Re: Public Records Request from Hart Wood at American Oversight

Dear Hart:

On June 27, 2022, our office received your written request, submitted pursuant to the Mississippi Public Records Act, requesting a copy of communications (to/from certain identified members of our office) as well as documents exchanged between our office and Susan B. Anthony List or Charlotte Lozier Institute between October 1, 2020 and the date the search is conducted.

After a reasonable search, on July 5, 2022, we provided you an initial cost estimate for the review and production of responsive documents in the amount of \$104.40. On August 12, 2022, our office received your check for the full amount of the cost estimate.

Enclosed please find a copy of the public records that are responsive to your request. The actual costs incurred by our office for the review and production of the enclosed public records exceeded \$104.40. However, our office will waive the additional costs of production. Further, this will conclude our office's obligations in connection with the subject request submitted pursuant to the Mississippi Public Records Act.

Our compliance with this request shall not be considered a waiver of any right, privilege, exemption or argument that our office may have under the Public Records Act or otherwise.

Sincerely,

A handwritten signature in blue ink that reads "Shelby Wilcher".

Hey Hunter and Cory,

Is there any word on whether Gov. Reeves would be available to participate via a short pre-recorded video in the International Solemn Prayer Assembly (request below from Doug Daugherty)?

Would it be alright for me to connect you with Doug, so that he can provide more details?

Thanks,
James

Governor Reeves,

Thank you for offering such a beautiful prayer on Monday night. It was a reflection of your inspiring leadership both of Mississippi and for Life.

I would like to pass along the invitation below to participate in a worldwide prayer assembly from Chattanooga, TN. This comes from a good friend and fellow warrior, Doug Daugherty, the President of Hamilton Flourishing, who is rallying the faithful to pray for our country during this deeply anticipated moment in our history. Thank you for considering!

Dear Governor Reeves,

My name is Doug Daugherty, I learned from my friend Marjorie Dannenfelser of the SBA List that you are a praying man who cares about the impending decision on Roe v. Wade.

We think, after seeing the first abortion clinic closing due to the prayers of many led to the divine destruction of the Chattanooga, Tennessee's only abortion clinic 29 years ago, that this is the place to hold an international virtual, live, and recorded Solemn Prayer Assembly.

Would you consider joining us, in the way you choose, at your convenience.

You more than anyone know the importance to our nation, the state governors, the constitution, and all those involved in abortion.

Prayer is the answer! It is time for such an Assembly!

Your involvement would be at your convenience. It would also be a call to the State Governors for call to prayer and a return to Federalism.

Please have your people reach out to me for further information.

Sincerely,

Douglas E. Daugherty, Sr, President

Hi Barrie,

I hope your week is off to a great start.

SBA List is hosting a **Pro-Life Leaders Summit**, taking place **February 14th and 15th, 2022** at **The Sanctuary at Kiawah Island**. The Summit brings together SBA List's top supporters from across the country to discuss pro-life strategy moving forward.

Our president, Marjorie Dannenfelser, would love to extend an invitation to Governor Reeves to be a featured speaker at the Summit.

Specifically, we'd like to invite the Governor to speak to attendees for 15 minutes sometime between 11:15 AM to 12:30 PM on Tuesday, February 15th. As of now, we have great flexibility during that timeframe.

During the Summit, there will be significant focus on the *Dobbs* case, so we'd love to have the Governor there for the discussion.

Of course, if the Governor's schedule allows, we'd love for him to stay for additional Summit programming. We have an opening dinner on the 14th that is being headlined by SC Gov. Henry McMaster to welcome attendees to his home state, and we'll also have a luncheon and dinner on the 15th.

Please let us know if you have any questions on this request. I've copied Emma on our team who is assisting with logistics, lodging, etc.

Thank you!

Subject: <EXTERNAL>: Invitation for Gov. Reeves: Pro-Life Leaders Summit

Hi Barrie,

I hope your week is off to a great start.

SBA List is hosting a **Pro-Life Leaders Summit**, taking place **February 14th and 15th, 2022** at **The Sanctuary at Kiawah Island**. The Summit brings together SBA List's top supporters from across the country to discuss pro-life strategy moving forward.

