RE: OOG PIR # 420-23

Dear Ms. Adhoob:

This email is in response to your modified public information request to the Office of the Governor (“OOG”), received by the OOG on November 1, 2023. A copy of your request follows this email.

The OOG requested an open records letter ruling from the Office of the Attorney General as to whether information responsive to your request was excepted from disclosure under the Public Information Act. On January 29, 2024, the Office of the Attorney General issued Open Records Letter Ruling No. OR2024-003099. That ruling concludes some of the information at issue must be released. The information that must be released is attached with this email.

If you have any questions, please contact me at publicrecords@gov.texas.gov.

Sincerely,

Kieran Hillis
Public Information Coordinator
Assistant General Counsel
Office of Governor Greg Abbott
