Subject: New Podcast

Cleta Mitchell has started a new podcast to document what happened in 2020 and share what we must do going forward.

Please watch podcast here:

ELECTION LAWBREAKERS IN BOTH PARTIES SKEWED RESULTS IN 2020

October 6, 2021

In this introductory episode of Who's Counting with Cleta Mitchell, the country's premier election expert reveals documented shenanigans by activist liberals in the judiciary from Montana to Georgia and beyond, that corrupted results while election integrity proponents tried to secure accurate counts. You may be surprised to hear that state election laws were not just ignored by Democrats. Successes and failures personally witnessed by Cleta answer the question about the 2020 election: what really happened?

Thank you,
Jenny Limcher
