Date: Thursday, June 10, 2021 4:03:59 PM

Dear scheduling office -

Gov. DeSantis will be acquainted with me, as I video-interviewed him for a **Leader series** with Daily Caller years ago when he served in Congress, saw him at a state dinner in the Trump White House and my husband has been in contact with him too on various things of late.

I write to request him to join a Wednesday coalition that meets between 10-11:30 ET through the help of Judicial Watch. This was a group he might have known as "Groundswell." It is a cone of silence coalition that Mark Meadows attends and has presented at as well as many other allies he would know. Our group is about 83 national leaders and we usually get about 40-50 attendees. We focus on action items for the greatest threats and opportunities to constitutional governance, and admittedly, we are weary about the GOP divisions, lack of courage and lack of leadership. We start and end each meeting with prayer, but the Left has all the cultural institutions now and seem to be weaponizing them against conservatives and basic freedoms.

Honestly, we need him to pick us up and refocus us -- as Washington is not where our hope lies.

We meet by Zoom and would welcome him joining us any Wednesday between June 23 - July 28th! Zoom does make it easier for our out of town allies to coordinate and inspire us!

My cell phone is [REDACTED] and Janice, who is cc'ed above, helps us with the agenda and our security as we are a cone of silence gathering.

Thank you for reading this request,

Good afternoon, Mara –

July 21st works perfectly for the Third Century Group (formerly Groundswell) Zoom meeting! We are very excited to have Gov. DeSantis join the meeting!

Tommy Binion with the Heritage Foundation is setting the agenda while Ginni is away. We meet from 10–11:30 a.m., EDT. Let us know time works best for Gov. DeSantis. Our Guest Speakers are typically given 15-20 min, which includes time for q & a. If there is a particular topic he would like to discuss, let me know. Otherwise, Tommy may have some suggestions for the agenda that week.

I will provide you with the Zoom Registration link and instructions the Friday before the meeting.

Best regards,
Janice

Dear scheduling office -

Gov. DeSantis will be acquainted with me, as I video-interviewed him for a **Leader series** with Daily Caller years ago when he served in Congress, saw him at a state dinner in the Trump White House and my husband has been in contact with him too on various things of late.

I write to request him to join a Wednesday coalition that meets between 10-11:30 ET through the help of Judicial Watch. This was a group he might have known as "Groundswell." It is a cone of silence coalition that Mark Meadows attends and has presented at as well as many other allies he would know. Our group is about 83 national leaders and we usually get about 40-50 attendees. We focus on action items for the greatest threats and opportunities to constitutional governance, and admittedly, we are weary about the GOP divisions, lack of courage and lack of leadership. We start and end each meeting with prayer, but the Left has all the cultural institutions now and seem to be weaponizing them against conservatives and basic freedoms.

Honestly, we need him to pick us up and refocus us -- as Washington is not where our hope lies.

We meet by Zoom and would welcome him joining us any Wednesday between June 23 - July 28th! Zoom does make it easier for our out of town allies to coordinate and inspire us!

My cell phone is [REDACTED] and Janice, who is cc'ed above, helps us with the agenda and our security as we are a cone of silence gathering.

Hi Mara-

I am planning on introducing the Governor. We would love for him to talk about whatever is on his mind in terms of national politics. This group is very concerned about CRT, election integrity and immigration, but honestly, we defer to why he thinks is most important. Most speakers approach this as more of "an update" rather than a speech.

Casey,

I have heard that the Governor is likely to agree to this gathering of ours called TC in the Washington area.

Tommy Binion will be arranging the July agendas as the meetings will be done through Heritage while I am away. Perhaps you see a Wednesday in July that Tommy and Janice could let the group know of the Governor's attendance?

Many thanks! Ginni Thomas

Dear scheduling office -

Gov. DeSantis will be acquainted with me, as I video-interviewed him for a **Leader series** with Daily Caller years ago when he served in Congress, saw him at a state dinner in the Trump White House and my husband has been in contact with him too on various things of late.

