August 6th, 2021

Liberty with a side of Grace

By: Cobb County Republican Party Chair, Salleigh Grubbs
“Ordinary people, acting in extraordinary circumstance, can accomplish remarkable things”.

Dear Cobb County Republicans,

July was a very busy month for Cobb GOP and August is going to be the same! Let's recap what all we have accomplished and what is coming up in August. We have a huge success under our belts in our House District 34 election that **Devan Seabaugh** won in a landslide! What a wonderful example of how Cobb Republicans are all about **WINNING**, as was proven by our ground game in getting voters to the polls in Cobb! Great job and kudos to all our GOP volunteers who knocked on doors, made phone calls, waved signs, and showed up. We rocked it for our new House District Representative, **Devan Seabaugh**! Devan is already hard at work for Cobb County – and I'm so proud to call him a friend. Cobb GOP, in conjunction with our partners, Cobb County Republican Women's Club, Greater Georgia and the Georgia GOP brought in a landslide win and we couldn't be more proud of the execution of our plan. This election shows that by having a solid strategy and working together, we will make a difference in every single election in 2022. We can assure every candidate and every voter that we will do all in our power to make sure that we return a Cobb County majority **BACK TO RED**! There will be no seat that goes uncontested and losing isn't an option! As a new Cobb County GOP Chairwoman I consider this win a huge success and testimony to our sound strategy to take back our majority for the Cobb Legislative Delegation, hold our two seats on the Cobb Board of Commissioners and maintain our majority on the school board in 2022. I couldn't be prouder of all of you and our Party!

Cobb GOP hosted a dynamic, informative, and sometimes shocking presentation by Rhonda Thomas, President of **Truth in Education** on the dangers of SEL and CRT. We had a sold-out crowd, and we want to thank Audrey Neu for spearheading this great event.

I was privileged to speak at the **Georgia Teen Republican Convention**, headed by **Cooper Jacks**, Chairman of TYR. The line-up of speakers consisted of an all-star group of candidates and Conservative super star Congresswoman, Marjorie Taylor Greene: Cobb County is blessed with so many wonderful candidates and Cobb GOP is honored to represent these great conservatives who are focused on Republican values and winning for Georgia!

Dr. Kandiss Taylor, for Governor
Senator Bruce Thompson, for Labor Commissioner
TJ Hudson, for Secretary of State
Jake Evans, for the 6th District Congressional District
Harold Earls, for the 6th District Congressional District
Dr. Rich McCormick, for the 7th Congressional District
Latham Saddler, for US Senate
Kelvin King, for US Senate

The **6th District** had a district meeting, spearheaded by the new Chair of the 6th District, **Nate Porter**. Nate did a stellar job of laying out his plans for the 6th District heading into 2022.

Tuesday evening on August 3rd, Cobb GOP hosted a panel of seasoned veterans and former Commissioner, District 2, Bob Ott who spoke on how to hold elected officials accountable; debuting our Cobb GOP Accountability Task Force. **Christine Rozman** was the brainchild behind ABC-123 - Local Politics Unraveled, she did a fantastic job organizing this event and will be the Team Lead over this project. The Accountability Task Force will be broken into select groups that will be active in local meetings, to include the Board of Commissioners, Planning and Zoning, Election Board and Cobb County School Board. Our voices must be heard, our elected officials will be held accountable, and we must be informed and ready to combat what we have facing us today. We encourage everyone who is willing to stand up for Conservative values to participate, by becoming an **EFFECTIVE, INFORMED advocate** for Cobb. We will be holding monthly meetings. We learned from our panel that preparation and research is the key ingredient. If you want more information, please reach out to me and I'll be sure you're connected to the right people.

I'm proud to say that the Cobb County Republican Party membership **has grown by 30% since the County Convention on April 17th**! Our VC of membership, **Catherine Floam** hit the ground running and she hasn't stopped! This growth is so exciting and speaks volumes for the people who are willing and ready to stand up for Cobb County and our Party. Due to the additional members and consistent sold out crowds at our monthly breakfast, we are hosting the August breakfast at **Roswell Street Baptist Church** across the street from the GOP HQ. The move allows us to easily accommodate more folks for this special event. We are honored to present our special guest speaker, a true Patriot and Congresswoman, **Marjorie Taylor Greene**, who is hard at work not only for the 14th District, but for all conservatives across America. We

appreciate her unwavering dedication and commitment to preserving and protecting our **Constitutional Rights and our Freedom**. You won't want to miss this breakfast; Get your tickets now before we sell out!

On **Monday, August 9th**, the **11th District**, led by **Chairman Brad Carver**, will meet to finalize plans for the **11th District Marksmanship Event at Governor's Gun Club**. It's an event you won't want to miss. More to come on that event.

