Subject: [EXTERNAL] Fox News Digital Comment Request

Good afternoon,

Fox News Digital is seeking a comment to the question below.

As you know over the past few days, there has been a suspected Chinese spy balloon spotted hovering over Montana.

The DOD said they will not shoot down the balloon due to "the risk to safety and security of people on the ground from the possible debris field," according to Secretary of Defense Lloyd.

What does Gov. Gianforte think the Biden administration should do about the balloon?

If shot down, does the balloon pose any threat to individuals on the ground?

Let me know if you can get me a response ASAP.

Best,
Aubrie Spady
