Hi Cori!

I'd like to request the following lists:

- 1.) Any outstanding provisionals who still need to provide ID in order to be counted.
- 2.) Any outstanding signature cure ballots.

Regarding the latter, can we have daily updates of the signature cure list from now through the 13th?

Thank you!

Jeff

Press Release

Nye County is aware of a legal action that has been filed in the Fifth Judicial District Court against the County and its Clerk Mark Kampf. The allegations set forth in the complaint are misleading, without merit, and distort the County and Mr. Kampf's intended course of action with respect to the upcoming general election. Overall, the current efforts to discredit the County's electoral processes and malign Mr. Kampf have no legal basis, and in fact, only threaten to suppress the vote in Nye County. For this reason, the County and Mr. Kampf intend to mount a vigorous legal defense that clarifies the misleading allegations and disposes of the legal action as swiftly as possible. In the meantime, it is critical that all Nye County voters understand that the pending legal action should in no way create any cause for concern, nor dissuade anyone from casting a vote. More so than ever before, Nye County voters can rest assured that the electoral process will be fair, transparent, and in accordance with Nevada

law. Indeed, the County and Mr. Kampf have complied with all applicable laws and regulations, and will ensure that anyone who is eligible and wants to vote, will be able to do so in accordance with Nevada law.

Hi Cori!

I'd like to request the following lists:

- 1.) Any outstanding provisionals who still need to provide ID in order to be counted.
- 2.) Any outstanding signature cure ballots.

Regarding the latter, can we have daily updates of the signature cure list from now through the 13th?

Thank you!
Jeff

I will try to find it tomorrow morning. It will take some time because it's a County holiday (for some).

It should be readily available.

Mark