August 28th, the Cobb GOP is proud to host a Voter Registration Event, with **Kim Klacik**, former candidate for Maryland's 7th Congressional District. We will be registering voters in the South Cobb area, at the Austell Farmer's Market on Austell Road. We will also be handing out school supplies so come on by, meet Kim and if you want to work the event and lend a hand please contact Debbie Fisher VC of grassroots!

Lastly, I recently was privileged to speak along with Exhibition Sponsor, **Senator Kay Kirkpatrick** and **GA 6th Candidate, Suzi Voyles** at the **Art of Zhen Shan Ren**, International Art Exhibition at the Sloppy Floyd, Veteran's Memorial Building in downtown Atlanta. The Artist's work commemorates an inner spiritual life and human rights tragedy committed against the **Falun Gong** practitioners.

Years ago, I watched the people representing **Falun Gong** walk in the **Cobb County July 4th Parade**. I was intrigued how they presented themselves, without fanfare, music or floats - just beautiful people quietly walking together in formation down Roswell Street.

After the parade, I went home and researched the organization. They are rooted in Buddhist principles, and they practice **Truth, Compassion and Forbearance**; these people are imprisoned, persecuted, and often killed by the Chinese Communist Party (CCP). They are being abused in the most horrific ways. It is believed that Practitioners from Falun Gong are possibly being used for involuntary organ harvesting, and at times, live organ harvesting. It is inconceivable that these human atrocities still exist in the year 2021. As a Christian, and as an American, I am terrified that any group could be targeted by their own government today, specifically for their spiritual beliefs and practices. It is not inconceivable that this could happen in America if we don't stand up and speak out about our religious rights!

For this reason, after a conversation with **Joan Wang of The Epoch Times**, I have agreed to Cobb GOP hosting the art exhibition in Cobb County. It is particularly important that people know how these peaceful, loving people are being subjected to horrors, inflicted by the CCP. Should this forward-moving, swift progression of anti-Christian sentiment continue in America, we must wake up and be hypersensitive to what a Communist controlled Government is willing to do to people with religious beliefs, who challenge the communist control. We constantly hear horror stories from our friends in Cuba, Venezuela, China, and multiple countries in Africa about religious persecution- but **are we getting it yet? Are we really hearing them? Are we brave enough to expose these atrocities by sharing this information with others?**

The event will be held at the **Cobb GOP Headquarters**; doors will open at 10:30am, at the conclusion of the **August 14th Breakfast**. We encourage everyone to make time to come experience and appreciate the artwork that depicts the spirituality, quest for morality and struggles of the **Falun Gong** - It is a very moving experience that you do not want to miss.

Patriotically,

Salleigh Grubbs
Cobb County GOP Chairwoman

Be Informed Before Election Day!

In case you missed it: We have postponed our GRA President's Dinner until next year after Democrat U.S. Senator **Raphael Warnock** accepted Republican nominee **Herschel Walker**'s challenge to a debate the same evening of Friday, October 14th at 7:00pm. The debate will take place in Savannah, the city where Warnock was born. Walker was also born not far from there in Wrightsville, Georgia.

We want you to be able to watch this political debate live so you can be informed about which of the candidates running best represents the healthy American principles of the Republican Party. We also realize that many of our members are activist volunteers in many campaign efforts, and we don't want to distract from their important work.

Tune into the debate between Herschel Walker and Raphael Warnock this coming Friday evening at any of the following television networks:

***Trevor Loudon** speaks before participants of the Georgians Unite Conference*

***Lisa Babbage** interviews Dr. **Alveda King** at the Georgians Unite Conference*

Last Saturday, we were pleased to participate in the Georgia Unite Conference co-hosted by our North Metro Republican Assembly chapter in Canton!

The event included compelling messages from such notables as **Trevor Loudon**, Dr. **Alveda King**, **Zemmie Fleck** with Georgia Right to Life, **Garland Favorito** with VoterGA, **Mallory Staples** with the Freedom Caucus, and **Tom Homan** who was the former Director of ICE and a FoxNews contributor.

We appreciate the leaders of our North Metro Republican Assembly chapter who helped to organize this conference, and sound the rallying call for activists to unite around our Republican and American principles for the health of the nation.

Kay and John, this is a very powerful presentation of facts about the 2020 voting process and activities that took place on/before and after November 6th.

Our concern is this: It is evident the courts don't want to deal with the politics. If you believe ANY these facts why have you not taken action to hear the issues and demand the Governor, AG, SOS, Speaker of the House, and Lt. Gov. take action to get to the bottom of these issues.

We would like you to listen to Garland's information and then tell us EXACTLY what (each of) you take offense to and believe to be inaccurate.

