Dear colleagues,

I created the attached spreadsheet to help me keep track of my fuel purchases so I can get my full rebate next year. Some of my constituents were interested in it, so I have distributed it to them as well. Thought you might also find it useful. Feel free to use it for yourself, send it to your constituents, or chuck it in the recycle bin if you're not interested.

Best wishes to you and your family,

1	At the start of 2021, Missouri's fuel tax was 17 cents/gallon.																	
2	In 2021, the Missouri legislature passed SB262, which enacted a fuel tax increase.																	
3	The increase is an incremental increase as follows:																	
4	1) 2.5 cents on October 1, 2021																	
5	2) another 2.5 cents on July 1, 2022 (5 cents total)																	
6	3) another 2.5 cents on July 1, 2023 (7.5 cents total)																	
7	4) another 2.5 cents on July 1, 2024 (10 cents total)																	
8	5) another 2.5 cents on July 1, 2025 (12.5 cents total)																	
9	SB262 allows citizens to get a rebate on those increased amounts.																	
10	The Department of Revenue allows citizens to file for their rebate between July 1 and September 30 for the fuel taxes paid in the prior fiscal year (July 1 of one year through June 30 of the next year).																	
11	To file, citizens need to know the where they purchased their fuel, the dates of the purchases, the quantity of the purchases, and their vehicles' Vehicle Identification Numbers (VINs).																	
12																		
13	This spreadsheet will help you keep track of your fuel purchases to make it easier to file for your rebate and get your money back.																	
14	Click on the "Sample" tab below to see a sample worksheet.																	
15	Each other tab is for a different year. Click on the "Oct '21-Jun '22" to begin your spreadsheet for this year.																	
16	Enter your vehicles' nicknames and VINs in the box on right side of the screen (I7 - J16)																	
17	Then each time you fill your tank, enter the relevant info about that fill-up like is on the Sample worksheet.																	
18	Next July, you will have the info you need to file for your rebate.																	
19	Each column heading has a red triangle in the corner. Hover your mouse over the triangle to see an explanation of what info to put in that column.

**MISSOURI HOUSE OF REPRESENTATIVES  
Special Committee on Redistricting**

April 8, 2021

Members,

As the Special Committee on Redistricting moves forward with the public hearings for redistricting of each congressional district, we ask that you please give Chairman Shaul prior notice if you wish to testify in person to the committee. This will allow the committee to make sure we are allocating enough time for each hearing. Please note that citizens traveling to the Capitol to testify in front of the committee will be given priority at the hearings. If time allows we will then accept testimony from members.

If you have any questions please reach out to the offices of either Chairman Shaul or Ranking Minority Member Barnes.

Sincerely,

**Subject:** Request for co-sponsors of the Smarter and Safer Missouri Act re: adult marijuana use

Dear Colleagues,

I have introduced the [Smarter and Safer Missouri Act](#), a constitutional amendment to be submitted to the voters which would legalize the use of marijuana for adults 21 and older. The amendment will keep a 4% tax on medical marijuana similar to the existing 4% tax and impose a 12% tax on recreational marijuana. Proceeds from the sales would be directed towards infrastructure (including broadband), veterans, and drug treatment programs. In addition, the amendment would require the immediate release of anyone serving a prison sentence for nonviolent marijuana-only offenses and expunge the convictions of people for nonviolent marijuana-only offenses.

I strongly believe that we, the members of the legislature, should take the lead and craft reasonable rules and regulations around legal marijuana sales in our state instead of out-of-state special interests who are likely to put an initiative on the ballot in 2022 if we do not.

I would greatly appreciate your support as a co-sponsor of this legislation, [HJR 30](#). Feel free to reply to this email or to call or text me with questions. My cell number is 314-306-5537.

Thanks,  
Shamed

## DEMOCRATS' TAX AND SPEND MONSTER

### KEY TAKEAWAYS

- The Biden administration laid out plans for \$7.1 trillion in new spending in less than four months in office. This dwarfs previous federal spending and is nearly as much as what the U.S. has spent on all wars since World War I.
- The administration has also proposed \$3.4 trillion in tax hikes on job creators, workers, small businesses, and family farms – the largest tax hike in half a century.