Our president, Marjorie Dannenfelser, would love to extend an invitation to Governor Reeves to be a featured speaker at the Summit.

Specifically, we'd like to invite the Governor to speak to attendees for 15 minutes sometime between 11:15 AM to 12:30 PM on Tuesday, February 15th. As of now, we have great flexibility during that timeframe.

During the Summit, there will be significant focus on the *Dobbs* case, so we'd love to have the Governor there for the discussion.

Of course, if the Governor's schedule allows, we'd love for him to stay for additional Summit programming. We have an opening dinner on the 14th that is being headlined by SC Gov. Henry McMaster to welcome attendees to his home state, and we'll also have a luncheon and dinner on the 15th.

Please let us know if you have any questions on this request. I've copied Emma on our team who is assisting with logistics, lodging, etc.

Thank you!

Background & Talking Points

2022 Pro-Life Leaders Summit

Purpose of the National Pro-Life Leaders Summit

The purpose of the National Pro-Life Leaders Summit is to show SBA List's top supporters from across the country how they have brought us to the pro-life tipping point of 2022 and to discuss how we will save lives in the law moving forward.

Theme of the Summit

The theme of the Summit is ***SAVING LIVES IN THE LAW BEGINS NOW: Prepare, Fight, Win.*** This phrase captures what makes 2022 different from every other year: we are facing a monumental transition in the pro-life fight before and after the *Dobbs* case. This is the beginning of a brand-new pro-life movement.

1. It is our supporters who have made this moment possible.

>>> 2021 was arguably the most consequential year ever in the history of SBA List thanks to the Supreme Court taking up the *Dobbs* case. But we know it didn't happen in a vacuum: with the help of dedicated supporters, over the last four election cycles SBA List has led the charge to expose and defeat abortion extremists, build a Senate majority, elect a pro-life president, and get pro-life justices confirmed to the Court. All our hard work over the years has culminated in this moment.

2. Now that the *Dobbs* case presents the possibility that *Roe* could be overturned, we have a bolder, more aggressive, more ambitious vision than ever before.

>>> If we're successful – if *Roe* is overturned – we will enter a new era of the pro-life movement, one in which we can finally use the law to save millions of innocent unborn children and protect their mothers. Overturning *Roe* opens new fronts in the long-term fight to save babies. Winning in *Dobbs* means saving babies from day one AND opens the door to making abortion unthinkable. Putting the life issue front and center in our political debate, with the public as

active participants in the decision-making process, is critical to transforming the culture. Returning the abortion issue to the people and their elected representatives to decide means that governors and state legislators will play a key role in protecting the unborn and supporting mothers facing unexpected pregnancies.

3. We will prepare, fight, and win for MILLIONS of unborn children.

>>> We must prepare everyone with a possible role to save lives — because saving lives is the only measure of success. **Prepare** includes everything we are doing on the front end of *Dobbs* to be ready for the Supreme Court's decision. This means working with governors and state legislators to pass, defend, and support pro-life legislation in the states, educating candidates on best messaging, and expanding the safety net for mothers and babies. **Fight** signifies our efforts immediately after the *Dobbs* decision, as we aggressively take on the political, legal, and policy battles that result. In particular, we want to create divided government in 2022, putting a stop to the absolute worst threats we face under complete Democrat control by gaining back the Senate and the House. These previous steps will allow us to **WIN**, which means finally protecting as many babies as possible under the law.

Hi Barrie,

I hope your week is off to a great start.

SBA List is hosting a **Pro-Life Leaders Summit**, taking place **February 14th and 15th, 2022 at The Sanctuary at Kiawah Island**. The Summit brings together SBA List's top supporters from across the country to discuss pro-life strategy moving forward.

Our president, Marjorie Dannenfelser, would love to extend an invitation to Governor Reeves to be a featured speaker at the Summit.

Specifically, we'd like to invite the Governor to speak to attendees for 15 minutes sometime between 11:15 AM to 12:30 PM on Tuesday, February 15th. As of now, we have great flexibility during that timeframe.

