Comments:

Campaign laws are being violated by Gavin Newsom, CA. He openly stated in this article; https://headlineusa.com/newsom-calls-for-democrats-to-fight-dirty/?utm_source=HUSAemail&utm_medium=email&utm_campaign=HUSAemail this statement: "Newsom said that "why" even though he is running for reelection as governor of California " he has been spending some of the millions of dollars in his campaign account on TV ads in Florida urging people to move to California, newspaper ads in Texas decrying the state's gun laws, and putting up billboards in seven states urging women to come to California if they need an abortion." Is this not a direct violation of campaign finance laws? If we are to when in public corruption, then our voice needs to be heard loud and clear. I am asking for our state officials to push for an investigation on this. Like he said (Gavin Newsom), "Where are we going on the offense every single day?" It makes no difference that this occurred in California; this is our call for ending public corruption, that belief that just because they are in office, they can break the laws. If you agree, then I hope to hear you loud and clear. Randy Miller LD28 PC Constitutional Republican