I write to request him to join a Wednesday coalition that meets between 10-11:30 ET through the help of Judicial Watch. This was a group he might have known as

"Groundswell." It is a cone of silence coalition that Mark Meadows attends and has presented at as well as many other allies he would know. Our group is about 83 national leaders and we usually get about 40-50 attendees. We focus on action items for the greatest threats and opportunities to constitutional governance, and admittedly, we are weary about the GOP divisions, lack of courage and lack of leadership. We start and end each meeting with prayer, but the Left has all the cultural institutions now and seem to be weaponizing them against conservatives and basic freedoms.

Honestly, we need him to pick us up and refocus us -- as Washington is not where our hope lies.

We meet by Zoom and would welcome him joining us any Wednesday between June 23 - July 28th! Zoom does make it easier for our out of town allies to coordinate and inspire us!

My cell phone is [REDACTED] and Janice, who is cc'ed above, helps us with the agenda and our security as we are a cone of silence gathering.

I am planning on introducing the Governor. We would love for him to talk about whatever is on his mind in terms of national politics. This group is very concerned about CRT, election integrity and immigration, but honestly, we defer to why he thinks is most important. Most speakers approach this as more of "an update" rather than a speech.

Hi Mara,

Our special guest speakers are typically first on the Agenda. If his schedule allows, we would like him to join the meeting between 10 and 10:30 for 15-20 min, including q & a. However, we remain flexible. If there is a better time for him between 10 and 11:30, let me know, and we will make it work.

I'll defer to Tommy for suggested topics for next week's meeting. He is currently setting the agenda while Ginni is away.

Best regards,

Casey,

I have heard that the Governor is likely to agree to this gathering of ours called TC in the Washington area.

Tommy Binion will be arranging the July agendas as the meetings will be done through Heritage while I am away. Perhaps you see a Wednesday in July that Tommy and Janice could let the group know of the Governor's attendance?

Many thanks! Ginni Thomas

Dear scheduling office -

Gov. DeSantis will be acquainted with me, as I video-interviewed him for a **Leader series** with Daily Caller years ago when he served in Congress, saw him at a state dinner in the Trump White House and my husband has been in contact with him too on various things of late.

I write to request him to join a Wednesday coalition that meets between 10-11:30 ET through the help of Judicial Watch. This was a group he might have known as "Groundswell." It is a cone of silence coalition that Mark Meadows attends and has presented at as well as many other allies he would know. Our group is about 83 national leaders and we usually get about 40-50 attendees. We focus on action items for the greatest threats and opportunities to constitutional governance, and admittedly, we are weary about the GOP divisions, lack of

courage and lack of leadership. We start and end each meeting with prayer, but the Left has all the cultural institutions now and seem to be weaponizing them against conservatives and basic freedoms.

Honestly, we need him to pick us up and refocus us -- as Washington is not where our hope lies.

We meet by Zoom and would welcome him joining us any Wednesday between June 23 - July 28th! Zoom does make it easier for our out of town allies to coordinate and inspire us!

My cell phone is [REDACTED] and Janice, who is cc'ed above, helps us with the agenda and our security as we are a cone of silence gathering.

Dear scheduling office -

Gov. DeSantis will be acquainted with me, as I video-interviewed him for a **Leader series** with Daily Caller years ago when he served in Congress, saw him at a state dinner in the Trump White House and my husband has

been in contact with him too on various things of late.

I write to request him to join a Wednesday coalition that meets between 10-11:30 ET through the help of Judicial Watch. This was a group he might have known as "Groundswell." It is a cone of silence coalition that Mark Meadows attends and has presented at as well as many other allies he would know. Our group is about 83 national leaders and we usually get about 40-50 attendees. We focus on action items for the greatest threats and opportunities to constitutional governance, and admittedly, we are weary about the GOP divisions, lack of courage and lack of leadership. We start and end each meeting with prayer, but the Left has all the cultural institutions now and seem to be weaponizing them against conservatives and basic freedoms.

