Dear Secretary of State Scott,

Election integrity is critical. Without fair and honest elections, we are not truly free. I am asking you ensure that our state takes action to clean voter rolls, require voter ID, and to commit to practices in the election process that are not subject to easy fraud. Millions of people like me are taking action to assure that voting fraud is eliminated in our state.

Know that I am praying for you as you serve our state. You can be encouraged - God grants wisdom to those who ask Him. (James 1:5)

Sincerely,
