Dear Austin Evers:

This is an interim response to your Freedom of Information Act (FOIA) request dated and received in this Office on January 11, 2021, in which you requested call logs for various Department of Justice officials from January 6, 2021.

Please be advised that a search in response to the above-referenced request has been completed. As it relates to the portions of your request seeking the call logs of the Chief of Staff to the Acting Attorney General and White House Liaison, respectively, no records responsive to your request were located. As it relates to the portions of your request seeking the call logs of Acting Attorney General Jeffrey Rosen and Principal Associate Deputy Attorney General Richard Donoghue, please be advised that records were located pursuant to our search, and our Office is working towards the completion of the processing and consultation process of those records. We will respond to you again once those processes are complete.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2018). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

If you have any questions regarding this response, please contact Kuntal Cholera of the Department's Civil Division, Federal Programs Branch, at (202) 305-8645.

Sincerely,

A handwritten signature in black ink, appearing to read "Timothy Ziese", written over a horizontal line.