Honestly, we need him to pick us up and refocus us -- as Washington is not where our hope lies.

We meet by Zoom and would welcome him joining us any Wednesday between June 23 - July 28th! Zoom does make it easier for our out of town allies to coordinate and inspire us!

My cell phone is [REDACTED] and Janice, who is cc'ed above, helps us with the agenda and our security as we are a cone of silence gathering.

Thank you for reading this request,

Ginni Thomas

Casey,

I have heard that the Governor is likely to agree to this gathering of ours called TC in the Washington area.

Tommy Binion will be arranging the July agendas as the meetings will be done through Heritage while I am away. Perhaps you see a Wednesday in July that Tommy and Janice could let the group know of the Governor's attendance?

Many thanks! Ginni Thomas

Hi Mara,

Our special guest speakers are typically first on the Agenda. If his schedule allows, we would like him to join the meeting between 10 and 10:30 for 15-20 min, including q & a. However, we remain flexible. If there is a better time for him between 10 and 11:30, let me know, and we will make it work.

I'll defer to Tommy for suggested topics for next week's meeting. He is currently setting the agenda while Ginni is away.

Best regards,
Janice

Good afternoon, Mara –

July 21st works perfectly for the Third Century Group (formerly Groundswell) Zoom meeting! We are very excited to have Gov. DeSantis join the meeting!

Tommy Binion with the Heritage Foundation is setting the agenda while Ginni is away. We meet from 10–11:30 a.m., EDT. Let us know time works best for Gov. DeSantis. Our Guest Speakers are typically given 15-20 min, which includes time for q & a. If there is a particular topic he would like to discuss, let me know. Otherwise, Tommy may have some suggestions for the agenda that week.

I will provide you with the Zoom Registration link and instructions the Friday before the meeting.

Best regards,
Janice

Casey,

I have heard that the Governor is likely to agree to this gathering of ours called TC in the Washington area.

Tommy Binion will be arranging the July agendas as the meetings will be done through Heritage while I am away. Perhaps you see a Wednesday in July that Tommy and Janice could let the group know of the Governor's attendance?

Many thanks! Ginni Thomas

Dear scheduling office -

Gov. DeSantis will be acquainted with me, as I video-interviewed him for a **Leader series** with Daily Caller years ago when he served in Congress, saw him at a state dinner in the Trump White House and my husband has been in contact with him too on various things of late.

I write to request him to join a Wednesday coalition that meets between 10-11:30 ET through the help of Judicial Watch. This was a group he might have known as "Groundswell." It is a cone of silence coalition that Mark Meadows attends and has presented at as well as many other allies he would know. Our group is about 83 national leaders and we usually get about 40-50 attendees. We focus on action items for the greatest threats and opportunities to constitutional governance, and admittedly, we are weary about the GOP divisions, lack of courage and lack of leadership. We start and end each meeting with prayer, but the Left has all the cultural institutions now and seem to be weaponizing them against conservatives and basic freedoms.

Honestly, we need him to pick us up and refocus us -- as Washington is not where our hope lies.

We meet by Zoom and would welcome him joining us any Wednesday between June 23 - July 28th! Zoom does make it easier for our out of town allies to coordinate and inspire us!

My cell phone is [REDACTED] and Janice, who is cc'ed above, helps us with the agenda and our security as we are a cone of silence gathering.

Thank you for reading this request,

Ginni Thomas

Our special guest speakers are typically first on the Agenda. If his schedule allows, we would like him to join the meeting between 10 and 10:30 for 15-20 min, including q & a. However, we remain flexible. If there is a better time for him between 10 and 11:30, let me know, and we will make it work.

I'll defer to Tommy for suggested topics for next week's meeting. He is currently setting the agenda while Ginni is away.

Casey,

I have heard that the Governor is likely to agree to this gathering of ours called TC in the Washington area.

Tommy Binion will be arranging the July agendas as the meetings will be done through Heritage while I am away. Perhaps you see a Wednesday in July that Tommy and Janice could let the group know of the Governor's attendance?

