EXTERNAL SENDER

Good Morning,

148 ballots were received after the deadline but by Friday, November 6th within the City of Milwaukee. None of these ballots were counted, per state statute. This is a report run in our database and there is not an existing record to show you this information. If you would like names of voters or detailed information, that is a voter report subject to state statutory charges and can be placed at BadgerVoters.wi.gov.

Best,

Claire Woodall-Vogg
