STATES TRUST SUMMIT

You're Invited!

June 10-11, 2022 | Frisco, TX
Elevate Life Church

Mark your calendars for the Texas Public Policy Foundation's States Trust Summit in Frisco, Texas on June 10-11, 2022!

Keynote Speakers:

- **Honorable Greg Abbott** - Governor, State of Texas
- **Kevin Roberts, Ph.D.** - President, The Heritage Foundation
- **Additional Speakers TBA**

Our federal government is placing America on a dangerous course that will leave the country less powerful, less prosperous, and less secure. In every state, Americans are fighting Washington's plans to raise gas prices, open our borders, indoctrinate our kids with a political agenda, and compromise the safety of our neighborhoods. Washington politicians are hopelessly incapable of solving the issues that matter most to Americans and we cannot afford to watch them waste our future.

The States Trust Summit is a gathering of thousands of patriots from all walks of life and political backgrounds to discuss, coordinate, and plan for opportunities to reverse course on Washington's agenda and build a stronger America. It will feature state-based political leaders, policymakers, and activists to build relationships and collaborate on policy ideas to ensure America remains the strongest, freest, and most prosperous country in the world.

America's future is bright when citizens are engaged. Please join us in the fight for the country we love at the States Trust Summit.