Many thanks! Ginni Thomas

Dear scheduling office -

Gov. DeSantis will be acquainted with me, as I video-interviewed him for a **Leader series** with Daily Caller years ago when he served in Congress, saw him at a state dinner in the Trump White House and my husband has been in contact with him too on various things of late.

I write to request him to join a Wednesday coalition that meets between 10-11:30 ET through the help of Judicial Watch. This was a group he might have known as "Groundswell." It is a cone of silence coalition that Mark Meadows attends and has presented at as well as many other allies he would know. Our group is about 83 national leaders and we usually get about 40-50 attendees. We focus on action items for the greatest threats and opportunities to constitutional governance, and admittedly, we are weary about the GOP divisions, lack of

courage and lack of leadership. We start and end each meeting with prayer, but the Left has all the cultural institutions now and seem to be weaponizing them against conservatives and basic freedoms.

Honestly, we need him to pick us up and refocus us -- as Washington is not where our hope lies.

We meet by Zoom and would welcome him joining us any Wednesday between June 23 - July 28th! Zoom does make it easier for our out of town allies to coordinate and inspire us!

My cell phone is [REDACTED] and Janice, who is cc'ed above, helps us with the agenda and our security as we are a cone of silence gathering.

Thank you for reading this request,

Ginni Thomas

Good afternoon, Mara –

July 21st works perfectly for the Third Century Group (formerly Groundswell) Zoom meeting!
We are very excited to have Gov. DeSantis join the meeting!

Tommy Binion with the Heritage Foundation is setting the agenda while Ginni is away. We meet from 10–11:30 a.m., EDT. Let us know time works best for Gov. DeSantis. Our Guest Speakers are typically given 15-20 min, which includes time for q & a. If there is a particular topic he would like to discuss, let me know. Otherwise, Tommy may have some suggestions for the agenda that week.

I will provide you with the Zoom Registration link and instructions the Friday before the meeting.

Subject: REQUEST to have Gov. Desantis join a Wed coalition call of conservative patriots in June or July

Dear scheduling office -

Gov. DeSantis will be acquainted with me, as I video-interviewed him for a *Leader series* with Daily Caller years ago when he served in Congress, saw him at a state dinner in the Trump White House and my husband has been in contact with him too on various things of late.

I write to request him to join a Wednesday coalition that meets between 10-11:30 ET through the help of Judicial Watch. This was a group he might have known as "Groundswell." It is a cone of silence coalition that Mark Meadows attends and has presented at as well as many other allies he would know. Our group is about 83 national leaders and we usually get about 40-50 attendees. We focus on action items for the greatest threats and opportunities to constitutional governance, and admittedly, we are weary about the GOP divisions, lack of courage and lack of leadership. We start and end each meeting with prayer, but the Left has all the cultural institutions now and seem to be weaponizing them against

conservatives and basic freedoms.

Honestly, we need him to pick us up and refocus us -- as Washington is not where our hope lies.

We meet by Zoom and would welcome him joining us any Wednesday between June 23 - July 28th! Zoom does make it easier for our out of town allies to coordinate and inspire us!

My cell phone is [REDACTED] and Janice, who is cc'ed above, helps us with the agenda and our security as we are a cone of silence gathering.

Thank you for reading this request,

Hi Mara,

Our special guest speakers are typically first on the Agenda. If his schedule allows, we would like him to join the meeting between 10 and 10:30 for 15-20 min, including q & a. However, we remain flexible. If there is a better time for him between 10 and 11:30, let me know, and we will make it work.

I'll defer to Tommy for suggested topics for next week's meeting. He is currently setting the agenda while Ginni is away.

I have heard that the Governor is likely to agree to this gathering of ours called TC in the Washington area.

Tommy Binion will be arranging the July agendas as the meetings will be done through Heritage while I am away. Perhaps you see a Wednesday in July that Tommy and Janice could let the group know of the Governor's attendance?

