Re: Written Request for Disclosure of Records

Dear Public Records Officer:

Pursuant to the South Dakota Public Records Act, S.D.C.L. Chapter 1-27, and the requirements of S.D.C.L. § 1-27-37 regarding written requests for the disclosure of records following denial in whole or in part of an informal request, American Oversight makes the following written request for records.

Requested Records

American Oversight requests that the Office of the Governor produce the following records within ten business days:

Records reflecting all expenses and costs incurred related to travel undertaken by Governor Kristi Noem in 2022. This should include expenses, per trip, related to the following trips:

- a. January 20: SHOT Show, Las Vegas, NV
- b. February 18: Teton County Republican's Patriot's Dinner, Jackson, WY
- c. February 24-27: Conservative Political Action Conference, Orlando, FL
- d. February 28: New York Republican Party Convention Celebration Gala, Jericho, NY
- e. March 4: Campaign Event for Senator Mike Lee, Salt Lake City, UT

Relevant expenses may include, but are not limited to, hotel or other lodging costs; costs for air travel, rental car, or other transportation companies; costs incurred for government transportation; the cost of meals or refreshments; and per diem payments. Relevant expenses include costs associated with the travel of Governor Noem and of any staff, family, or invited guests accompanying Governor Noem on these trips. Please note this request specifically excludes costs related to Governor Noem's security associated with this travel.

Fee Waiver Request

In accordance with S.D.C.L. § 1-27-36, American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Furthermore, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information is “in the public interest.”¹ The public has a significant interest in out-of-state travel undertaken by Governor Kristi Noem. Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including the costs of and communications surrounding out-of-state travel undertaken by Governor Noem. American Oversight is committed to transparency and makes the responses agencies provide to open records requests publicly available, and the public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.²

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.³ Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records and analysis related to the organization’s investigations into misconduct and corruption in state governments;⁴ posting records and analysis of federal and state governments’

responses to the Coronavirus pandemic;⁵ posting records received as part of American Oversight’s “Audit the Wall” project to gather and analyze information related to the Trump administration’s proposed construction of a barrier along the U.S.-Mexico border, and analyses of what those records reveal;⁶ and the posting of records related to an ethics waiver received by a senior Department of Justice attorney and an analysis of what those records demonstrated regarding the Department’s process for issuing such waivers.⁷

Accordingly, American Oversight qualifies for a fee waiver.

- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.
