Thanks for helping us Katherine. Maybe we can do an in person meeting when I'm up there for the Oct 16<sup>th</sup> committee week?

In a completely separate request, I'm trying to help a constituent track down the status of an OIG report she made. I believe it was to DOS's OIG, but am checking with DOH and DCF as well (its regarding a social worker license). All I have is the case number...could your team check it for me? #951252 (Lisa Love). Thanks Katherine.