Many thanks! Ginni Thomas

Dear scheduling office -

Gov. DeSantis will be acquainted with me, as I video-interviewed him for a **Leader series** with Daily Caller years ago when he served in Congress, saw him at a state dinner in the Trump White House and my husband has been in contact with him too on various things of late.

I write to request him to join a Wednesday coalition that meets between 10-11:30 ET through the help of Judicial Watch. This was a group he might have known as "Groundswell." It is a cone of silence coalition that Mark Meadows attends and has presented at as well as many other allies he would know. Our group is about 83 national leaders and we usually get about 40-50 attendees. We focus on action items for the greatest threats and opportunities to constitutional governance, and admittedly, we are weary about the GOP divisions, lack of courage and lack of leadership. We start and end each meeting with prayer, but the Left has all the cultural institutions now and seem to be weaponizing them against conservatives and basic freedoms.

Honestly, we need him to pick us up and refocus us -- as Washington is not where our hope lies.

We meet by Zoom and would welcome him joining us any Wednesday between June 23 - July 28th! Zoom does make it easier for our out of town allies to coordinate and inspire us!

Subject: Re: REQUEST to have Gov. Desantis join a Wed coalition call of conservative patriots in June or July

Good afternoon, Mara –

July 21st works perfectly for the Third Century Group (formerly Groundswell) Zoom meeting! We are very excited to have Gov. DeSantis join the meeting!

Tommy Binion with the Heritage Foundation is setting the agenda while Ginni is away. We meet from 10–11:30 a.m., EDT. Let us know time works best for Gov. DeSantis. Our Guest Speakers are typically given 15-20 min, which includes time for q & a. If there is a particular topic he would like to discuss, let me know. Otherwise, Tommy may have some suggestions for the agenda that week.

I will provide you with the Zoom Registration link and instructions the Friday before the meeting.

Best regards,
Janice

Casey,

I have heard that the Governor is likely to agree to this gathering of ours called TC in the Washington area.

Tommy Binion will be arranging the July agendas as the meetings will be done through Heritage while I am away. Perhaps you see a Wednesday in July that Tommy and Janice could let the group know of the Governor's attendance?

Many thanks! Ginni Thomas

Dear scheduling office -

Gov. DeSantis will be acquainted with me, as I video-interviewed him for a **Leader series** with Daily Caller years ago when he served in Congress, saw him at a state dinner in the Trump White House and my husband has been in contact with him too on various things of late.

I write to request him to join a Wednesday coalition that meets between 10-11:30 ET through the help of Judicial Watch. This was a group he might have known as "Groundswell." It is a cone of silence coalition that Mark Meadows attends and has presented at as well as many other allies he would know. Our group is about 83 national leaders and we usually get about 40-50 attendees. We focus on action items for the greatest threats and opportunities to constitutional governance, and admittedly, we are weary about the GOP divisions, lack of courage and lack of leadership. We start and end each meeting with prayer, but the Left has all the cultural institutions now and seem to be weaponizing them against conservatives and basic freedoms.

Honestly, we need him to pick us up and refocus us -- as Washington is not where our hope lies.

We meet by Zoom and would welcome him joining us any Wednesday between June 23 - July 28th! Zoom does make it easier for our out of town allies to coordinate and inspire

us!

My cell phone is [REDACTED] and Janice, who is cc'ed above, helps us with the agenda and our security as we are a cone of silence gathering.

Thank you for reading this request,

Hi Mara-

I am planning on introducing the Governor. We would love for him to talk about whatever is on his mind in terms of national politics. This group is very concerned about CRT, election integrity and immigration, but honestly, we defer to why he thinks is most important. Most speakers approach this as more if "an update" rather than a speech.

Hi Mara,

Our special guest speakers are typically first on the Agenda. If his schedule allows, we would like him to join the meeting between 10 and 10:30 for 15-20 min, including q & a. However, we remain flexible. If there is a better time for him between 10 and 11:30, let me know, and we will make it work.

I'll defer to Tommy for suggested topics for next week's meeting. He is currently setting the agenda while Ginni is away.