During the Summit, there will be significant focus on the *Dobbs* case, so we'd love to have the Governor there for the discussion.

Of course, if the Governor's schedule allows, we'd love for him to stay for additional Summit programming. We have an opening dinner on the 14th that is being headlined by SC Gov. Henry McMaster to welcome attendees to his home state, and we'll also have a luncheon and dinner on the 15th.

Please let us know if you have any questions on this request. I've copied Emma on our team who is assisting with logistics, lodging, etc.

Thank you!

SBA List is hosting a **Pro-Life Leaders Summit**, taking place **February 14th and 15th, 2022** at **The Sanctuary at Kiawah Island**. The Summit brings together SBA List's top supporters from across the country to discuss pro-life strategy moving forward.

Our president, Marjorie Dannenfelser, would love to extend an invitation to Governor Reeves to be a featured speaker at the Summit.

Specifically, we'd like to invite the Governor to speak to attendees for 15 minutes sometime between 11:15 AM to 12:30 PM on Tuesday, February 15th. As of now, we have great flexibility during that timeframe.

During the Summit, there will be significant focus on the *Dobbs* case, so we'd love to have the Governor there for the discussion.

Of course, if the Governor's schedule allows, we'd love for him to stay for additional Summit programming. We have an opening dinner on the 14th that is being headlined by SC Gov. Henry McMaster to welcome attendees to his home state, and we'll also have a luncheon and dinner on the 15th.

Please let us know if you have any questions on this request. I've copied Emma on our team who is assisting with logistics, lodging, etc.

Thank you!

Hi Barrie,

I hope your week is off to a great start.

SBA List is hosting a **Pro-Life Leaders Summit**, taking place **February 14th and 15th, 2022** at **The Sanctuary at Kiawah Island**. The Summit brings together SBA List's top supporters from across the country to discuss pro-life strategy moving forward.

Our president, Marjorie Dannenfelser, would love to extend an invitation to Governor Reeves to be a featured speaker at the Summit.

Specifically, we'd like to invite the Governor to speak to attendees for 15 minutes sometime between 11:15 AM to 12:30 PM on Tuesday, February 15th. As of now, we have great flexibility during that timeframe.

During the Summit, there will be significant focus on the *Dobbs* case, so we'd love to have the Governor there for the discussion.

Of course, if the Governor's schedule allows, we'd love for him to stay for additional Summit programming. We have an opening dinner on the 14th that is being headlined by SC Gov. Henry McMaster to welcome attendees to his home state, and we'll also have a luncheon and dinner on the 15th.

Please let us know if you have any questions on this request. I've copied Emma on our team who is assisting with logistics, lodging, etc.

Thank you!

Hi Barrie,

I hope your week is off to a great start.

SBA List is hosting a **Pro-Life Leaders Summit**, taking place **February 14th and 15th, 2022** at **The Sanctuary at Kiawah Island**. The Summit brings together SBA List's top supporters from across the country to discuss pro-life strategy moving forward.

Our president, Marjorie Dannenfelser, would love to extend an invitation to Governor Reeves to be a featured speaker at the Summit.

Specifically, we'd like to invite the Governor to speak to attendees for 15 minutes sometime between 11:15 AM to 12:30 PM on Tuesday, February 15th. As of now, we have great flexibility during that timeframe.

During the Summit, there will be significant focus on the *Dobbs* case, so we'd love to have the Governor there for the discussion.

Of course, if the Governor's schedule allows, we'd love for him to stay for additional Summit programming. We have an opening dinner on the 14th that is being headlined by SC Gov. Henry McMaster to welcome attendees to his home state, and we'll also have a luncheon and dinner on the 15th.

Please let us know if you have any questions on this request. I've copied Emma on our team who is assisting with logistics, lodging, etc.

Thank you!

Subject: <EXTERNAL>: Invitation for Gov. Reeves: Pro-Life Leaders Summit

Hi Barrie,

I hope your week is off to a great start.

