Dear Requester:

This is the fourth interim response to your Freedom of Information Act (FOIA) request, originally received by the United States Secret Service (Secret Service) on January 12, 2021, for information pertaining to:

1. All communications (including emails, email attachments, complete email chains, text messages (or messages on similar applications such as Signal or WhatsApp) and calendar invitations) sent or received by the officials listed below regarding events at the U.S. Capitol, U.S. National Mall, or surrounding grounds in Washington D.C. on January 6, 2021, including but not limited to the potential or actual deployment of law enforcement officers and/or National Guard troops, requests for assistance from members of Congress or Congressional staff, protests or armed activity at the Capitol, President Trump's rally, or concerns about security.

Please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if a specified official received a mass-distribution news clip email referencing protests or violent activity at the Capitol, that initial email would not be responsive to this request. However, if a specified official forwarded that email to another individual with his own commentary, that subsequent message would be responsive to this request and should be produced.

2. All orders, directives, protocols, or guidance prepared, written, approved, or signed by the officials listed below, regarding events at the U.S. Capitol, U.S. National Mall, or surrounding grounds in Washington D.C. on January 6, 2021, including but not limited to the potential or actual deployment of law enforcement officers and/or National Guard troops, requests for assistance from

members of Congress or Congressional staff, protests or armed activity at the Capitol, President Trump's rally, or concerns about security.

Specified officials:

- a. James Murray, Director
- b. Leonza Newsome III, Deputy Director
- c. George Mulligan, Chief Operating Officer
- d. Brian Ebert, Chief of Staff

For both parts of this request, please provide all responsive records from December 31, 2020, through January 7, 2021.

After a detailed review of potentially responsive records, 98 page(s) were released. Exemptions under the FOIA Statute, Title 5 U.S.C. § 552 have been applied where deemed appropriate.

Enclosed are the documents responsive to your request, as well as a document that explains the exemptions in more detail. Withheld information is pursuant to the exemptions marked below.

Jim – Just wanted to thank you and the staff for the great support, particularly in providing outstanding situational awareness as events unfolded yesterday. From your personal outreach to the multiple exchanges I had with Faron, the Service provided great situational awareness that aided in our collective understanding of what was happening in real time. I also appreciated that Leon was able to jump on a call this morning as AS2 wanted a good summary of events from yesterday and I didn't want the NOC watch speaking to what the Service performed yesterday.

Again, thanks to you, Leon and Faron for the great SA.

SUBJECT: Protective Intelligence Advisory: Notable Trends and Tactics for Consideration Ahead of Potential Civil Unrest in the National Capital Region

On 01/06/21, Congress will vote to certify the electoral college results. Approximately fifty different groups have indicated they will demonstrate in Washington, DC. Past encounters between opposing protest groups have occasionally led to violence between them and against law enforcement personnel. Attached is an overview of notable trends and tactics recently observed, which should be considered ahead of potential civil unrest in the National Capital Region. PID has issued multiple Protective Intelligence products since June 6, 2020, concerning threats to law enforcement personnel and civil unrest. Reference is made to previously published PID products documenting officer safety and protest tactics, as follows:

- Protective Intelligence Advisory - Continued Vigilance Update VI - October 29, 2020
- Protective Intelligence Advisory - Potential Contested Presidential Election - September 17, 2020

- Protective Intelligence Advisory - Trends and Tactics for the Unlawful Use of Lasers - July 10, 2020
- Protective Intelligence Advisory - Tactics Observed During Recent Civil Unrest - July 2, 2020

PID has also posted a comprehensive document on protest tactics. For other PID products regarding officer safety and civil unrest view the Protective Intelligence intranet page here.