Very concerned Veteran,
L. Terry Downs

Very supportive Wife,

Be Informed Before Election Day!

In case you missed it: We have postponed our GRA President's Dinner until next year after Democrat U.S. Senator **Raphael Warnock** accepted Republican nominee **Herschel Walker's** challenge to a debate the same evening of Friday, October 14th at 7:00pm. The debate will take place in Savannah, the city where Warnock was born. Walker was also born not far from there in Wrightsville, Georgia.

We want you to be able to watch this political debate live so you can be informed about which of the candidates running best represents the healthy American principles of the Republican Party. We also realize that many of our members are activist volunteers in many campaign efforts, and we don't want to distract from their important work.

Tune into the debate between Herschel Walker and Raphael Warnock this coming Friday evening at any of the following television networks:

The event included compelling messages from such notables as **Trevor Loudon**, **Dr. Alveda King**, **Zemmie Fleck** with Georgia Right to Life, **Garland Favorito** with VoterGA, **Mallory Staples** with the Freedom Caucus, and **Tom Homan** who was the former Director of ICE and a FoxNews contributor.

We appreciate the leaders of our North Metro Republican Assembly chapter who helped to organize this conference, and sound the rallying call for activists to

unite around our Republican
and American principles for
the health of the nation.

Weekly Newsletter

Chairman's Corner:

Remembering the Life of Reverend Doctor Martin Luther King, Jr.

Division. Separation. Disharmony. Words that we hear all too often in the past period of months, even years. As a nation – as a state – and as a party, what better time to think about these things but on Martin Luther King, Jr. Day. It is upon this day, that we should reflect on a man who exemplified having the courage of one's convictions, in unification, of justice and authentic freedom. Dr. Martin Luther King, Jr., left a tremendous legacy of non-violent change. He created a movement in America at a time where there was much political division, particularly over the Viet Nam War. He stayed true to the ideals of love, of peaceful protest, and of the principles in the Declaration of Independence, and the United States Constitution. He stayed true to the words of the Lord, which are seen throughout now famous quotes.

"Love is the only force capable of transforming an enemy into a friend."

"I have a dream that one day on the red hills of Georgia, the sons of former slaves and the sons of former slave owners will be able to sit together at the table of brotherhood."

The above quote strikes a personal chord with me. Georgia was Dr. King's home, and it was here in Georgia, particularly, that I'm certain he envisioned that one day we could all be unified, working together, toward common causes of liberty, justice and freedom for all. And not that just those things would exist, but it would become the norm across our great country. It is also my hope and dream that we all can break bread together, without being bound by things like race, color or gender. And, that we can come together in unity for a better Georgia regardless of polarizing political views. It is a great fear of mine, that the younger generations will forget the lessons taught by Dr. King. The lessons of love, kindness, generosity and positive change that Dr. King lived by. Today I am thankful that we have his remembrance to think on the things that he taught, lived and showed the world. It is by listening to his preserved speeches that we can hear his passion – his heart – and his words of how to treat our fellow man. And, it is in the same way we can hear his mission to have a better America by simply doing what our Declaration of Independence says, "We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness—That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed..."

What I will be thinking of between now and Monday, is how I can do my part. How can I be part of his famous, "I Have a Dream" speech? I believe that what I can do is ensure that the Republican party exemplifies the same ideals of love, peace, unity and fulfillment of seeing that the consent of the governed is rightfully advocated for in Cobb County, remember Dr. King's words:

"Oppressed people cannot remain oppressed forever. The yearning for freedom eventually manifests itself."

Let us all remember that it truly is not the color of one's skin but the content of their character. Let us all move forward in unity and passion for our nation. Let us all pause and look in the mirror and ask of ourselves, "Am I doing all I can"? As Dr. King said, "Everybody can be great, because everybody can serve". Are you serving?

*Cherokee's **Andy Soha** qualifies to run against **Kay Kirkpatrick** in the new State Senate District 32.*

Who's Qualified?

Last week was super-busy as candidates qualified to run for office up and down the state. It's been sometime since we've seen so many incumbent Republicans challenged or choose to not run again for their current seats!

This is likely because Republican voters have a lot of reason to be especially disappointed with how many if not most of the incumbent Republican legislators have performed over the last several years, failing to advance Republican principles and interests.

Some candidates have gotten more attention than others. Many would be surprised to learn, for example, that there are actually *five* candidates who qualified last week in the Republican primary for Governor—not three or two.

Besides **Kandiss Taylor**, **David Perdue**, and **Brian Kemp**, **Catherine Davis** and **Tom Williams** also qualified to run for Governor on the Republican ticket. Only Mr. Williams so far has not provided campaign contact information.

In the race to replace Democrat **Raphael Warnock** for U.S. Senator of Georgia, six Republicans have qualified.

