Re: Open Records Act Request

Dear Custodian of Records:

Pursuant to the Colorado Open Records Act, C.R.S. § 24-72-201 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that Mesa County produce the following records within three working days:

All electronic communications (including emails, email attachments, complete email chains, calendar invitations, text messages, or messages on messaging platforms, such as Slack, GChat or Google Hangouts, Lync, Skype, or WhatsApp) between (a) Mesa County Clerk Tina Peters and (b) any of the individuals or entities listed below. In the case of emails and texts, the search should include those sent or received from Tina Peters' personal accounts and devices if they were used to conduct official business, as well those sent from official email addresses or government-issued devices.

Specified Parties:

1. Steve Bannon
2. Anyone communicating on behalf of *Bannon's War Room*, including but not limited to, Raheem Kassam

Please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if Clerk Peters received a mass-distribution news clip email from one of the specified entities, that initial email would not be responsive to this request. However, if Clerk Peters forwarded that email to another individual with his own commentary, that subsequent message would be responsive to this request and should be produced.

Please provide all responsive records from January 1, 2021, through the date the search is conducted.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.

Fee Waiver Request

In accordance with C.R.S. § 24-72-205(4), American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested records will further a “public purpose”¹ because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

The public has a significant interest in communications County Clerk Tina Peters may have had with certain external entities. Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent County Clerk Peters was coordinating with these external entities. American Oversight is committed to transparency and makes the responses agencies provide to open records requests publicly available, and the public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.²

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.³ Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records related to the organization’s investigations into misconduct and corruption in state

governments;⁴ posting records and analysis of federal and state governments' responses to the Coronavirus pandemic;⁵ posting records received as part of American Oversight's "Audit the Wall" project to gather and analyze information related to the Trump administration's proposed construction of a barrier along the U.S.-Mexico border, and analyses of what those records reveal;⁶ and the posting of records related to an ethics waiver received by a senior Department of Justice attorney and an analysis of what those records demonstrated regarding the Department's process for issuing such waivers.⁷

Accordingly, American Oversight qualifies for a fee waiver.

Twitter direct messages), voicemail messages, instant messaging systems such as Lync or ICQ, and shared messages systems such as Slack.

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.