SBA List is hosting a **Pro-Life Leaders Summit**, taking place **February 14th and 15th, 2022** at **The Sanctuary at Kiawah Island**. The Summit brings together SBA List's top supporters from across the country to discuss pro-life strategy moving forward.

Our president, Marjorie Dannenfelser, would love to extend an invitation to Governor Reeves to be a featured speaker at the Summit.

Specifically, we'd like to invite the Governor to speak to attendees for 15 minutes sometime between 11:15 AM to 12:30 PM on Tuesday, February 15th. As of now, we have great flexibility during that timeframe.

During the Summit, there will be significant focus on the *Dobbs* case, so we'd love to have the Governor there for the discussion.

Of course, if the Governor's schedule allows, we'd love for him to stay for additional Summit programming. We have an opening dinner on the 14th that is being headlined by SC Gov. Henry McMaster to welcome attendees to his home state, and we'll also have a luncheon and dinner on the 15th.

Please let us know if you have any questions on this request. I've copied Emma on our team who is assisting with logistics, lodging, etc.

Thank you!

Billy

Subject: <EXTERNAL>: Invitation for Gov. Reeves: Pro-Life Leaders Summit

Hi Barrie,

I hope your week is off to a great start.

SBA List is hosting a **Pro-Life Leaders Summit**, taking place **February 14th and 15th, 2022** at **The Sanctuary at Kiawah Island**. The Summit brings together SBA List's top supporters from across the country to discuss pro-life strategy moving forward.

Our president, Marjorie Dannenfelser, would love to extend an invitation to Governor Reeves to be a featured speaker at the Summit.

Specifically, we'd like to invite the Governor to speak to attendees for 15 minutes sometime between 11:15 AM to 12:30 PM on Tuesday, February 15th. As of now, we have great flexibility during that timeframe.

During the Summit, there will be significant focus on the *Dobbs* case, so we'd love to have the Governor there for the discussion.

Of course, if the Governor's schedule allows, we'd love for him to stay for additional Summit programming. We have an opening dinner on the 14th that is being headlined by SC Gov. Henry McMaster to welcome attendees to his home state, and we'll also have a luncheon and dinner on the 15th.

Please let us know if you have any questions on this request. I've copied Emma on our team who is assisting with logistics, lodging, etc.

Thank you!

Subject: <EXTERNAL>: LIFE WINS ELECTIONS SERIES - VIRGINIA EDITION: Youngkin Defeats McAuliffe's Abortion Extremism

LIFE WINS ELECTIONS IN VA: Youngkin Defeats Abortion Extremist McAuliffe in Bellwether 2022 Race After McAuliffe Spent Millions on Pro-Abortion Advertising

SBA List and its partner **Women Speak Out PAC – Virginia** are celebrating today as their endorsed candidate **Glenn Youngkin** defeated abortion extremist **Terry McAuliffe** in an historic upset in the Commonwealth of VA last night. Here's what you need to know:

- Under fire from Youngkin over education and other cultural issues, McAuliffe made abortion the **primary issue** [\[link.mediaoutreach.meltwater.com\]](https://link.mediaoutreach.meltwater.com) of his campaign, spending millions and producing at least 5 ads on abortion
- McAuliffe's plan failed: CNN exit polling found that the 8 percent of Virginia voters who cited abortion as their top issue broke for Youngkin by a margin of 20 points
- Youngkin didn't run away from the abortion issue: He made **strong pro-life commitments** [\[link.mediaoutreach.meltwater.com\]](https://link.mediaoutreach.meltwater.com) early in campaign and **released an ad** [\[link.mediaoutreach.meltwater.com\]](https://link.mediaoutreach.meltwater.com) exposing McAuliffe as an extremist
- The **path to victory for the GOP in the 2022 midterms** is to go on offense for life

ENCOURAGING EXIT POLLS:

[\[link.mediaoutreach.meltwater.com\]](https://link.mediaoutreach.meltwater.com) **CNN exit polling** found that eight percent of Virginia voters cited abortion as their top issue. Notably, these voters supported Youngkin over McAuliffe by a margin of 17 percent, even though McAuliffe spent the vast majority of his campaign emphasizing abortion and a "woman's right to choose" – even in the final stretch

before Election Day.