Former State Rep. **Josh Clark**, football star **Herschel Walker**, Agricultural Commissioner **Gary Black**, Air Force Vet **Kelvin King**, Navy SEAL **Latham Saddler**, and Army Brigadier General **Jonathan McColumn** will all face off in the race to become the Republican nominee for U.S. Senator to challenge Warnock.

All of these candidates and dozens more have been invited to speak at the [GRA Endorsement Convention](#) on April 2nd—and they are among the candidates our membership will have to the opportunity to [vote to endorse at that convention](#).

Call Your State Senator & Urge a "No" Vote to H.B. 1013! Stop Ralston's Child Sex Abuse Legalization Bill!

GRA-endorsed State Rep. **Philip Singleton** (R-Coweta) spoke against H.B. 1013 before it was passed in the State House with only three "nay" votes. (You can see the video of his opposition to the legislation in the link above.) The bill is now coming before the Georgia State Senate. Known as the so-called "Mental Health Parity Act," the number of the bill was named after what doctors call a "code 1013" in Georgia. A code 1013 means that a patient is considered an imminent danger to himself or others due to a mental illness.

Speaker David Ralston

The leading sponsor of H.B. 1013 is none other than Speaker **David Ralston** (R-Blue Ridge), which is why many Establishment Republicans are afraid to oppose it.

What's wrong with H.B. 1013? A lot.

According to multiple reports we have received, these are some of the impacts this legislation would have:

- 1) Seven areas of the GA code will be changed to align with WHO, the World Health Organization. How has that worked for us with COVID? The UN does not need to be in charge of our mental health.
- 2) Taxpayers will be required to carry mental health and addiction insurance. Pedophilia will be considered a "disorder" and not a crime. If charged the person will receive mental health therapy. Churches will not be exempt. Will your children be safer?
- 3) Gender reassignment surgery will also fall under mental health requirements and taxpayers will be required to pay and churches will not be exempt.
- 4) Many criminals will avoid prison and be labeled with mental health disorders. Again, they will receive mental health therapy. Parents know that this is SEL packaged under the guise of mental health.
- 5) Mental Health and SEL, Social Emotional Learning, are both behavioral and parents are the only ones that have the authority and responsibility for their child's mental health. Mental Health is not Mental Illness.
- 6) Universal mental health screenings will be required on both adults and children. This is already taking place in our schools without parents' knowledge (open the attached document to read more).
- 7) You would not be allowed to own a gun if you are labeled with a mental health issue under this legislation. This is known as a "red flag law." Mental health data will be collected on everyone. Add that to all the SEL data being collected and WHO will control us through our state and federal governments.

This bill is so vast and vague. We will all be under the care of the state and the federal government.

H.B. 1013 means Georgia taxpayers will have to pay for gender reassignment surgery and counseling for pedophiles (churches are not exempt), plus MUCH, MUCH MORE.

Be sure to call your State Senator today and urge them to vote against H.B. 1013!

Newt Gingrich flips GA-10 Endorsement; endorses Vernon Jones For Congress

Madison, Georgia (April 5, 2022) Today, former Georgia Congressman and Speaker of the House Newt Gingrich announced his endorsement of Vernon Jones for his campaign to become the next Congressman from Georgia's 10th Congressional District.

In a video statement, Speaker Gingrich remarked: "Vernon's a leader. He's the kind of legislative experienced person who can get things done. It's not just about winning a seat. It's about representing the people, fighting for the people, changing Washington. We need leaders like Vernon Jones."

"I couldn't be more honored to have the support of such a bold conservative leader like Newt Gingrich. Like Newt, I will never stop fighting for the America First Agenda, never back down to the Left, and never give an inch to the political establishment," said Rep. Vernon Jones

Newt Gingrich had previously supported the Mike Collins campaign but has since rescinded his endorsement. The former Speaker now joins President Donald J. Trump, Mayor Rudy Giuliani, and General Michael Flynn in endorsing the only true America First candidate in the GA-10 race: Vernon Jones.

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. - Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

¹ O.C.G.A. § 50-18-70(b)(2).

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

Liberty with a side of Grace

By: Cobb County Republican Party Chair, Salleigh Grubbs

“Ordinary people, acting in extraordinary circumstance, can accomplish remarkable things”.

