Dear Representative Sanfelippo,

Election integrity is critical. Without fair and honest elections, we are not truly free. I am asking you ensure that our state takes action to clean voter rolls, require voter ID, and to commit to practices in the election process that are not subject to easy fraud. Millions of people like me are taking action to assure that voting fraud is eliminated in our state.

Know that I am praying for you as you serve our state. You can be encouraged - God grants wisdom to those who ask Him. (James 1:5)

Gentlemen,
This whole GablemanVos elections "probe" has gone far enough. This farce has degenerated into a TAXPAYER FUNDED ripoff - now he's off to a Florida resort to "investigate". It's time to put a stop to this scam and maybe start an investigation into misuse of public funds. Shame on all of you for not putting a stop to it.

Subject: Fwd: Michigan Election Official Charged With Ballot Tampering, Misconduct

Wisconsin Legislators,

Why is this kind of "patriotism to protect the integrity of the vote" by Michigan officials NOT happening in every one of the states that has more than enough evidence of tampering and manipulation of the 2020 election; LIKE WISCONSIN ???

When are you people going to demand charges be levied against these two people in particular. For Gods sake Rubenstein physically took over the City of Green Bays election process and conspired with the cities of Racine Milwaukee and Kenosha. Was that just a figment of my imagination or did he actually do that? I am sure you know the answer as well as tens of thousands of other Wisconsin voters. When are you people going to charge Rubenstein and his boss Mark Zuckerberg for these crimes ??? If our feckless Attorney General refuses he should be removed from office for blatant incompetence and worse issues. Then have all Wisconsin voters that believe our election was criminally affected sign on to the movement to file criminal charges against them.

What is wrong with you ?????

The constituents of the State of Wisconsin are disgusted at what went on in our 2020 election. So is the rest of the country. Many, some included on this e-mail, should be ashamed. Please make sure SB946 does not pass. If the Monday bill passes, those of you who support it will not be in office come the next election. The Wisconsin voters are fed up. We will not forget and we will take the time, in our own districts and around the state, to fight against lack of secure and fair voting.

Good morning, Beverly.

I have been fighting for election integrity since prior to the fall 2020 election. Below is a partial list of actions I have taken for your review.

The best thing we can do is to make sure that our elections laws are strictly enforced in a transparent and uniform manner throughout the state. When we find that they are not, as we have witnessed in the past, we must hold the people responsible accountable regardless of their party affiliation. That is why I am pushing for the removal of the WEC commissioners who voted to break or not enforce elections laws as well the employees of WEC who have done the same.

- [3/31/20](#): Press release condemning WEC's failure to Milwaukee and Dane County Clerks' illegal public guidance regarding indefinitely confined voters ahead of 2020 Spring primary election
- [11/9/20](#): Press release calling for comprehensive audit of 2020 general election and to delay certification of election results pending outcome of that audit
- [12/11/20](#): Joint public hearing of Assembly and Senate Campaign and Elections Committees regarding issues with 2020 general election; press release renewing call for comprehensive audit of election
- [3/10/21](#): Public hearing of Assembly Campaign and Elections Hearing regarding issues with 2020 general election, focusing on specific allegations in Green Bay; press release calling for committee to investigate recent elections
- [3/16/21](#): Introduction of Senate Bill 212/Assembly Bill 198 addressing numerous elections laws, including practices relating to election officials ignoring statutes, processing of absentee ballots, and imposing criminal penalties; bill subsequently passed, but vetoed by Governor Tony Evers
- [3/17/21](#): Introduction of Assembly Resolution 15 directing the Assembly Committee on Campaigns and Elections to investigate the administration of elections in Wisconsin.
- [3/23/21](#): Passage of Assembly Resolution 15 following floor debate, launching investigation into issues with recent elections; press release supporting passage of resolution
- [10/28/21](#): Press release calling for dismissal of WEC Administrator Meagan Wolfe and other WEC personnel for misconduct through actions relating to recent elections
- 11/10/21: Letter to Attorney General Josh Kaul demanding investigation of electoral violations at nursing homes in 2020 relating to suspension of special voting deputy

process and urging prosecution of official misconduct by WEC administrator, commissioners, and staff

- 1/18/22: Introduced [AJR 111](#) calling for the resignation of the administrator, assistant administrator, and several members of the Wisconsin Elections Commission.
- [2/24/22](#): Passage of [several election integrity bills](#) to address the deficiencies identified by the LAB audit, including strengthening ID requirements, implementing safeguards to prevent absentee ballot fraud, prohibiting election clerks from making changes to cast ballots, and ensuring that voter rolls are kept current and accurate.

Other election oversight activities include additional public hearings of [Assembly Campaigns and Elections Committee](#), numerous press [statements](#) and [interviews](#), and other legislative activities investigating election law.

Yours truly,

Joe