# (U) Notable Trends and Tactics for Consideration Ahead of Potential Civil Unrest in the National Capital Region

January 4, 2020

### (U) Executive Summary

On January 6th, 2021, a joint session of Congress will meet on Capitol Hill to certify the votes of the Electors to the Electoral College from each state in the Union. Large groups of demonstrators are anticipated to travel to Washington, DC in advance of the vote. Past encounters between opposing protest groups have occasionally led to violence between them and against law enforcement personnel, as well as damage to private and government property. Roughly 26 demonstration permits have been approved by the US Park Police for January 5-7, including Freedom Plaza, Washington Monument, the National Mall Area and the Capitol, and several hotels are sold out on January 5-6, both indicators of large crowds. Permit application estimates indicate there could be approximately 28,000 people in attendance for these events. At least 55 additional demonstrations have been mentioned on social media for January 6, but it is unclear whether any are permitted.

**The Proud Boys (RID)**, a group who is of record for numerous demonstrations at the White House and temporarily protected sites, have advised they will not wear their traditional black and yellow attire and will dress "incognito." The group self-reported plans to demonstrate in smaller groups throughout DC. Current numbers of planned participants were not indicated, but the group stated they will "turn out in record numbers." The group has not been known to engage in civil disobedience and their demonstrations have ended without incidents or arrests.

### (U) Behavior and Tactics

A range of known and novel tactics have been used over the past couple months by various violent demonstrators to attack law enforcement. (b)(7)(E)

(b)(7)(E)

(b)(7)(E)

**(U) Recent Events Featuring Violent Tactics**

On Saturday, 12/12/20, at least eight officers sustained injuries during violent altercations after a Million MAGA March rally in DC as objects were thrown and officers were assaulted. Multiple assaults took place between protestors and four individuals were stabbed after an argument escalated. Shields, eye gear, helmets, armor, pepper spray, and a variety of weapons were utilized by the opposing sides.

- In Sacramento, individuals threw objects at officers and some deployed pepper spray. Individuals from opposing protest groups wore gas masks, helmets, and armor.
- In Olympia, WA, officers were assaulted by objects including rocks, a baton, and a paintball gun. Individuals from opposing groups possessed firearms and one individual was arrested in connection to a shooting. Additionally, a large firework IED that failed to detonate was found in the area which had to be rendered safe by the state bomb squad.

On Saturday, 12/05/20, three Sacramento officers suffered minor injuries during dueling protests which saw thrown objects and lasers shone into officers' eyes.

On Saturday, 11/14/20, during clashes after the Million MAGA March rally between pro-Trump supporters and counter protesters, four DC police officers were injured while intervening in fights and keeping the opposing sides separate. There were reports of objects being thrown, including rocks and bottles. One protestor was stabbed and transported to the hospital.

On Saturday, 10/31/20, two San Francisco officers were assaulted with caustic chemicals during a free speech rally when counter protesters threw bottles filled with the substance. Officers reported trouble breathing and burning sensations. Glass bottles, cans, and eggs were also thrown.

Please see attached Briefing Statement for January 6.

We are confirming with MPD what time the City traffic road closure box will go into effect. USPP's will most likely begin at 0600 on 1/6, we will update once confirmed after City wide partners meeting tomorrow.

The activities for 1/5 tentatively scheduled for Freedom Plaza are still being discussed between the Permit Office and the organizer, there is a 0900 meeting tomorrow with the organizer and hopefully at the conclusion of that meeting, we should know more.

Thanks,

WH Staff is looking at a possible event on the Ellipse on 1.6. There is a possibility (b)(6); (b)(7)(C) may attend - not confirmed. Access Control would take point on this if he does go and if would resemble the Christmas Tree Lighting footprint.

DSAIC (b)(6); (b)(7)(C) is tracking and has spoken with WFO - they have advised they may not have the manpower necessary to support this PS-wise. Just giving you a pre-emptive heads up in the event this does happen that there is a good chance PS will need to come from out of town.