Dear Cobb County Republicans,

July was a very busy month for Cobb GOP and August is going to be the same! Let's recap what all we have accomplished and what is coming up in August. We have a huge success under our belts in our House District 34 election that **Devan Seabaugh** won in a landslide! What a wonderful example of how Cobb Republicans are all about **WINNING**, as was proven by our ground game in getting voters to the polls in Cobb! Great job and kudos to all our GOP volunteers who knocked on doors, made phone calls, waved signs, and showed up. We rocked it for our new House District Representative, **Devan Seabaugh**! Devan is already hard at work for Cobb County – and I'm so proud to call him a friend. Cobb GOP, in conjunction with our partners, Cobb County Republican Women's Club, Greater Georgia and the Georgia GOP brought in a landslide win and we couldn't be more proud of the execution of our plan. This election shows that by having a solid strategy and working together, we will make a difference in every single election in 2022. We can assure every candidate and every voter that we will do all in our power to make sure that we return a Cobb County majority **BACK TO RED**! There will be no seat that goes uncontested and losing isn't an option! As a new Cobb County GOP Chairwoman I consider this win a huge success and testimony to our sound strategy to take back our majority for the Cobb Legislative Delegation, hold our two seats on the Cobb Board of Commissioners and maintain our majority on the school board in 2022. I couldn't be prouder of all of you and our Party!

Cobb GOP hosted a dynamic, informative, and sometimes shocking presentation by Rhonda Thomas, President of **Truth in Education** on the dangers of SEL and CRT. We had a sold-out crowd, and we want to thank Audrey Neu for spearheading this great event.

I was privileged to speak at the **Georgia Teen Republican Convention**, headed by **Cooper Jacks**, Chairman of TYR. The line-up of speakers consisted of an all-star group of candidates and Conservative super star Congresswoman, Marjorie Taylor Greene: Cobb County is blessed with so many wonderful candidates and Cobb GOP is honored to represent these great conservatives who are focused on Republican values and winning for Georgia!

*Dr. Kandiss Taylor, for Governor
Senator Bruce Thompson, for Labor Commissioner
TJ Hudson, for Secretary of State
Jake Evans, for the 6th District Congressional District
Harold Earls, for the 6th District Congressional District
Dr. Rich McCormick, for the 7th Congressional District
Latham Saddler, for US Senate
Kelvin King, for US Senate*

The **6th District** had a district meeting, spearheaded by the new Chair of the 6th District, **Nate Porter**. Nate did a stellar job of laying out his plans for the 6th District heading into 2022.

Tuesday evening on August 3rd, Cobb GOP hosted a panel of seasoned veterans and former Commissioner, District 2, Bob Ott who spoke on how to hold elected officials accountable; debuting our Cobb GOP Accountability Task Force. **Christine Rozman** was the brainchild behind ABC-123 - Local Politics Unraveled, she did a fantastic job organizing this event and will be the Team Lead over this project. The Accountability Task Force will be broken into select groups that will be active in local meetings, to include the Board of Commissioners, Planning and Zoning, Election Board and Cobb County School Board. Our voices must be heard, our elected officials will be held accountable, and we must be informed and ready to combat what we have facing us today. We encourage everyone who is willing to stand up for Conservative values to participate, by becoming an **EFFECTIVE, INFORMED advocate** for Cobb. We will be holding monthly meetings. We learned from our panel that preparation and research is the key ingredient. If you want more information, please reach out to me and I'll be sure you're connected to the right people.

I'm proud to say that the Cobb County Republican Party membership **has grown by 30% since the County Convention on April 17th**! Our VC of membership, **Catherine Floam** hit the ground running and she hasn't stopped! This growth is so exciting and speaks volumes for the people who are willing and ready to stand up for Cobb County and our Party. Due to the additional members and consistent sold out crowds at our monthly breakfast, we are hosting the August breakfast at **Roswell Street Baptist Church** across the street from the GOP HQ. The move allows us to easily accommodate more folks for this special event. We are honored to present our special guest speaker, a true Patriot and Congresswoman, **Marjorie Taylor Greene**, who is hard at work not only for the 14th District, but for all conservatives across America. We

appreciate her unwavering dedication and commitment to preserving and protecting our **Constitutional Rights and our Freedom**. You won't want to miss this breakfast; Get your tickets now before we sell out!

On **Monday, August 9th**, the **11th District**, led by **Chairman Brad Carver**, will meet to finalize plans for the **11th District Marksmanship Event at Governor's Gun Club**. It's an event you won't want to miss. More to come on that event.

August 28th, the Cobb GOP is proud to host a Voter Registration Event, with **Kim Klacik**, former candidate for Maryland's 7th Congressional District. We will be registering voters in the South Cobb area, at the Austell Farmer's Market on Austell Road. We will also be handing out school supplies so come on by, meet Kim and if you want to work the event and lend a hand please contact Debbie Fisher VC of grassroots!

Lastly, I recently was privileged to speak along with Exhibition Sponsor, **Senator Kay Kirkpatrick** and **GA 6th Candidate, Suzi Voyles** at the **Art of Zhen Shan Ren**, International Art Exhibition at the Sloppy Floyd, Veteran's Memorial Building in downtown Atlanta. The Artist's work commemorates an inner spiritual life and human rights tragedy committed against the **Falun Gong** practitioners.

