EXTERNAL SENDER

Good Afternoon,

Upon review of your inquiry, we do not have a single comprehensive document that is responsive to your request. To determine if we have responsive records, this would require the individual review of each student record, as well as redaction, if necessary. To accomplish this, we estimate that we could review 20-25 student records per hour and we have nearly 14,500 students. This would result in review and redaction costs estimated between \$14,500 and \$18,125, per our attached Public Records Request Fee Schedule.

Please advise on how to proceed with this request. We will not move forward with this search until I hear back from you. Thank you.