Pro-life Republicans also flipped the VA House of Delegates, picking up 7 new seats. **Women Speak Out Virginia – 2021's \$1.4 million campaign** supported 6 of these 7 in addition to Youngkin, and

included **hard-hitting digital ads** and **voter contact mail** sent to persuadable as well as pro-life voters who don't always come out to vote.

And let's not forget the historic victory of **Winsome Sears**, a Jamaican immigrant to the U.S., as well as a Marine Corps veteran, she is the first black woman to serve as Lieutenant Governor in the Commonwealth - not to mention a pro-life wife and mother.

Read more below in **National Review** about how pro-life Republicans can replicate the successes in Virginia this week to win in 2022!

[Republicans Should Hammer Democrats on Abortion](#)

[\[link.mediaoutreach.meltwater.com\]](https://link.mediaoutreach.meltwater.com)

By [Alexandra DeSanctis](#)

As David Harsanyi [noted on the Corner](#) [\[link.mediaoutreach.meltwater.com\]](https://link.mediaoutreach.meltwater.com) earlier today, Republican Glenn Youngkin's win in Virginia yesterday suggests that abortion is a winning issue for conservatives — and his victory should encourage conservative candidates to treat it like one.

On Morning Joe this morning, former Democratic senator [Claire McCaskill put it well](#) [\[link.mediaoutreach.meltwater.com\]](https://link.mediaoutreach.meltwater.com): “McAuliffe thought all he had to do was talk about abortion and women would fall in line.”

It's true enough. In the last month of the campaign, as Youngkin pivoted hard to education, McAuliffe doubled down on his pro-abortion rhetoric, stoking fear over the Texas Heartbeat Act and *Roe v. Wade* and repeatedly insisting that Youngkin would “turn Virginia into Texas” and take away women's rights.

McAuliffe [had](#) [\[link.mediaoutreach.meltwater.com\]](https://link.mediaoutreach.meltwater.com) at [least](#) [\[link.mediaoutreach.meltwater.com\]](https://link.mediaoutreach.meltwater.com) five [television](#) [\[link.mediaoutreach.meltwater.com\]](https://link.mediaoutreach.meltwater.com) ads [highlighting](#) [\[link.mediaoutreach.meltwater.com\]](https://link.mediaoutreach.meltwater.com) his [commitment](#) [\[link.mediaoutreach.meltwater.com\]](https://link.mediaoutreach.meltwater.com) to a “woman's right to choose” and hitting Youngkin for his alleged extremism on abortion. [He even campaigned](#) [\[link.mediaoutreach.meltwater.com\]](https://link.mediaoutreach.meltwater.com) at an abortion clinic earlier this fall.

It doesn't seem to have helped much, and in fact, it likely hurt him.

As David noted, [CNN exit polling](#) [\[link.mediaoutreach.meltwater.com\]](https://link.mediaoutreach.meltwater.com) found that Youngkin had a significant advantage over McAuliffe among voters with softer positions on abortion. Unsurprisingly, voters who said abortion should be legal in all cases hugely favored McAuliffe, and voters who said it should be illegal in all cases hugely favored Youngkin.

But among voters in the middle two categories — legal in most cases and illegal in most cases — Youngkin had a clear edge. Voters who said abortion should be legal in most cases broke for McAuliffe just two to one, while voters who said it should be illegal in most cases broke heavily for Youngkin, 88 percent to McAuliffe's 12.

Meanwhile, according to Fox News exit polling, among the 5 percent of Virginia voters who said abortion was their top issue, Youngkin had a twelve-point advantage — consistent with public-opinion surveys that typically find the pro-life position has an edge in voter enthusiasm.

Given how out of step he is with voters on this issue and what we can glean from exit polling, McAuliffe would've been better served to focus on responding to Virginia voters' concerns about inflation and education rather than harping on about abortion.

