Subject: [Ext]RE: Public Records Request (MULTI-TX-20-0374-0391)

Clay M. Goode:

To the best of my knowledge, during the time that Hall County has used iVotronic DRE machines, there was never a mal function or any kind of problem during testing nor during the voting period.

If you have any additional questions, do not hesitate to contact me.
Thank you.

OLIVIA M. DURAN
Hall County/District Clerk
512 W. Main St., Suite #8
Memphis, TX 79245
