RE: Public Information Request for certain Operation Lone Star related records. (PIR 21-3730)

Ms. Lewis:

The Department received your above-referenced request on November 22, 2021. The Department has located records responsive to your request; however, we believe portions of the responsive records may be excepted from required public disclosure at this time. We are seeking a ruling from the attorney general's office with respect to disclosure of these records, and a copy of our request letter is enclosed. You will be notified directly by the attorney general's office when a ruling is issued.

Regarding Item 1 of your request, please find attached the costs of Operation Lone Star. Although the document shows as being through December 1, 2021, the numbers reflect costs for March through August 2021. There is an additional amount of \$1,552,959.00 in fuel costs that are not reflected yet in the numbers. There has been a delay in getting overtime entered in the Department's time management system so numbers for September to November 2021 are not yet available.

Regarding item 2 of your request, the Department has updated its reporting regarding arrests made as part of Operation Lone Star since information was last provided to you – all arrests regardless of division have been consolidated into a single spreadsheet. The Department has enclosed the entire arrest spreadsheet, which you can sort by date as you see fit.

Regarding Item 3 of your request, the Department is updating its reporting regarding Illegal Alien apprehensions and referrals made as part of Operation Lone Star. The spreadsheet is still being prepared and I expect it to be available soon. I will provide you with an update by close of business on December 22, 2021. The Department maintains on its website certain [Border Security Statistics](#) for the border region that may be of interest to you.

Regarding item 4 of your request, The Attorney General's Office previously ruled that the requested information is excepted from disclosure. See [Open Records Letter Ruling 2021-25484](#), [Open Records Letter Ruling 2021-25631](#) and [Open Records Letter Ruling 2021-32362](#). The status of the records and the law(s) at issue are unchanged from the date of the ruling; accordingly, the Department is continuing to withhold the requested information.

Regarding item 5 of your request, around one thousand DPS Troopers (to include the Tactical Marine Unit), Criminal Investigation Division Special Agents and Texas Rangers have deployed to the Texas border in support of Operation Lone Star. The Department believes that the specific locations of deployment to be confidential pursuant to section 552.101 of the Government Code in conjunction with sections 418.176 and 418.177 of the Homeland Security Act as well as Government Code section 552.108(b)(a). The Attorney General's Office previously ruled that this type of information is excepted from disclosure. See [Open Records Letter Ruling 2021-13838](#) and [Open Records Letter Ruling 2021-25176](#). The status of the records and the law(s) at issue are unchanged from the date of the ruling; accordingly, the Department is continuing to withhold the requested information.

Regarding item 6 of your request, the Department has conducted a good faith search for information related to your request and has not been able to locate any responsive records. The Office of the Governor, the Texas Military Department and/or the Texas Department of Emergency Management may have the records you are seeking.

Regarding item 7 of your request, the Department has conducted a good faith search for information related to your request and has not been able to locate any responsive records.

Regarding item 8 of your request, the Department is seeking an Attorney General ruling to withhold the responsive records from disclosure.

If you have any questions regarding this request, please submit them in writing via email to OGC.Webmaster@dps.texas.gov or via mail to the address in the letterhead. Thank you.

Cordially,

Brian Sears
Assistant General Counsel

cc: Attorney General of Texas
Open Records Division
