services
Office of the Assistant Secretary for Public Affairs