It's true that, in a post-*Roe* world, the pro-life goal of eliminating or limiting abortion would be out of step with some number of voters, but that shouldn't stop conservative candidates from using the issue to hammer Democrats for their unpopular positions.

Subject: <EXTERNAL>: LIFE WINS ELECTIONS SERIES: SBA List/WSO PAC 2022 Campaign to Expose Democrat Extremism and Win Divided Government

SBA List/WSO PAC 2022 Campaign to Expose Democrat Extremism & Win Divided Government

This election cycle, our field program will be active in 6-8 states, focused on exposing extremism of Democrats and conveying the message we have already proven: ***life is winning***. We will work to defeat Democrats in competitive House districts and key Senate battlegrounds that could flip the majority in the U.S. House, winning divided government in order to advance pro-life protections for the unborn.

How do we do this? Our strategic voter targeting wins for LIFE. Our Field Team leadership are experts at reaching the voters necessary to deliver a key margin of votes for victory. We do this by targeting two types of voters:

- **Inconsistent pro-life voters:** We know these voters are pro-life, but they don't always vote.
- **Persuadable voters:** Voters who are pro-life but typically vote for pro-abortion candidates because they don't know about the extremism of their position. These are often Democrats and Hispanic voters who vote for pro-abortion politicians based on other issues – without realizing they support abortion on demand through birth, paid for by taxpayers.

Right now, our canvassers are already on the ground in Arizona and Georgia exposing the extremism of **Raphael Warnock (D-GA)**, **Lucy McBath (GA-06)**, and **Carolyn Bourdeaux (GA-07)**, as well as **Mark Kelly (D-AZ)**, and **Tom O'Halleran (AZ-01)**. These senators and representatives are a part of

a group of [#Terrible20 members of Congress](#) who refuse to support the bipartisan Hyde Amendment that stops taxpayer funded abortions and [saves unborn American lives](#).

Warnock and Kelly have also voted against commonsense pro-life protections that protect babies born alive after failed abortions who deserve medical care. Our team rallied in their states during August recess, holding press conferences in their home districts to expose their extremism and ensure they pay a political price for their radical views on abortion.

Read more at The Hill on the launch of our 2022 campaign:

We know our issue has the power to turn inconsistent and even unlikely voters into pro-life voters. When our team informs Americans on this life-or-death issue, every vote moved away from a pro-abortion candidate to a pro-life candidate is a two-point swing in our favor.

Subject: <EXTERNAL>: LIFE WINS ELECTIONS SERIES: SBA List Field Team Provides Margin of Victory

Susan B. Anthony List (SBA List) and its connected super PAC, Women Speak Out (WSO), have elected more pro-life candidates than any other organization. Our Field Team has been integral in the fight to expose the extremism of pro-abortion Democrats, equip pro-life candidates to go on offense, educate the public, and mobilize voters to elect candidates at the ballot box who are increasingly working to humanize our laws.

LIFE is a winning issue for candidates. This has been proven by our demonstrable record of electing pro-life champions since we first launched our ground game in 2014. In the 2020 cycle, SBA List spent \$62 million+ to elect 77 pro-life candidates on the federal and state levels. This is reflective of the exponential growth of the pro-life movement, evidenced by the groundswell of pro-life laws enacted nationwide that are reflective of the will of the people.

In her recent book, *Life is Winning*, **SBA List president Marjorie Dannenfelser** explains what the GOP has recognized: when Americans understand the reality of *Roe v. Wade*, and that Democrats would enshrine abortion on demand in our national law, they reject this. It took the grit of our Field Team to shed light on this reality. Now, political leaders on the right are engaging on the life issue more than ever before, **and as a result, they are winning.**

Our state-of-the-art field program has provided the margin of victory time and again. Some highlights:

- **2014:** Defeated Senate Democrats with a sweep of pro-life victories for Thom Tillis (NC), Bill Cassidy (LA), Tom Cotton (AK), and Pat Roberts (KS). [A profile in the New Yorker](#) that year analyzed whether or not life could close the gap – and it did.
- **2016:** Elected President Donald Trump, whose unprecedented pro-life leadership allowed the pro-life movement to make [tremendous gains](#) over the last four years on the executive level, in the legislature, and the Courts.
- **2018:** Won key victories for pro-life champions in Congress, such as pro-life Democrat Dan Lipinski who narrowly won his race against Marie Newman by 2.5 percentage points, and Josh Hawley, who defeated Clare McCaskill by just 5% of the vote.
- **2020:** Made history by electing an historic 31 new pro-life women to the U.S. House. These compassionate, strong pro-life women leaders are standing like a brick wall against extreme pro-abortion Democrats.

