

3056641589 2 Roman Gastesi

Roman, do I need anybody from Baptist Health system or Mariners to be present tomorrow on the zoom hearing on the first reading of the resolution to swap the library property? It looked like a really long agenda and I wasn't sure if we needed somebody to be there or it will be routinely handled in a first reading. Just text me or what we need to do if anything at all. Thanks
