Subject: July Statements

Steve

Attached are statements for July.

There was a lot of time on 20212CV3007 because of a major motion and an interlocutory appeal that were primarily fact-based, so record citations required complete review of the major filings, transcripts, and Wisconsin Eye video. Consequently, I reduced my fees on that one by 1/3. I trust that will be satisfactory. Please let me know if you have questions.

Thank you.