## U.S. Secret Service

### Protective Intelligence & Assessment Division

December 31, 2020

*Protective Intelligence Brief*

## March for Trump

### Background

Since the 2020 election, demonstrations have been organized nationwide advocating for President Trump and speaking out against the election results. In November 2020, a pro-Trump gathering in Washington, DC, resulted in an estimated **11,000** participants at Freedom Plaza, who marched to the Capitol and Supreme Court, and in December 2020, another pro-Trump gathering in Washington, DC, resulted in approximately **3,000** participants. The Pro-Trump protesters split between Freedom Plaza, the National Mall, the Capitol and the Supreme Court, with some individuals marching from one place to another, while others protested in one spot. For additional information, please refer to the PID After Action Talking Points the [Million MAGA March After Action Nov 16 2020 \(dhs.gov\)](#) and [PID Briefing Document - March for Trump 12-12 Event \(After Action\).docx \(dhs.gov\)](#) for additional information regarding these previous demonstrations.

The November and December demonstrations resulted in verbal and physical altercations between pro and anti-Trump demonstration groups, as well as numerous arrests. During the November 14, 2020, demonstration the Metropolitan Police Department (MPD) reported 21 arrests for assault, assault on a Police officer, possession of a weapon, disorderly conduct, and inciting violence. There were also seven firearms recovered by MPD during this event. The December 12, 2020, demonstration resulted in 33 arrests for assault on a police officer, simple assault, riotous acts, possession of a prohibited weapon (taser) and crossing a police line. MPD also reported during this event there were four people stabbed during an altercation, which included one MPD officer. All of the victims received non-life-threatening injuries and were treated and released.

Individuals continue to speak out against the 2020 presidential election results, and pro-Trump supporters have begun to organize another large-scale demonstration to occur on January 6, 2021. This is the day Congress is scheduled to certify the Electoral College vote for President-elect Joe Biden. As momentum for the demonstrations increased, President Trump tweeted to encourage his supporters to come to DC and protest, writing, "Be there, will be wild!" Individuals chose this tagline for the upcoming protest, naming it the "Wild Protest." The hashtag #WildProtest has been widely used to discuss and promote the event. President

Trump tweeted again on December 27, 2020, promoting the protest. As of December 30, 2020, social media indicated **4,280** participants plan to attend, and an additional **12,621** are interested.

### **Organizers**

*Stop The Steal (NRID), Million MAGA March (NRID), Women for America First (NRID), March for Trump (NRID), Proud Boys (RID),* and other pro-Trump groups, along with private citizens, have promoted event pages for the event.

*Stop The Steal* is a loosely organized group which emerged on November 7, 2020, with the belief the election is being stolen from President Trump due to election fraud. The group began organizing demonstrations nationwide called “Stop The Steal.” According to the website, invited speakers and featured guests for the January 6, 2021 event include Rep. Paul Gosar, Ali Alexander, Roger Stone, Rep-Elect Marjorie Greene, Rep. Lance Gooden, Rep-Elect Lauren Boebert, State Rep. Vernon Jones, State Rep. Mark Finchem, State Sen. Doug Mastriano, State Rep. Anthony Kern, and several others. One spokesperson from Stop The Steal, Ali Alexander (NRID), has encouraged followers to bring tents, sleeping bags, food, and water. Alexander claimed, “if DC escalates...so do we. Do not wear a mask. Stand with others bullied by staff.” Twitter removed this tweet as it violated the spread of COVID-19 harmful information.

*The Million MAGA March* has been involved in organizing both large protests in November and December. The website was created early November prior to the first Million MAGA March, which spurred several social media groups and pages supporting this movement.

*Women for America First* is a pro-Trump, female led group. The group was the center of organization for both the November and December protests. The group plans to host a “March for Trump” bus tour from California to Washington, DC, arriving on the January 6, 2021.

Although March for Trump is listed as a group, several different smaller factions are listed under this name. The group name is considered more of a movement than an organization.

*Proud Boys* is a right-wing group founded in 2016 by Gavin McInnes as a “pro-Western fraternal organization.” They are of record with USSS for demonstration activity since 2017; no civil disobedience or arrests have been recorded. For more information on the Proud Boys, please see the [Protective Intelligence Brief Proud Boys Talking Points](#).

