Hello Brooke,

My name is Siobhan Flattery, I work at Fox News Radio in NY. I hope you are keeping well. I'm reaching out to see if Governor Greg Gianforte is available to join the Fox News Rundown to discuss the impact of President Biden's Keystone Pipeline cancellation and the concerns over more energy jobs being lost in the coming years.

This will be a 15-minute, pre-taped, audio interview with one of our Rundown hosts. We are flexible with dates and can connect via zoom, skype or landline. (Please no cellphone).

Let me know if the governor is interested and we can coordinate a day and time from there.

Best,  
Siobhan