Even mainstream media outlets like the New York Times have admitted that the left is out of touch and losing the battle on abortion. Our canvassers have proven that as well. They're in the business of listening to and relaying the pro-life stories they hear out in battleground states. When we meet

these voters at their doors, we increasingly learn that they are impassioned by protecting unborn life.

Subject: <EXTERNAL>: LIFE WINS ELECTIONS SERIES: SBA List Field Team in Action

Susan B. Anthony List (SBA List) and its connected super PAC, **Women Speak Out (WSO)**, have a demonstrable record of electing pro-life champions at the state and federal level.

With the Supreme Court set to review an abortion case with major implications (***Dobbs v. Jackson Women's Health***), it is more important than ever that pro-life candidates and lawmakers go on offense for life.

As the *Dobbs* case advances, we are on the ground working to educate voters, exposing the extremism of abortion law in our nation. The state of Mississippi, led by MS Attorney General [Lynn Fitch](#), is calling on the Supreme Court to modernize our laws, and remove us from the company of just a handful of nations that allow painful late-term abortions, up to the moment of birth, paid for by taxpayers. When we speak to voters about this, we find they are overwhelmingly on our side.

USA Today just published news of a study finding that Mississippi's law limiting abortion at 15 weeks is considered mainstream in western Europe. 47 out of 50 European nations limit abortion at 15 weeks, if not earlier, and NO European nation allows elective abortion through all 9 months of pregnancy like the Supreme Court allows here in the United States. [Read more here.](#)

With so much to consider this year and next, legislators and candidates **MUST** be ready to engage in effective conversations about the pro-life movement and a future where unborn children and women are protected from abortion. SBA List is here to help. In the weeks to come we will explain why LIFE is – and will continue to be – a winning message.

How did we get here?

The Supreme Court has been transformed in recent years through the efforts of pro-life Americans to elect pro-life leaders to the White House and U.S. Senate. Pro-life leaders including President Trump led the effort to appoint and confirm three new Justices to the court: Neil Gorsuch, Brett Kavanaugh, and Amy Coney Barrett.

SBA List canvassers nationwide were spurred to action by the hope of today's Supreme Court. Many believe that without the new Trump-appointed Justices, the Court may not have taken up this latest abortion case.

Thanks to pro-life election efforts, the Supreme Court is now poised to humanize our laws.

In the *Dobbs* late-term abortion case, the Supreme Court **will** consider whether all pre-viability limits on abortion are constitutional. Recent polling from **OnMessage Inc.** shows that an increasingly strong majority of Americans support such limits on abortion, as well as the candidates that support them. Notably, **Independent voters shift to form a strong center-right coalition on this issue.**

Americans believe it is time the law reflects the science that proves the humanity of the unborn child. Watch our new ad below to learn more:

Read more on the Dobbs late-term abortion case from Marjorie Dannenfelser in Newsweek:

“States have the right and the duty to protect the most vulnerable human beings, representing the values of the people who live there. Our laws should reflect modern science. Research, medicine, and technology have certainly not stood still since 1973. At the time of *Roe*, babies were thought to be ‘viable’ at around 28 weeks old...”

Barrie - Connecting you here with Daniel West at SBA List who is the wiz on all things Zoom. Probably best for y'all to set a time to talk today and he can walk you through on how to set up the Zoom. Thank you - Brian

Barrie - If you have reference in the email to Wes Anderson presenting information next Tuesday, could you delete it? Wes is unable to join but we will have someone else from his shop present. Also, if you need any help on the Zoom logistics, please let me know. Thanks