Hotel Harrington, an alleged hangout/hotel for the Proud Boys, made a statement on December 28, 2020, announcing their closure from January 4-6, 2021, for “safety of visitors and employees.” According to news media, four individuals were stabbed outside the hotel during the protests on December 12, 2020, when Proud Boys members clashed with counter protesters. Proud Boys’ self-proclaimed chairman, Enrique Tarrio (NRID), made a statement on Parler regarding the closing of Hotel Harrington, claiming the Proud Boys outgrew the hotel and are planning on protesting during the January 4-6, 2021, time frame and will be staying at various other locations.

### **Call to Protest**

On January 6, 2021, a consortium of private citizens and pro-Trump groups reportedly will host the Wild Protest in Washington, DC. The groups intend to demonstrate in support of President Trump and speak

out against the 2020 election results. Numerous groups have claimed to be protesting at the US Capitol, with other groups protesting at the White House.

The hashtags #WeAreTheStorm, #1776Rebel, and #OccupyCapitols have gained attention as the protest on January 6, 2021 approaches. Commenters argue that other individuals were able to occupy other areas, including Black Lives Matter Plaza and the Capitol Hill Organized Protest/Capitol Hill Autonomous Zone, during separate protests, so President Trump supporters have proposed a movement to occupy Capitol Hill. This movement is supported by Ali Alexander's video requesting individuals to bringing tents, food, sleeping bags, and water (which has received over 300 comments and 2.5K retweets). Individuals who cannot come to Washington, DC, are encouraged to occupy their local capitols.

A website was located for chats and events related to the January 6th, 2021 DC Protest, titled *Maga Drag the Interstate*. Through this site, users are able to submit/create event caravan pages. All events are currently in reference to car and motorcycle caravans. There are currently 511 members for the "Jan 6 DC Caravan Planning" group with 47 events starting from all over the United States and reportedly ending in Washington, DC.

From January 5, 2021, at 6:00 AM, to January 7, 2021, at 4:30 PM, the individual (b)(6); (b)(7)(C) (NRID) will host a demonstration called "BTT heads to Washington DC for Trump Victory Rally" at the White House. The purpose of this event is to "rally for a Trump Victory." There is no indication of civil disobedience. According to Facebook, 7 people are going, and 25 are interested.

From January 5, 2021, at 10:00 AM, to January 6, 2021, at 08:00 PM, the individual (b)(6); (b)(7)(C) (NRID) will host a demonstration called "March on Congress Caravan" at 1<sup>st</sup> St SE, Washington, DC. The purpose of the event is to caravan to Washington, DC, from Florida, and support the United States and free and fair elections. There is no indication of civil disobedience. According to Facebook, 5 people are going, and 5 are interested.

On January 5, 2021, at 10:00 AM to January 7, 2021 at 2:00 AM, the group *The First Heavy Metal Church of Christ* (NRID) will host an event called, "Patriots Part 2020 in D.C." in Washington, DC. The group plans to caravan to DC, stay at the Grand Hyatt, and protest all day. The purpose of the event is to show support for the nation. There is no indication of civil disobedience. According to Facebook, 6 people are going, and 39 are interested.

On January 5, 2021, at 10:00 PM, the individual (b)(6); (b)(7)(C) (NRID) and the group *New Jersey Patriot Events* (NRID) will host a demonstration called "Washington DC 5<sup>th</sup> - 6<sup>th</sup> Trip" at the National Mall. The purpose of the event is to support President Trump. There is no indication of civil disobedience. According to Facebook, 89 people are going, and 250 are interested.

On January 6, 2021, at an unknown time, the *Proud Boys (RID)* will host an unnamed demonstration in Washington, DC. The purpose of this demonstration is to join the other pro-Trump demonstrations. There was no indication of civil disobedience. The group advised they will not wear their traditional black and yellow attire, and will dress "incognito." The group self-reported plans to demonstrate in smaller groups throughout DC. Current numbers of planned participants were not indicated, but the group stated they will "turn out in record numbers."

On January 6, 2021, at 1:00 AM, the individual (b)(6); (b)(7)(C) (NRID) will host a demonstration called "We the people need transparency!" at the US Capitol.
