Re: Freedom of Information Act Request

Dear Freedom of Information Officer:

Pursuant to the South Carolina Freedom of Information Act, S.C. Code Ann. §§ 30-4-10 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that your agency promptly produce the following records:¹

All formal or informal guidance, assessments, recommendations, or planning documents prepared by your office or otherwise provided by another government office or by independent experts, related to identifying curriculum materials prohibited by HB 4100 (Sec. 1.105),² HB 5150 (Part 1B, Sec. 1.93),³ or HB 4300 (Part 1B, Sec. 1.82).⁴

Please provide all responsive records from January 1, 2021, to the date the search is conducted.

¹ Pursuant to S.C. Code Ann. § 30-4-30(C), please notify American Oversight of your final determination as to the public availability of the requested records within ten business days and produce the records within thirty calendar days after issuing your final determination.

² HB 4100 (Part 1B, Sec. 1.105) prohibited funding for content containing eight concepts related to race and sex identified within the law. It expired in June 2022. See https://www.scstatehouse.gov/sess124_2021-2022/appropriations2021/tap1b.htm.

³ HB 5150 (Part 1B, Sec. 1.93) prohibited the same concepts as HB 4100 (Part 1B, Sec. 1.105). It expired in June 2023. See https://www.scstatehouse.gov/sess124_2021-2022/appropriations2022/GOVPart1B.pdf#page=33.

⁴ HB 4300 (Part 1B, Sec. 1.82) prohibits the same concepts as HB 4100 (Part 1B, Sec. 1.105) and HB 5150 (Part 1B, Sec. 1.93), and is currently in effect. See https://www.scstatehouse.gov/sess125_2023-2024/appropriations2023/GOVPart1B.pdf#page=31.

Fee Waiver Request

In accordance with S.C. Code Ann. § 30-4-30(B), American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. In addition, this request is primarily and fundamentally for non-commercial purposes.

A waiver of fees is “in the public interest because furnishing the information can be considered as primarily benefiting the general public.”⁵ The general public has a significant interest in understanding how agencies are implementing laws concerning the eight concepts described by this legislation⁶. Records with the potential to shed light on this issue would contribute significantly to public understanding of operations of the government, including helping the public understand what the legislation prohibits and to which specific educational materials it is being applied. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available. The public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

Furthermore, American Oversight’s work is aimed solely at serving the public interest. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.com.⁷

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.⁸ Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records and
