Hi Brie,

Below is a statement that can be attributed to a spokesperson for the governor:

“After learning that he had not completed the wolf-trapping certification, Governor Gianforte immediately rectified the mistake and enrolled in the wolf-trapping certification course. The governor had all other proper licenses.”

Best,

Brooke

Hi Ms. Stroyke,

I'm a Fox News reporter writing a story about Gov. Gianforte's warning from wildlife officials over killing a Yellowstone wolf without having taken the required trapping course. Is there a comment?

Thank you,
Brie Stimson
