URGENT REQUEST TO PRESERVE ALL 2020 ELECTION RECORDS FROM BEING DESTROYED

Hello Sheriff Mace,

Due to the very serious concerns regarding the 2020 elections, we are imploring you to **please preserve all 2020 election records before the September 3, 2022** date at which time they can be legally destroyed.

We have enough evidence that needs to be investigated that proves, by its existence alone, that a complete and thorough investigation needs to be conducted. We are asking you as our lawful representative, to initiate such action.

The People of this county deserve the truth.

To summarize:

The evidence is clear:

- We have 2K Mules ([https://www.youtube.com/watch?v=...](#))
- We have Selection Code ([https://www.youtube.com/watch?v=...](#))
- We have The Captain's Battlegrounds (<https://rumble.com/TheBattlegrounds>)

Between these, we have all three avenues to steal an election covered:

- Ballot harvesting/trafficking.
- Disparate voter roll margins & trends county by county across every state.
- Digital interference and intrusion.

At this point, it's more than obvious that 2020 was stolen.

Respectfully,

Acmeé Curtis
505-238-2913

P.S. This action is not for the purpose of overturning the 2020 election, but to prevent use of electronics and machines in future elections, thus ensuring fair elections.
