Please send payment at your earliest convenience for the attached invoices. You may find your records on the Governor's website at the link provided below under the names:

 [Public Records Requests](#)

Additionally, regarding "Stoneman, T. 51" (FL-GOV-23-0638) a search of the Executive Office of the Governor's files produced no documents responsive to your request.

Regarding the 15 requests outlined in the lawsuit filed against our office, we have thoroughly reviewed and processed the relevant documents and information. After careful consideration, we believe that all productions have been completed in accordance with each request. As such, we are closing these requests as no further action is deemed necessary at this time.

Thank you for contacting the Executive Office of the Governor.