The Biden administration committed to \$7.1 trillion in new spending in its first four months in office. According to the Penn Wharton Budget Model, the administration proposed \$5.2 trillion in new spending on top of the \$1.9 trillion from March's American Rescue Plan Act, along with \$3.4 trillion in tax hikes. The White House says that the eight-year cost of its mammoth spending proposals would be offset by 15 years of new tax hikes. Of course, this assumes that Democrats would allow their litany of costly new programs all to end in eight years, which is inconceivable. The Penn Wharton Budget Model also assumes significantly lower potential revenue from enhanced tax collection enforcement, which the White House touts as a central revenue stream to fund its initiatives.

double the massive relief the federal government provided in response to the COVID-19 pandemic in 2020. It is eight times the size of the 2009 Obama stimulus Democrats rammed through the last time they controlled Congress and the White House.

It's more than the U.S. spent winning WWII, and it's nearly as much as what the U.S. has spent on all wars since World War I.

### Unprecedented Levels of Spending

Families are already on the hook for \$223,000 each to cover the existing national debt. Democrats' massive spending proposals amount to another \$56,000 from every household in America. Families could do so much more with this money than the federal government. Families could send their children to college; pay their mortgage; cover their rent; buy a car; and forget about their electricity bills for the next 40 years.

### \$56,000 Per Family Could Do So Much More

The Biden plan also includes \$3.4 trillion in tax hikes.

The American Jobs Plan included a \$2.1 trillion tax hike on job creators and workers in the midst of an economic recovery. It raises the tax rate from 21% to 28% for the nearly one million U.S. businesses – large and small – organized as a “C corporation.” It undermines international tax reforms of the Tax Cuts and Jobs Act and raises taxes on U.S. multinational companies relative to their foreign counterparts. It imposes an unworkable 15% minimum tax on large firms’ financial profits.

The American Families Plan includes a \$1.3 trillion tax hike on small businesses, family farms, investors, and savers. It raises taxes on investments, undermining risk-taking. It eliminates “stepped up basis,” imposing a new “double death tax” on people, small businesses, and family farms.

### \$3.4 Trillion in Tax Hikes

As Americans recover from the pandemic, President Biden is proposing the largest tax hike on Americans in more than half a [century](#). Studies show Democrats' tax hikes will lead to [lower](#) wages for American workers and drive business investment out of the U.S.

Dear Representative,

The 2021 Missouri State Fair is just around the corner, and the Missouri Farm Bureau and I invite you to participate in the tenth annual Agriculture Advisory Council Meeting.

**Agriculture Advisory Council Meeting**  
**Co-hosted by U.S. Senator Roy Blunt and Missouri Farm Bureau**  
**Thursday, August 19, 2021**  
**12:30 pm**  
**VIP Tent Across from Gerken Dairy Center (new location)**  
**Missouri State Fairgrounds, Sedalia, MO**

Each year, Congress considers a variety of important issues that directly impact Missouri's farmers, ranchers, and rural communities. Whether it's debating policy changes for the next Farm Bill, reducing costly and onerous regulatory burdens impacting a producer's bottom-line, discussing implications of tax reform on family businesses, or reviewing the impact of international trade policies, the Missouri Farm Bureau and I would very much appreciate to hear your perspective on these important issues. As a representative of the largest industry that contributes to our state's economy, your experience on the ground offers the opportunity to hear common sense approaches to how federal and state governments can continue to support Missouri's agriculture sector.

The tenth annual meeting of the Agriculture Advisory Council will take place on Thursday, August 19th at 12:30 p.m. on the Missouri State Fairgrounds in Sedalia. A complimentary lunch will be provided courtesy of Missouri Farm Bureau.

The Missouri agricultural sector can look forward to extraordinary new opportunities both domestically and abroad if our federal and state partners make the sound policy decisions and investments. I hope you can join us for this conversation about the important issues facing the agriculture and rural communities in our state.

Please R.S.V.P. before August 13th by calling my Columbia office at 573-442-8151. I look forward to visiting with you at the State Fair!

Sincere regards,

Roy Blunt
