EXTERNAL SENDER

Good morning,

Consistent with our July 22 email, please find the attached zipped folder containing documents responsive to your request for information under Chapter 552 of the Texas Government Code.

The responsive information includes file names, locations, and other computer information that “has no other significance than its use as a tool for the maintenance, manipulation, or protection of public property.” *See* Open Records Decision No. 581 at 7 (1990). The Attorney General’s Open Records Division has concluded that this type of information is not subject to the Public Information Act and thus need not be released in response to a public-information request. *See* Open Records Decision No. 581 at 7; OR2019-14210 at 2 (May 29, 2019) (file names and locations). Thus, certain information has been redacted.

We appreciate your patience as we continue to process your request in accordance with the terms of the PIA. We require additional time to review our records and produce additional responsive documents. We will provide you additional responsive documents on a rolling basis—to the extent such information is not excepted from disclosure under state or federal law—with our next production by 5:00 p.m. on September 9, 2022. *See* Tex. Gov’t Code § 552.221(d).
