Good morning Mr. Evers,

We have now heard from all the appropriate departments with regard to your request. Please note that pursuant to Florida Statute 119.07(4)(a)3.(d), if the nature or volume of public records requested to be inspected or copied pursuant to this subsection is such as to require extensive use of information technology resources or extensive clerical or supervisory assistance by personnel of the agency involved, or both, the agency may charge, in addition to the actual cost of duplication, a special service charge, which shall be reasonable and shall be based on the cost incurred for such extensive use of information technology resources or the labor cost of the personnel providing the service that is actually incurred by the agency or attributable to the agency for the clerical and supervisory assistance required, or both.

Just to initiate a search for the key terms below, we estimate it will take approximately two hours with the first 30 minutes at no charge. Once we have an idea how many emails there are, we would provide an additional estimate for the time to review and redact any confidential or exempt records.
