Re: Public Records Request

Dear Public Records Officer(s):

Pursuant to Article I, section 24(a), of the Florida Constitution, and Florida's public records laws, as codified at Fla. Stat. Chapter 119, American Oversight makes the following request for records.

Requested Records

American Oversight requests that the Florida Office of the Attorney General promptly produce the following:

All email communications (including email messages, complete email chains, calendar invitations, and any attachments thereto) between (a) Richard Mantei of the Office of Statewide Prosecution or anyone communicating on his behalf, such as an assistant or secretary, and (b) any of the external entities or individuals listed below or anyone communicating on their behalf (including, but not limited to, at the specified complete email addresses or domains).¹

Please provide all responsive records from July 1, 2023, through the date the search is conducted.

External Individuals and Entities:

- a. Federation for American Immigration Reform (fairus.org)
- b. Immigration Reform Law Institute or Attorneys United for a Secure America (irli.org)
- c. Center for Immigration Studies (cis.org)
- d. NumbersUSA (numbersusa.com)
- e. The Remembrance Project (theremembranceproject.org)

¹ Please use the domains provided in your search where only a domain is provided, and not domains that are only contained within complete email addresses. For example, where the complete email address "ktc21968@gmail.com" is provided, please utilize the complete email address in your search and do not conduct a domain search for gmail.com.

- f. Russ Vought, or anyone from Center for Renewing America or Citizens for Renewing America (americarenewing.com, citizensrenewingamerica.com)
- g. Conservative Partnership Institute (conservativepartnership.org)
- h. Kansas Attorney General Kris Kobach (kkobach@gmail.com, kris@kriskobach.com, kris.kobach@ag.ks.gov or any other official or non-official email address)
- i. Alliance for Free Citizens (allianceforfreecitizens.org)
- j. Former Acting Department of Homeland Security (DHS) Secretary Chad Wolf, or anyone from America First Policy Institute (americafirstpolicy.com)
- k. Stephen Miller, Gene Hamilton, John Zadrozny, or anyone from America First Legal (aflegal.org)
- l. Former Immigrations and Customs Enforcement (ICE) Director Tom Homan
- m. National ICE Council 118 President Chris Crane
- n. National ICE Council 118 Executive Vice President LeAnn Mezzacapo
- o. Former Deputy DHS Secretary Ken Cuccinelli (ktc21968@gmail.com)
- p. Former Acting DHS General Counsel Chad Mizelle
- q. Former Acting Commissioner of U.S. Customs and Border Protection (CBP) Mark Morgan
- r. Former White House Chief of Staff Mark Meadows
- s. Former Acting Attorney General Matthew Whitaker
- t. Former Solicitor General of the U.S. Ken Starr
- u. Former United States Senator Jim DeMint
- v. Former United States Attorney General Jeff Sessions
- w. National Border Patrol Council (NBPC) President Brandon Judd
- x. NBPC Vice President and Spokesperson Hector Garza
- y. NBPC Vice President and Spokesperson Art Del Cueto

The search should include those sent or received from Richard Mantei's personal accounts and/or devices if they were used to conduct official business, as well those sent from his official email addresses or government-issued devices.

Additionally, please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if Mantei received a mass-distribution news clip email from one of the specified entities, that initial email would not be responsive to this request. However, if he forwarded that email to another listed individual with his own commentary, that subsequent message would be responsive to this request and should be produced.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.

Please search all locations and systems likely to have responsive records regarding official business. **You may not exclude searches of files or emails in the personal**

custody of your officials, such as personal email accounts. Emails or texts conducting government business sent or received on the personal account of the government official constitutes a record for purposes of Florida’s public records laws.²

In addition, American Oversight insists that your agency use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; your office may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

Section 119.12 Notice

This document provides written notice identifying American Oversight’s public records request to your agency’s custodian of public records in compliance with Section 119.12(1)(b) of the Florida Statutes. Should your agency fail to comply with its

obligations under Florida's public records laws, American Oversight may be prepared to file suit to enforce the provisions of Fla. Stat. Chapter 119.
