As always – it is so great seeing you. Thank you for all you do to support me and the team.

Malia would really be interested in talking with the AG's sister – and I welcome your advice on next steps. Malia knows what she doesn't want to do (like my job -ha!) but still uncertain about a career path and lit up when the AG mentioned his sister and connecting them if that would be of interest.

Anything you can share will be much appreciated – thanks!