Years ago, I watched the people representing **Falun Gong** walk in the **Cobb County July 4th Parade**. I was intrigued how they presented themselves, without fanfare, music or floats - just beautiful people quietly walking together in formation down Roswell Street.

After the parade, I went home and researched the organization. They are rooted in Buddhist principles, and they practice **Truth, Compassion and Forbearance**; these people are imprisoned, persecuted, and often killed by the Chinese Communist Party (CCP). They are being abused in the most horrific ways. It is believed that Practitioners from Falun Gong are possibly being used for involuntary organ harvesting, and at times, live organ harvesting. It is inconceivable that these human atrocities still exist in the year 2021. As a Christian, and as an American, I am terrified that any group could be targeted by their own government today, specifically for their spiritual beliefs and practices. It is not inconceivable that this could happen in America if we don't stand up and speak out about our religious rights!

For this reason, after a conversation with **Joan Wang of The Epoch Times**, I have agreed to Cobb GOP hosting the art exhibition in Cobb County. It is particularly important that people know how these peaceful, loving people are being subjected to horrors, inflicted by the CCP. Should this forward-moving, swift progression of anti-Christian sentiment continue in America, we must wake up and be hypersensitive to what a Communist controlled Government is willing to do to people with religious beliefs, who challenge the communist control. We constantly hear horror stories from our friends in Cuba, Venezuela, China, and multiple countries in Africa about religious persecution- but **are we getting it yet? Are we really hearing them? Are we brave enough to expose these atrocities by sharing this information with others?**

The event will be held at the **Cobb GOP Headquarters**; doors will open at 10:30am, at the conclusion of the **August 14th Breakfast**. We encourage everyone to make time to come experience and appreciate the artwork that depicts the spirituality, quest for morality and struggles of the **Falun Gong** - It is a very moving experience that you do not want to miss.

Patriotically,

Salleigh Grubbs
Cobb County GOP Chairwoman

Cobb legislator pushes back on cityhood bills

Despite co-sponsoring a bill last session that would have allowed Vinings residents in Cobb County the ability to vote for cityhood, state **Rep. Erick Allen** (D-Smyrna) has reversed course, now urging his fellow legislators not to support any of the county's four cityhood movements until further studies can be completed on their impact on the county. There are proposed cities in **Vinings**, **East Cobb**, **Lost Mountain**, and **Mableton**, which if passed could see referendums on the ballot later in 2022. But with Allen, the county delegation chair, now opposed - their odds of passage could be **DRIFTING...**

Weekly Newsletter

Chairman's Corner:

Remembering the Life of Reverend Doctor Martin Luther King, Jr.

Division. Separation. Disharmony. Words that we hear all too often in the past period of months, even years. As a nation – as a state – and as a party, what better time to think about these things but on Martin Luther King, Jr. Day. It is upon this day, that we should reflect on a man who exemplified having the courage of one's convictions, in unification, of justice and authentic freedom. Dr. Martin Luther King, Jr., left a tremendous legacy of non-violent change. He created a movement in America at a time where there was much political division, particularly over the Viet Nam War. He stayed true to the ideals of love, of peaceful protest, and of the principles in the Declaration of Independence, and the United States Constitution. He stayed true to the words of the Lord, which are seen throughout now famous quotes.

"Love is the only force capable of transforming an enemy into a friend."

"I have a dream that one day on the red hills of Georgia, the sons of former slaves and the sons of former slave owners will be able to sit together at the table of brotherhood."

The above quote strikes a personal chord with me. Georgia was Dr. King's home, and it was here in Georgia, particularly, that I'm certain he envisioned that one day we could all be unified, working together, toward common causes of liberty, justice and freedom for all. And not that just those things would exist, but it would become the norm across our great country. It is also my hope and dream that we all can break bread together, without being bound by things like race, color or gender. And, that we can come together in unity for a better Georgia regardless of polarizing political views. It is a great fear of mine, that the younger generations will forget the lessons taught by Dr. King. The lessons of love, kindness, generosity and positive change that Dr. King lived by. Today I am thankful that we have his remembrance to think on the things that he taught, lived and showed the world. It is by listening to his preserved speeches that we can hear his passion – his heart – and his words of how to treat our fellow man. And, it is in the same way we can hear his mission to have a better America by simply doing what our Declaration of Independence says, "We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness—That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed..."

What I will be thinking of between now and Monday, is how I can do my part. How can I be part of his famous, "I Have a Dream" speech? I believe that what I can do is ensure that the Republican party exemplifies the same ideals of love, peace, unity and fulfillment of seeing that the consent of the governed is rightfully advocated for in Cobb County, remember Dr. King's words:

"Oppressed people cannot remain oppressed forever. The yearning for freedom eventually manifests itself."

