Dear Mr. Evers:

Reference: DOI-NPS-2021-001760

Subject: Response to Freedom of Information Act (FOIA) Request

This letter is in response to your Freedom of Information Act (FOIA) request dated January 11, 2021, in which you requested

All call logs for the officials specified below from January 6, 2021, or anyone communicating on their behalf, such as a Chief of Staff, executive assistant, or secretary.

- a. R. David Vela, NPS Operations Director Deputy Director*
- b. Margaret Everson, Counselor to the Secretary, Exercising the Delegated Authority of the Director*
- c. Lena McDowall, Deputy Director of Management and Administration*
- d. Shawn Bengel, Deputy Director of Operations*
- e. Susan Farinelli, Acting Chief of Staff*
- f. Lisa Mendelson-Ielmini, Acting Area Director, National Capital Region.*

Upon further review, your request is granted in part and denied in part. We are providing one file, totaling ten (10) pages of responsive material. Portions of seven (7) pages, however, are being withheld under Exemption of the FOIA.

Exemption 6 allows us to withhold information that if released would constitute a clearly unwarranted invasion of personal privacy. The information being withheld relates to an individual(s) other than yourself. The information being withheld consists of account numbers. We have determined that the individuals to whom this information pertains have a substantial privacy interest in withholding it as the accounts are linked to their personal credit history. You have not provided information that explains a relevant public interest under the FOIA in the disclosure of this personal information. Additionally, we have determined that the disclosure of this information would shed little or no light on the performance of the agency's statutory duties. Because the harm to personal privacy is greater than whatever public interest might be served by disclosure, we have determined that the release of the information that is

being withheld would constitute a clearly unwarranted invasion of the privacy of these individuals and we are therefore withholding it under Exemption 6.

The incident report materials you have requested are contained within the Incident Management and Reporting System (IMARS), which is a Privacy Act System of Records (DOI-10). Therefore, although some or all of the information being withheld may be known to you through other means, we are obligated under the Privacy Act and FOIA to withhold that information.

Pursuant to regulation, 43 CFR 2.24(b) the following person is responsible for this denial:

Charis Wilson
NPS FOIA Officer

Additionally the following attorney was consulted during the preparation of this response:

Jason Waanders, Attorney-Advisor, Office of the Solicitor
U.S. Department of the Interior, Philadelphia, PA

You have the right to appeal this denial of your request. You may file an appeal by writing to:

Freedom of Information Act Appeals Officer
Office of the Solicitor
U.S. Department of the Interior
1849 C Street, NW
MS-6556-MIB,
Washington, D.C. 20240
foia.appeals@sol.doi.gov

Your appeal must be received no later than 90 workdays after the date of this final response. The appeal should be marked, both on the envelope and the face of the appeal letter, with the legend "FREEDOM OF INFORMATION APPEAL." Your appeal should be accompanied by a copy of your original request and copies of all correspondence between yourself and the National Park Service related to this request, along with any information you have which leads you to believe the records are available, including where they might be found, if the location is known to you. Please note, appeals received after 5 p.m. EST will be considered to have been received as of the following day.

Also as part of the 2007 OPEN Government Act FOIA amendments, the Office of Government Information Services (OGIS) was created to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a nonexclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation.

You may contact OGIS in any of the following ways:

Office of Government Information Services (OGIS)
National Archives and Records Administration
Room 2510
8601 Adelphi Road
College Park, MD 20740-6001

E-mail: ogis@nara.gov
Phone: 301-837-1996

Fax: 301-837-0348
Toll-free: 1-877-684-6448

Additionally, because the National Park Service creates and maintains law enforcement records, we are required by the Department of Justice to provide the following information, even though it may or may not apply to your specific request. Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that we are required to give all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

Please do not hesitate to contact me, as the person responsible for processing your request, with any further questions or concerns. Additionally, contact information for the Department's FOIA Public Liaison is available at <https://www.doi.gov/foia/foiacenters>.

Sincerely,

CHARIS
