Re: Public Records Request

Dear Public Records Coordinator:

Pursuant to Article I, section 24(a), of the Florida Constitution, and Florida's public records laws, as codified at Fla. Stat. Chapter 119, American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office promptly produce the following:

All email communications (including any email messages, attachments, or calendar invitations) sent by any of the individuals listed below to any individual employed within the Florida Governor's office, including, but not limited to, to anyone using an email address ending in eog.myflorida.com.

Boards of Medicine and Osteopathic Medicine:

1. Chair David Diamond
2. Chair Sandra Schwemmer
3. Vice Chair Kevin Cairns
4. Hector Vila
5. Tiffany Sizemore Di Pietro
6. Zachariah Zachariah
7. Michael Wasylik
8. Patrick Hunter
9. Luz Marina Pages
10. Nicholas Romanello
11. Scot Ackerman
12. Executive Director Paul A. Vazquez

Please provide all responsive records from April 14, 2022, through the date the search is conducted.

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited

its request to emails sent by the listed individuals. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that a response sent by Chair David Diamond to the Governor's Office and the initial received message are both responsive to this request and should be produced.

Please notify me of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.

Please search all locations and systems likely to have responsive records regarding official business. **You may not exclude searches of files or emails in the personal custody of your officials, such as personal email accounts.** Emails or texts conducting government business sent or received on the personal account of the government official constitutes a record for purposes of Florida's public records laws.¹

In addition, American Oversight insists that your agency use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; your office may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

¹ *Cf. State v. City of Clearwater*, 863 So. 2d 149, 154 (Fla. 2003) (“The determining factor is the nature of the record, not its physical location.”).

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

Conclusion

American Oversight is a 501(c)(3) nonprofit with the mission to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials.
