Re: Public Records Request

Dear Public Records Officer:

Pursuant to Article I, section 24(a), of the Florida Constitution, and Florida's public records laws, as codified at Fla. Stat. Chapter 119, American Oversight makes the following request for records.

Requested Records

American Oversight requests that the Florida Department of Corrections promptly produce the following:

1. Any report of an incident of white supremacist, white nationalist, white separatist, far-right, alt-right, or pro-Nazi activity or ideology among Florida Department of Corrections personnel.
2. Any study concerning incidents of white supremacist, white nationalist, white separatist, far-right, alt-right, or pro-Nazi activity or ideology among Florida Department of Corrections personnel in the possession of or created, utilized, maintained, received, or distributed by the Florida Department of Corrections.
3. Records sufficient to identify the number of incidents or reports of white supremacist, white nationalist, white separatist, far-right, alt-right, or pro-Nazi activity or ideology among Florida Department of Corrections personnel, and any ensuing action recommended or executed by your agency, since January 1, 2019, or the earliest date thereafter for which this information is available.

To the extent that this information is aggregated and maintained in a database or spreadsheet,¹ we would accept as responsive a printout from the database containing fields reflecting the date and key facts of each incident or report as well as any ensuing action recommended or executed by the Florida Department of Corrections. American Oversight does not object to the redaction of names,

¹ American Oversight requests responsive data in a Microsoft Excel spreadsheet format, to the extent that your agency maintains such data in a database or other format that can be readily exported into such format.

addresses, or other personally identifying information from records responsive to this request.

Please provide all responsive records from January 1, 2019, through the date the request is received.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the term “record” in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

In addition, American Oversight insists that your agency use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; your office may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

Section 119.12 Notice

This document provides written notice identifying American Oversight's public records request to your agency's custodian of public records in compliance with Section 119.12(1)(b) of the Florida Statutes. Should your agency fail to comply with its obligations under Florida's public records laws, American Oversight may be prepared to file suit to enforce the provisions of Fla. Stat. Chapter 119.