Let us all remember that it truly is not the color of one's skin but the content of their character. Let us all move forward in unity and passion for our nation. Let us all pause and look in the mirror and ask of ourselves, "Am I doing all I can"? As Dr. King said, "Everybody can be great, because everybody can serve". Are you serving?

Subject: Marjorie Taylor Greene Keynote at GRA Endorsement Convention, Candidate Qualifying, & More!

U.S. Rep. Marjorie Taylor Greene Confirmed as Keynote Speaker at the GRA Endorsement Convention on April 2nd!

We are pleased to announce that Congresswoman **Marjorie Taylor Greene** (GA-14) has agreed to share as the keynote speaker at our up-coming GRA Endorsement Convention on Saturday, April 2nd! Greene was endorsed by the GRA in her congressional runoff in 2019. If you haven't [registered for the event](#) yet, be sure to do so before it is too late!

Only GRA members who [register](#) may participate in the Endorsement Convention. Candidates can only win the endorsement if they get at least a 2/3rd majority of the participating membership. We will be hearing from candidates from across the state, and we will be voting on endorsement for U.S. Senator, Governor, Lt. Governor, Secretary of State, Constitutional Officer, State Legislature, and others.

Plan to come and invite your favorite candidates to join us as well!

*Cherokee's **Andy Soha** qualifies to run against **Kay Kirkpatrick** in the new State Senate District 32.*

Who's Qualified?

Last week was super-busy as candidates qualified to run for office up and down the state. It's been sometime since we've seen so many incumbent Republicans challenged or choose to not run again for their current seats!

This is likely because Republican voters have a lot of reason to be especially disappointed with how many if not most of the incumbent Republican legislators have performed over the last several years, failing to advance Republican principles and interests.

Some candidates have gotten more attention than others. Many would be surprised to learn, for example, that there are actually *five* candidates who qualified last week in the Republican primary for Governor—not three or two.

Besides **Kandiss Taylor**, **David Perdue**, and **Brian Kemp**, **Catherine Davis** and **Tom Williams** also qualified to run for Governor on the Republican ticket. Only Mr. Williams so far has not provided campaign contact information.

In the race to replace Democrat **Raphael Warnock** for U.S. Senator of Georgia, six Republicans have qualified.

Former State Rep. **Josh Clark**, football star **Herschel Walker**, Agricultural Commissioner **Gary Black**, Air Force Vet **Kelvin King**, Navy SEAL **Latham Saddler**, and Army Brigadier General **Jonathan McCollum** will all face off in the race to become the Republican nominee for U.S. Senator to challenge Warnock.

All of these candidates and dozens more have been invited to speak at the [GRA Endorsement Convention](#) on April 2nd—and they are among the candidates our membership will have to the opportunity to [vote to endorse at that convention](#).

Call Your State Senator & Urge a "No" Vote to H.B. 1013! Stop Ralston's Child Sex Abuse Legalization Bill!

GRA-endorsed State Rep. **Philip Singleton** (R-Coweta) spoke against H.B. 1013 before it was passed in the State House with only three "nay" votes. (You can see the video of his opposition to the legislation in the link above.) The bill is now coming before the Georgia State Senate. Known as the so-called "Mental Health Parity Act," the number of the bill was named after what doctors call a "code 1013" in Georgia. A code 1013 means that a patient is considered an imminent danger to himself or others due to a mental illness.

Speaker David Ralston

The leading sponsor of H.B. 1013 is none other than Speaker **David Ralston** (R-Blue Ridge), which is why many Establishment Republicans are afraid to oppose it.

What's wrong with H.B. 1013? A lot.

According to multiple reports we have received, these are some of the impacts this legislation would have:

- 1) Seven areas of the GA code will be changed to align with WHO, the World Health Organization. How has that worked for us with COVID? The UN does not need to be in charge of our mental health.
- 2) Taxpayers will be required to carry mental health and addiction insurance. Pedophilia will be considered a "disorder" and not a crime. If charged the person will receive mental health therapy. Churches will not be exempt. Will your children be safer?
- 3) Gender reassignment surgery will also fall under mental health requirements and taxpayers will be required to pay and churches will not be exempt.
- 4) Many criminals will avoid prison and be labeled with mental health disorders. Again, they will receive mental health therapy. Parents know that this is SEL packaged under the guise of mental health.
- 5) Mental Health and SEL, Social Emotional Learning, are both behavioral and parents are the only ones that have the authority and responsibility for their child's mental health. Mental Health is not Mental Illness.
- 6) Universal mental health screenings will be required on both adults and children. This is already taking place in our schools without parents' knowledge (open the attached document to read more).
- 7) You would not be allowed to own a gun if you are labeled with a mental health issue under this legislation. This is known as a "red flag law." Mental health data will be collected on everyone. Add that to all the SEL data being collected and WHO will control us through our state and federal governments.

