In further response to your FOIA request of June 2, 2022, based upon reasonable inquiry within the Governor's Office, "the requested documents could not be found or do not exist." See Section 2.2-3704.3. Except, that all calendars, along with an email and attachments between Andrew Wheeler and Travis Voyles are being entirely withheld pursuant to Section 2.2-3705.7 as working papers and correspondence of the Office of the Governor. The volume of the documents being withheld is estimated to be less than a redwell.
