Subject: SB49 Update

Good morning, NLC Leaders!

As you are aware who were on the 7am teams meeting, information is evolving as we finalize principal requirements pertaining to SB 49. Based on this morning's update, there is a change to yesterday's communication. You will receive a video presentation to share with your staff. This will ensure consistency and assist you with "the lift". As a result, NO STAFF MEETINGS can be held today. You must wait until tomorrow to share with staff. Additional options for sharing with staff are forthcoming. Have a great day!
