Re: March 18, 2021, Colorado Open Records Act request to Representative Ron Hanks.

Dear Hart Wood:

On March 18, 2021, Representative Ron Hanks received your Colorado Open Records Act request for public records. On March 23, I responded to you on Representative Hanks's behalf and informed you that extenuating circumstances would delay the response.

Correspondence relating to a campaign is not a public record, as that term is defined in section 24-72-202 (6), Colorado Revised Statutes, and is not subject to an open records request. Campaign correspondence is not made, maintained, or kept in connection with the exercise of a legislator's official functions as a member of the General Assembly, and does not involve the receipt or expenditure of public funds.

Representative Hanks has reviewed the records in his custody and identified records that are responsive to your request. Although a number of the records are related to campaigns, Representative Hanks has chosen to include them in the interest of full

transparency. Jerry Payne, an attorney in this office, will send those records to you by electronic mail.

Sincerely,

A handwritten signature in cursive script that reads "Sharon H. Eubanks".

The **Senate Runoff Election** is TOMORROW, and I knew I needed to talk **DIRECTLY** to **YOU**, the American People. The Left will try to **STEAL** our **Republican Senate Majority**, and it's up to US to stop them.

The Democrats will never succeed, but before I go on stage, I need to know that you're still in this fight with me.

I've asked my team to hand me an updated list of donors who choose to step up at this critical time, and I'll be disappointed if I don't see your name on there.

I'm going to review the Donor List right before the Rally starts, and I want to see that Rep-Elect Ron from Colorado gave \$45 to show your dedicated support.

You've always been one of my TOP supporters, so I've unlocked a 1000% OFFER on your next donation if you step up in the NEXT HOUR.

Subject: Resign

For being involved with the treasonous, and violent riots of last week Mr. Hanks should promptly resign and apologize to Coloradoans for giving our state a bad image.

Its unbelievable that someone could be comfortable taking office while still insisting that the same elections that won them their position could be fraudulently used to put a democratic president in office.

If Mr. Hanks truly believes that the 2020 election was rigged he should be just as happy to step down from his position as he is to commit treason at the U.S. capitol.

End of discussion.

Subject: Joe Biden Calls this “Unity?”

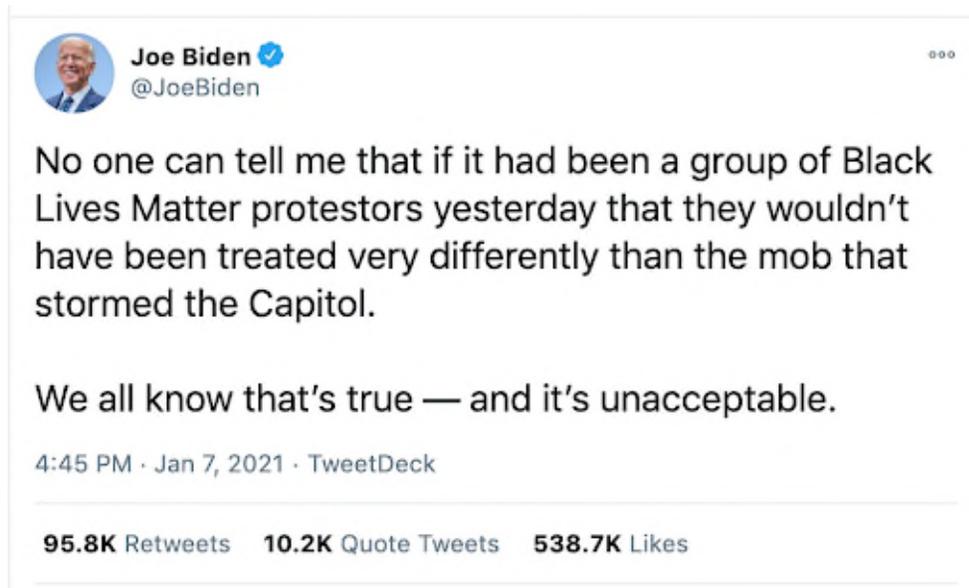

HERITAGE ACTION FOR AMERICA

Ron,

Joe Biden campaigned on “**unity.**”

And on January 6th, Joe Biden [said](#), “the work of the next four years must be the restoration of democracy, of decency, honor, respect, the rule of law.”

But the very next day, Joe Biden slandered and disparaged the Capitol Hill Police, insinuating that they are racists and bigots. **Biden tweeted:**

The Capitol Hill police lost one of their own, and rather than reaching out to them with support, Biden decides to slander them on social media.

Does Biden really think that labeling police as racists is “unity?”

Then Biden **compared** Senators Ted Cruz and Josh Hawley to Nazi leader Joseph Goebbels.

Biden is doing his part as his party calls for the Impeachment of President Trump and the expulsion of every member of Congress who raised questions and challenged the election results.

Does Biden really think removing political opponents from office is “unity?”

Then they cheer on big tech as Twitter bans President Trump and other conservatives like Rush Limbaugh. And they cheer when Apple and Google took steps to remove Parler (a free speech app) from their app stores.

Does Biden really think silencing conservatives is “unity?”

Biden wants silence and subjugation. Remove dissenters and ban free speech. Attack the police that defend you. Look down on the Americans he's promised to serve. **This is Biden's so-called “unity.”**

As conservatives, we must stand up to this radical Biden agenda!

You can donate today to stand up to Biden and oppose his divisive agenda.

Heritage Action is the community of grassroots activists who do the hard work every day of holding lawmakers accountable. We will stand by conservatives in Congress when they do the right thing, and stand up to Biden!

When the media attacks them for doing the right thing, we'll have their backs and spread the truth.

We knock doors, make calls, attend town halls, and organize rallies. We put conservatives where they need to be to get our message out!

In 2021, we need your support. Make a gift today:
