EXTERNAL SENDER

Ms. Pintado,

This email seeks to narrow or clarify your request to avoid the production of and potential charges for responsive information that you are not interested in receiving. Additionally, clarifying or narrowing the scope of your public information request can assist the OOG in providing responsive information to you more quickly and potentially avoid the need for a decision from the Office of the Attorney General.

Your original request seeks communications between several named government officials and external parties. Please respond to the following request for clarification or narrowing: in seeking

- From the context of your correspondence, it seems you seek information related to mail ballot drop off locations and the proclamation issued by Governor Abbott on October 1, 2020. **Please clarify:** in seeking communications involving the parties specified in your request, are you asking for all communications involving those parties in any context, or only communications involving those parties that relate to mail ballot drop off locations?

Your narrowing or clarification of this request does not preclude you from making future requests for additional information. After we receive your response, we can begin a search of our records for the information you are seeking. If the OOG does not receive a response from you by the 61st day after the date this email is sent, your request will be considered withdrawn. See Gov't Code § 552.222(d), (g). The withdrawal of your request does not preclude you from requesting the same or other information in the future. You can reach us at publicrecords@gov.texas.gov or 512-475-2256 with any questions.
