**Subject:** RE: Public Records Request (TX-SOS-20-0049) 1 of 2

Good morning,

Consistent with our January 30 email, please see the attached documents in response to your request for information under Chapter 552 of the Texas Government Code. Due to the file size, our final production will be transmitted in two emails.

The responsive documents contain email addresses of the general public which have been redacted. An email address of a member of the public is confidential under section 552.137 of the Texas Government Code. The attorney general authorized all governmental bodies to withhold an email address of a member of the public without first requesting an attorney general opinion in Open Records Decision No. 684 (2009).

Certain other information has been redacted from the enclosed production. The information you requested contains a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body. This information is confidential under section 552.136 of the Texas Government Code. Section 552.136 allows us to withhold this specific information without requesting a ruling from the attorney general. You have the right to appeal our decision to withhold this information from you. Instructions for appeal are also attached. If you do not want to appeal our withholding of information under section 552.136, you do not need to do anything else.

Legal Assistant to the General Counsel  
Office of the Texas Secretary of State

Good afternoon,

Please see the attached documents in response to your request for information under Chapter 552 of the Texas Government Code. We require more time to provide other responsive documents. We will provide you additional responsive documents—to the extent such information is not excepted from disclosure under state or federal law—by 5:00 p.m. on February 13, 2020. See Tex. Gov't Code § 552.221(d).

The responsive documents contain email addresses of the general public which have been redacted. An email address of a member of the public is confidential under section 552.137 of the Texas Government Code. The attorney general authorized all governmental bodies to withhold an email address of a member of the public without first requesting an attorney general opinion in Open Records Decision No. 684 (2009).

Certain other information has been redacted from the enclosed production. The information you requested contains a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body. This information is confidential under section 552.136 of the Texas Government Code. Section 552.136 allows us to withhold this specific information without requesting a ruling from the attorney general. You have the right to appeal our decision to withhold this information from you. Instructions for appeal are also attached. If you do not want to appeal our withholding of information under section 552.136, you do not need to do anything else.
