RE: CISA Case Number 2023-NPFO-00024

Dear Mr. Evers:

This letter is the final response to your Freedom of Information Act (FOIA) request to U.S. Department of Homeland Security (DHS), Cybersecurity and Information Security (CISA) used to support the decision to not accept a proposal by the Center for Internet Security (CIS) to protect electric

CISA has conducted a search of the files within CISA for records responsive to your request. Unfortunately, we were unable to locate or identify any responsive records.

While an adequate search was conducted, you have the right to appeal this determination that no records exist. Should you wish to do so, you must send your appeal and a copy of this letter, within 90 days of the date of this letter or email to foia@hq.dhs.gov, following the procedures outlined in the DHS FOIA regulations at 6 C.F.R. Part 5 § 1.106

Provisions of FOIA allow DHS to charge for processing fees, up to \$25, unless you seek a waiver of fees. In this instance, because you are requesting access to your own records, we are waiving these fees.

You may contact the CISA FOIA Public Liaison at 202-343-1743 for any further assistance and to discuss any aspect of your request. Additionally, you have a right to seek dispute resolution as a non-exclusive alternative to litigation. If you are requesting access to your own records (which is considered a non-commercial purpose), you are not required to pay any fees.

contact OGIS as follows: Office of Government Information Services, National Archives and Records Administration
facsimile at 202-741-5769.

If you need to contact our office again about this matter, please refer to FOIA case number 2023-NPFO-00024. 1
