**Subject:** [EXTERNAL] Fox News Appearance Saturday

Hi Brooke,

We are all set for Governor Gianforte's appearance on Fox News Live tomorrow! Interview is slated for 11:20 AM MT ((1:20 PM Eastern)) with our host Griff Jenkins. We'll start with the Biden Administration's energy agenda and its impact to Montana. Plus, a look at the state's economic recovery plans and lifting COVID restrictions. We'd appreciate the Governor's response and insight.

We'll have to take the discussion via Skype since the other studios in the area do not offer uplink capabilities. Unfortunately, the PBS studio is not available on Saturday. Would it be possible to test the connection at least one hour prior to the discussion to make sure we are broadcast ready? We'll need the following details to connect:

SKYPE HANDLE OR EMAIL:  
LOCATION (CITY):  
TYPE OF DEVICE (iPad, etc.):  
DIRECT PHONE # (for our control room):

Please expect a phone call from our control room staff about 15 minutes prior to the hit time to establish connection. It would be helpful to have the Skype open then as well. Note: Our system doesn't work with Skype for Business accounts.

I'll be your POC and will check in tomorrow morning but available any time beforehand if I can provide further guidance. What would be the best phone number to reach you in case there are any updates.

We're looking forward to having the Governor with us Saturday!

Vandana
