Thank you for contacting the City of Orlando. We have received your request, however, we receive hundreds of requests each week. We will process your request in the order it was received. Once we begin to process your request we will notify you if the request will take more than 30 minutes.

Pursuant to City Policy, **if** producing the requested records will require more than 30 minutes of total staff time, we will provide an estimate of the labor costs to retrieve the records before we begin the work. City policy also requires that we collect a deposit before work begins on records requests when an estimate is \$100 or more.

Please note that no fees are due now and we will notify you if we estimate it will require more than 30 minutes to retrieve the documents you requested.