This bill is so vast and vague. We will all be under the care of the state and the federal government.

H.B. 1013 means Georgia taxpayers will have to pay for gender reassignment surgery and counseling for pedophiles (churches are not exempt), plus MUCH, MUCH MORE.

Be sure to call your State Senator today and urge them to vote against H.B. 1013!

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. - Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

¹ O.C.G.A. § 50-18-70(b)(2).

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. Pro-Life Champion and former Governor of Arkansas endorses Vernon Jones For Congress

Madison, GA - Today, pro-life champion, former Governor of Arkansas, and presidential candidate Mike Huckabee endorsed Trump-endorsed Vernon Jones to be the next Congressman for Georgia's 10th Congressional District. "I'm proud to join President Trump in endorsing Vernon Jones to be the next Congressman for Georgia's 10th Congressional District.

Now more than ever, our country is need of fighters like Vernon who will fight for the America First agenda, protect the unborn, and not back down to the Radical Left," **Governor Huckabee remarked.**

"Few have fought harder for family values, conservatism, and the America First movement than Governor Huckabee. Earning his support is a testament to the type of campaign we've ran since the beginning: a campaign focused on returning our country to the traditional values that made it great in the first place. The American people want to talk about solutions, not their preferred pronouns," **said Rep. Vernon Jones.**

This endorsement comes on the eve of the May 24th Georgia Republican primary that will determine who will be the Republican nominee for Georgia's 10th Congressional District.

Rep. Jones has also been endorsed by former President Donald Trump, General Michael Flynn, and Mayor Rudy Giuliani.

Subject: Vernon Jones takes the lead in GA-10 Congressional race

□

Vernon Jones Surges to First Place in GA-10 Republican Primary, New Poll Shows

Watkinsville, Georgia (April 15, 2022) In a new poll conducted by Remington Research Group, former State Representative and Trump endorsed candidate Vernon Jones emerged as the clear frontrunner in the open race for Georgia's 10th Congressional District. According to the poll, Jones leads the eight candidate field with 20% of the vote and a four point lead over his nearest competitor Mike Collins at 16%, Paul Broun at 15%, Timothy Barr at 7%, David Curry at 5%, Alan Sims at 5%, Mitchell Swan at 4%, Marc McMain at 3%, and undecideds at 25%.

"What this poll shows is clear: the momentum in this race is on our side. The people of the 10th Congressional District want a Congressman who has earned the trust of President Trump, isn't afraid to fight against the Radical Left, and won't back down to the GOP Establishment. Despite every attack from the Fake News media and GOP Establishment, our campaign continues to connect with more and more Georgians every single day," said Vernon Jones

This poll was conducted from April 10th-11th. It included a sample size of 703 likely GOP primary voters, with a margin of error of 3.7% with a 95% level of confidence. Since entering the race, Rep. Jones has surged nearly 20 points while previous frontrunner Mike Collins has shed nearly more than the same amount after previously polling at 35.1%.

The Vernon Jones campaign is the only campaign in this race to have been endorsed by former President Trump, in addition to Mayor Rudy Giuliani, General Michael Flynn, and former GA-10 congressional candidate Patrick Whitt.

Kay and John, this is a very powerful presentation of facts about the 2020 voting process and activities that took place on/before and after November 6th.

Our concern is this: It is evident the courts don't want to deal with the politics. If you believe ANY these facts why have you not taken action to hear the issues and demand the Governor, AG, SOS, Speaker of the House, and Lt. Gov. take action to get to the bottom of these issues.

We would like you to listen to Garland's information and then tell us EXACTLY what (each of) you take offense to and believe to be inaccurate.

Very concerned Veteran,
L. Terry Downs

Very supportive Wife,
Diane M. Downs

Be Informed Before Election Day!

In case you missed it: We have postponed our GRA President's Dinner until next year after Democrat U.S. Senator **Raphael Warnock** accepted Republican nominee **Herschel Walker's** challenge to a debate the same evening of Friday, October 14th at 7:00pm. The debate will take place in Savannah, the city where Warnock was born. Walker was also born not far from there in Wrightsville, Georgia.

We want you to be able to watch this political debate live so you can be informed about which of the candidates running best represents the healthy American principles of the Republican Party. We also realize that many of our members are activist volunteers in many campaign efforts, and we don't want to distract from their important work.

Tune into the debate between Herschel Walker and Raphael Warnock this coming Friday evening at any of the following television networks:
