Fourth Annual Article I Writing Contest

The Federalist Society's **Article I Initiative** is focused on the critical issue of why the modern Congress is not functioning as the most powerful branch as envisioned by the Framers. In order to help engage new thought and discussion about the proper role of the Congress, the Initiative has just launched its **fourth annual writing contest** aimed at younger thinkers with the theme, "Judicial Interpretation and the Erosion of Legislative Power." **The deadline for submissions is January 11, 2021.**
