Re. Virginia Freedom of Information Act Request

Dear Mr. Douglas,

Pursuant to our telephone conversations and the copy of the e-mail request for records under the FOIA which you sent to the General Registrar dated 21 June 2023, and the printed paper version which was hand delivered to me on Friday, 23 June 2023 by the General Registrar, Lauren Eddy, I submit the following response.

I have reviewed all of the email messages which I have received in my Albemarle County Electoral Board email record. There are no messages received in that email account from any of the names or organizations listed in the FOIA request from Anisha Hindocha. This email account is the only Electoral Board message service I have, so this account is the only Albemarle Electoral Board contacting device I can search. Our Electoral Board uses no other messaging platform. Therefore, I have no records to produce.

I have conducted no public business of the electoral board through any personal email address, social media account, or other electronic means.

Thank you for your attention and assistance in completing this FOIA request.

Clara Belle Wheeler
Vice Chairman, Albemarle County Electoral Board
