Dear Requester:

This acknowledges receipt of and is a final response to your 1 June 2022 Freedom of Information Act (FOIA) request, submitted on behalf of American Oversight, received in the Office of the Information and Privacy Coordinator on the same-day, for **all messages sent, received, or otherwise posted on the internal U.S. intelligence messaging system eChirp containing any of the terms [listed in the request] from January 4, 2021 through January 8, 2021**. We have assigned your request the reference number above. Please use this number when corresponding so that we can identify it easily.

We believe your request as written would more likely fall under the auspices of the National Security Agency (NSA). You can find their address at www.foia.gov. There is no central office in the government that processes requests for all federal agencies. Each agency responds to requests for its own records.

If you have any questions regarding this response, you may contact this office at (703) 613-1287.

Sincerely,

A handwritten signature in black ink, appearing to read "Anthony J. Capitos".
