Subject: sad news for a team member

Good evening –

I am hoping that this note reaches every member of the FWB+P team, please help me in cascading this message.

Kate Garvey, who is a Social Work Supervisor in the Ft. Dodge office, and a foster/adoptive parent, lost everything in a devastating house fire just before Christmas. At this time, between the fire and water damage, minimal items can be salvaged.

The Family Well-Being and Protective team is mighty in numbers and serves families in need day in and day out. While we continually rise to the occasion to help those in need – individuals, families, and communities – today one of our own needs our support. I am hopeful that you are moved to make a donation at the link below that can support Kate and her family.

Be well -
